Dear Editors,

10K & Fun Run

On behalf of Burton Recreation Trustees, I would like once again, to thank all those who volunteered for marshalling, registration, timekeeping, water stops, leading and backmarking, hot drinks and food and just general help on Sunday 14 September and for making our annual 10K and Fun Run such a great event. Thanks once again to Roger Bingham for firing the starting pistol and for presenting the many prizes so generously donated, and to Margaret Belk for officiating and giving us her professional advice.

The Trustees are, as always, very grateful to Aggregate Industries, our main sponsor and equally to all the local businesses who always donate so generously to this event. This is our annual fundraising event and the proceeds keep the Recreation Ground functioning for another year, providing outdoor recreation facilities for everyone within the parish of Burton and surrounding areas.

This event would not go ahead without the very capable organisational skills of Iain and Sarah Hunter. The event is run within the strict guidelines of the Athletics Association, there is a lot of paperwork associated with it starting months before the event itself and already Sarah has registered the run for next year. The Trust is indebted to Sarah and Iain and their helpers.

We hope that everyone enjoyed the day and we look forward to seeing you

again next year. The run is normally held on the second Sunday in September, but next year it will be on the first Sunday so as not to clash with the 'Great North Run' – as some of our regular runners find our event a good 'warm up' for the Great North!

For anyone who isn't aware of the facilities offered at Burton Recreation Ground – please ring Phil Mann 01524 782152, who is bookings co-ordinator, or myself.

Remember, the Recreation Ground is for everyone and is a focus for all outdoor activities within the parish. If you have any ideas for its use or wish to be involved in the Trust, we will be very pleased to hear from you.

Thank you,  
Richard Davey, Chairman

### The Little Cumbrian Tea Room

I would like to give a big thank you to all the people who supported this event in my front room. We sold all the tickets and raised £450 for St John's Hospice. Special thanks also to those generous people who made donations when they weren't able to come and to the friendly people I'd never met despite living in the village for 27 years!

It was very moving to encounter the many reasons people have for wanting to support the Hospice. I think the piano playing was very special and customers really seemed to enjoy it. Local pianist Stuart Wickes was very impressive.

The cake was splendid especially the two that Akis made - they were stunning - and I made 48 scones, something I've never done in my life.

# One More Opinion!

## Reporting from the Parish Council meeting

The meeting was called to order at 7.30pm but then pursued a number of comings and goings – one councillor had forgotten to bring along a letter and returned home for it; another left the room to take an incoming phone call; Roger Bingham declared that he would be leaving at 8.00 and one more arrived late and out of puff, apologising to the Chair.

The disturbed atmosphere would continue! Item 4 on the agenda was to receive announcements by the Chair. First that letter – from the Fellwalking Society regarding the state of various footpaths including Slape Lane – the Chair immediately accepted responsibility, apologised and said it will be seen to. Next came a letter of resignation from the Parish Clerk, who after twelve months in the job is unexpectedly leaving the village, she will continue in post until a replacement can be found. Roger Bingham responded to a letter regarding pot holes on Mowbray Drive, evidently this is ongoing but has been inspected and opinion has it that it is now more erosion to the footpath, but will be attended to. The final item in this section was the announcement that the

Remembrance Service would be at 11.00am this year.

Item 6 was to consider planning applications and again the meeting fell into disarray. Two applications had been received but it appeared that only one councillor had accessed the SLDC site to acquaint himself with them. Hence nothing was done and we moved on past bank balances – all in order – and signing of cheques to the first draft budget. This was presented and will no doubt re-cur at each meeting until the deadline.

A donation to the Poppy appeal was passed as was a maximum of £50 for plants on the Triangular Garden. (Just as well as half has already been spent!)

Outstanding items were reviewed and the Royal Sapling has been found a home at the triangle by Storth Engineering. Councillor Wren remembers a tree being there in his youth. The Slape Lane grant needs to be re-applied for - one hopes it will be – and the new map case has still to be finalised.

One positive piece of news came from Peter Smith, who had attended an SLDC meeting on the Future of Health in South Lakeland. The Clinical Commissioning Group advised that there would be no change to the

present facilities available – taken as reassurance on the future of Westmorland General.

The Police report was read out and stated that there had been fixed penalty notices issued on the Church Bank stretch. No doubt some of you have seen the SID (Speed Indication Device) on that same stretch. This device notes the number of vehicles, speed, and logs the vehicles doing more than 30 miles per hour. It is to be in place for one week every month for three months after which the data will be analysed and reported. Also reported was the handing in of ammunition on September 4th! No further details. (There was no mention of the vehicle check, noted by the writer, opposite the Memorial Hall a couple of weeks ago.)

Councillor Rowley reported that the organisers of the successful 10k and Fun Run had presented the brilliant amount of £800 to the Rec. Trust for the M.U.G.A. (Multiple Use Games Area).

The Boon Town play area has been tidied up and the damaged equipment removed. Councillors Rowley and Wren are looking into grants for new equipment and noted it is almost impossible to get grant money for repairs and so are applying for funds to buy new items.

Councillor Isherwood advised that the re-printed Jubilee Walk leaflets are now available at both the shop and the Kings Arms, free of charge.

The meeting closed at 8.50pm.

## News from the Post Office

### VEHICLE TAX DISCS

From 1 October, it is no longer a requirement to display a Tax Disc. Although you no longer have to buy a Tax Disc unfortunately you DO need to pay the Car Tax.

You can continue to do this at the Post Office, just bring along your reminder as always and we will give you a receipt to prove that you have paid for another 6 or 12 months as you wish. If you buy a used car it is no longer possible to transfer the old tax disc but if you come along to the Post Office with the "New Keeper" part of the Registration Document we can issue the tax immediately.

### BANKING - DRAW CASH – PAY IN CASH – PAY IN CHEQUES

Many of you are aware that the latest agreement means that customers of NatWest and RBS joined the many others who can not only withdraw cash but also can deposit either cash or cheques via the Post Office.

This now means that for NEARLY all banks, you can access your personal current accounts, FREE OF CHARGE via the post office counter. Come and ask us if you are not sure if this applies to your account and save yourself a trip into town.

An Early Note from the  
Post Office about  
**Christmas Posting 2014**

With the glorious weather that we have been enjoying this September, Christmas feel like a long way into the future (though Akis is already counting down to our "Day Off".)

Planning ahead you should know that, as usual, the last posting dates for sending Surface Mail are unseasonably early; in fact for the furthest destinations they were at the end of September.

For parcels sent by Airmail there is no rush, you have until the beginning of December for the furthest destinations.

However, if you are planning on sending parcels via the slower option of Surface Mail the recommended last posting dates are:

Monday 29 September  
All non-European destinations  
except those mentioned below.

Tuesday 30 September –  
Middle East and Far East  
(except Hong Kong & Singapore)

Tuesday 14 October  
South Africa, Hong Kong, Singapore,  
the USA & Canada

Tuesday 4 November  
Eastern Europe, Greece, Cyprus,  
Turkey, Malta & Iceland

Tuesday 18 November  
Western Europe

Remember that parcels sent outside the E.U. need to have a customs form attached, these are available at the Post Office Counter. Also remember to put your name and address on the top left hand corner of the front of your package; this will enable Royal Mail to return your item should overseas customs authorities refuse it entry into their country.

**A reminder about size and weight for parcels sent abroad**

Before you go out and buy that model car for your grandchild in Australia, may I remind you of the maximum sizes for sending items abroad with Royal Mail.

The maximum total of (length + width + height) is 90 cm (approx 3ft) with the maximum single dimension of 60cm (approx 2 ft). Also, the maximum weight is 2 kg.

It is really easy to exceed these and then the parcel would cost a great deal more to send via Parcel Force. It is sometimes cheaper to split a heavy parcel and send two packets.

*Your Celebration Cakes  
can be done too*

A change this year – when you purchase your Christmas cards, anything which is larger than a standard UK letter will have to be sent as a Small Parcel (so avoid cards with deep embellishments or bigger than 24cm x 16.5cm – approx half-A4, whereas in the past it was often cheaper to send 2 or 3 cards together, it may not be the case now.)

### Dangerous Goods

To comply with national and international regulations governing the carriage of mail, and ensure that mail in transport does not present a danger to the general public, Royal Mail must restrict or prohibit certain items from their network.

So this year we will also have to ask you what are the contents of your parcels; not just because we are being nosy or looking for gift ideas ourselves, but because there are packaging restrictions on items containing, for example, batteries, nail varnish, perfume, aerosols etc.

Specifically C, D, AA, AAA type Alkaline batteries must be new and in their original retail packaging. Lithium batteries (the type commonly found in mobile phones and laptops), cannot be sent alone, they must be packaged with the equipment. Beware, for overseas

mail, some countries do not permit the import of lithium batteries at all.

As always, come & ask us at the Post Office Counter for further advice.

Gill

# Vicar's Letter...

## No border signs

Imagine, in some remote corner of the world, driving past a sign that reads:

*King Maritoba  
sovereign ruler of Cantabamba  
welcomes you to his kingdom*

But, as you pull up in the next town you realise that there are many Cantabambians who don't recognise King Maritoba's authority at all. They tell you they never take any notice of his laws, they deface his statue in the square and they won't pay his taxes. Their allegiance is to other rulers.

It's a reminder that a kingdom is not always defined by border signs and colours on maps, its extent is seen in the lives of people who are clearly under the king's authority, who obey the rulers and submit to their laws, either out of fear or love.

So it is that although there are no border signs welcoming you to the kingdom of Jesus and no lines that could be drawn on a map, yet Jesus was not joking when he said that he was forming a kingdom as real as any state or empire that the world has seen, and that would one day eclipse them all. This kingdom grows every time

another person or family bows the knee to Jesus and begins to have a higher allegiance to his sovereign, loving rule than to any other power.

Jesus told many stories to teach about his kingdom. Over four Thursday evenings I would like to invite you to come and hear some of these stories that tell us what kind of king Jesus is and why we need to reckon with the spread of his kingdom. You will be very welcome whatever your views; there will be plenty of time for questions and discussion and we won't assume you are familiar with Jesus' teaching.

'The King and I' - 7.30pm - 9.30pm in Holme on 9 and 23 October, 6 and 20 November.

There is no charge but please book a place by contacting me: 01524 781210 or vicarburtonholme@btinternet.com

Graham Burrows

Logs of note for the Burton area are as follows:

25 August - Criminal Damage was caused to a vehicle on Barton Row.

4 September – Ammunition was handed in to us from a property in Burton.

11 September – On County Show day we had reports that children were finding it difficult to cross the road due to the high volume of traffic, officers attended and dealt with.

15 September – A suspicious incident was reported to us early in the morning, the caller heard voices coming from outside her property on Tanpits Lane, officers attended and could not locate any person.

Over the summer holidays we have had reports of children knocking on the doors of the elderly on Morewood Drive and running away, please remind your children of the circumstances their actions could have our more vulnerable residents.

Some of you may of seen we have placed the Speed Indicator Device (SID) on Church Bank, this records ALL speeds over 25mph, this data is then downloaded and enables us to get a

better picture. OSU (Operational Support Unit) the new term for RPU (Roads Policing Unit) have been out and issued those drivers that have been caught speeding with a fixed penalty notice.

## Historical Footnote...

... by Roger Bingham

### COACHING DAYS

Burton enjoyed one its most prosperous and important phases at the height of the stage-coach era from c. 1750 -1830. The main Heronsyke - Eamont Bridge turnpike or toll road running through Westmorland, from the Lancashire boundary just south of Burton to the edge of Cumberland, contributed to the speeding up of communications, which saw the journey time between Kendal and London being reduced from nine days in 1734 to three in 1773. Fifty years later the Turnpike Trust had to ban races between 'Flying Stage Wagons' running through Burton to Liverpool. Other services linked with the 'over-sands' routes to Furness via Hest Bank or round the head of the Bay via Milnthorpe.

Reportedly, letters posted in Whitehaven, having been conveyed through Milnthorpe and Burton, could be delivered the next morning in Manchester and in Birmingham the evening following. The Milnthorpe road (later called the A6) quickly became busier and a legend arose that the King's Arms at Burton was duplicated by a newly built Inn of the same name at Hale in order to retain the coaching

trade. Even so, the Heronsyke road benefited from the services of the Milnthorpe road's famous engineer John MacAdam whose small stone surfaces reduced *'the maintenance costs from £37 pa to half that sum.'* Moreover, in the same period, increased income from coaches enabled free passage to be given at Burton Toll House to *'grain, cloth or other manufactured goods or raw materials of wool'* going to local mills.

Accidents did happen. In August 1828 The Invincible Coach, when about a mile north of Burton, was struck by lightning. Three horses were killed on the spot and a lady sitting in the front of the coach *'was so much hurt that her life was despaired of; a post chaise was sent for and she was conveyed back to Burton, where she ultimately recovered.'* By then road traffic had been challenged by the opening of the canal in 1819. But, the arrival of the railway in 1846 was a total coaching cataclysm. By 1850, only four coach services were left and the takings at Burton's Toll House, which had amounted to nearly £1,000 pa, were virtually eliminated. Tolls continued to be levied on some vehicles until Turn Pike Trusts were abolished in 1882. Burton's Toll House, ironically, became a railway labourer's cottage and its site is now occupied by the Toll Bar Houses.

Three inns catered for the coaches at Burton. In 1829 Robert Atkinson was landlord of the Green Dragon, Agnes Burns ran the Royal Oak, while Richard Atkinson had recently taken over The King's Arms from Mr Dixon. On 6 and 7 of May, J Goulden Auctioneer offered Mr Atkinson's goods for sale. They included: *"All the valuable Household Furniture consisting of Four Posted and Camp Bedsteads and Hangings, Feather Beds, Bolsters and Pillows, Bed and Table Linen, Mahogany Chairs, Looking Glasses, China, Glass etc. Tea Ware, Clock and Case, Carpets, Fenders, and Fire Irons: an Excellent full set of Brewing Utensils, Dairy Utensils, and all kinds of Kitchen Furniture. Six Post Horses and Harness, Carts, and Wheels, and Cart Gears: and various Husbandry Utensils."* Hopefully, Mr Dixon's goods and tackle brought good prices so that he would have reaped an ample reward from Burton's Coaching Days.

## Roger Reports...

from the District & County Councils

On the county council the summer weeks were dominated by the controversy caused by the decision to install 'on street parking' meters in tourist areas like Bowness, Windermere, Ambleside and, possibly, Kirkby Lonsdale. It is envisaged that the scheme would bring in much-needed revenue, at a time when the council has to make £22m in savings for the 2015-16 budget, with another £44m to find by 2018. There are strong opinions on both sides. It is argued that as infrastructure costs like highways expenditure are increased by the need to cater for tourists then it is only right that our visitors should make a greater contribution. On the other hand, parking charges might deter tourists, especially in areas where many guest houses lack sufficient private parking. In Kendal it is feared that parking meters will only cause more shoppers to divert to supermarkets where parking is free, and so aggravate the 'decline of the high street'. But, as always, what do you think?

To everyone's regret the council's Deputy Leader, Jo Stephenson of Windermere, died in a tragic accident at the height of the parking controversy. His place has now been taken by

Penrith Councillor Pat Bell.

Another flare-up has been caused by a decision to build a new county headquarters in Carlisle costing, at first estimates, £10m. Many councillors, especially from the south Cumbria, fear that the new building - which could accommodate officers now employed at County Hall, Kendal - would only increase the 'Carlisle-centric' impression of the county's administration. Also, if Cumbria was split up into unitary authorities the new building would be too large to serve the needs of a north Cumbria council. Meanwhile redundant offices in Kendal are being demolished, leaving only County Hall which might be too small to serve a south Cumbria authority, which would combine the district functions like waste collection with county functions like waste disposal and reclamation.

Meanwhile, the district council has got into trouble in Ulverston by plans to sell the Town Hall, which is used by the parish/town council, and transfer the remaining SLDC offices to the Coronation Hall which, despite excellent public entertainment attractions, is losing money. Further economies being considered include an amalgamation of the Police and Fire Authorities which, if in house costs like human resources and pensions were shared, might be cheaper. Opinion is

still divided about sharing the Cumbria Fire Service with Lancashire, based on the North West area HQ at Warrington.

Other possible economies in less-expensive services might include, my hobby-horse, libraries, by closing smaller libraries like those at Milnthorpe and Kirkby Lonsdale and replacing them with community-run libraries as has happened successfully at Dent. When I held the county's Cultural portfolio I introduced Library Links, which were situated in village shops or halls, where there was a small stock of books and 'on-line' links for orders. Unfortunately Library Links were totally dependent on the hosts, and so shopkeepers moved stock into the library spaces and hall libraries were closed for other functions. Sadly, despite many attempts I failed to get a link at Burton - but I insisted in keeping our Mobile Library!

Finally, I am told we have plenty of road salt for the coming winter which, judging by the bumper crop of autumn berries, might be hard. We'll see!

### A Soldier in Action

In the August issue of Burton News, we quoted from a letter written by Private Richard Atkinson to his mother early in the war. Below we quote from another letter, this time to his sister, telling of an action in which he was nearly involved. Richard was lucky: he survived the war and was discharged on 17 October 1917 "in consequence of no longer being fit for War Service Para 39 2 XVI KR."

*Address as Usual  
Fri 8th Oct 1915*

*Dear Sister*

*You will think me a long time in writing to you but I am still living thank God. I received all your letters alright but I havnt had time to answer any up till now as we are out now for a few days at a bonny little farm house somewhere in France. We have had a rough time of it lately in this great advance. On last Sunday morning we were brought out of our billets long before it was light and moved off to the trenches little expecting what was going to happen but we soon found out. We arrived at a trench in the front line after manouvring about a long while, bullets were*

*whistling all round us and the place was strewn with dead as their had been a charge the night before. Well we got into the trench after losing one or two of our lads and their the officer told us we were going to make an attack. When he said these words I wonder how I would go on but thank God in got to light and we had to get out of trench as quick as possible as we were overcrowded. We are about all done up. We have never been dry for a week and we hadn't much to eat how I have stuck I don't know. I don't think I can say much more so I will close hope you are keeping well.*

*I remain  
Your Affectionate Brother  
Dick*

*I think the lads from Holme and Hutton have arrived in France so they will be in for a rough time*

Accompanying the letter was a certificate headed "On Active Service." It included the following text: "Note – Correspondence in this envelope need not be censored regimentally. The Contents are liable to examination at the Base. The following certificate must be signed by the writer: I certify on my honour that the contents of this envelope refer to nothing but private and family matters. Signature Name only R Atkinson."

## News from Burton Memorial Hall

Firstly, a huge thank you to everyone who came along and supported our recent CraftMarket event in the Hall. As BN went to press we're still adding up how much we made, but it should be a tidy sum, which will help with the Hall's ever-increasing running costs.

Secondly, an even-huger (is that a real word?!) thank you to all the wonderful children at Morewood School, the Brownies, Guides, and those individuals who made such fabulous, and much admired and commented-on, mobiles for our display. The sheer number of them and the creativity shown by all of you just blew us away! We hope that you enjoyed making them as much as we enjoyed seeing them.

Our next event, on Thursday 2 October, is a Fashion Show by the lovely ladies from Kitty Brown Boutique at Carnforth. They are bringing along their new collection, plus the ever-popular sale rail and the jewellery, bags and accessories stall, and the night will feature a fun scarf-wearing demo. There will be the usual raffle and wine bar. Cost is just £3, doors open at 7pm, show starts at 7.30pm, so please do come along!

Later this month is our annual Harvest Fair - this will be on Saturday 18

October, from 10am - 12 noon. We have a great mix of stalls booked in but we still have some spaces if you want to take one. Cost is £5 if you are selling for yourself, or free if you donate your takings to the Hall's funds. Again we shall have a raffle, so if you would like to donate a prize to either event it would be most welcome. Call Anne (781306), Helen (782277) or Nicola (784977) to book a space or donate a prize. The Harvest Fair will also feature bacon butties, kids' crafts and the Sealife Tombola, so bring the whole family and have some fun.

## BRITISH SUMMER TIME ENDS!

Don't forget to put your clocks back an hour at 2am on Sunday 26 October...

## **BURTON & HOLME YOUTH CLUB**

### **Youth club reopens for new school term**

Youth club is open again for the new school year. We run every Friday night in term time from 7.30 - 9pm down at Clawthorpe Business Centre, where we have some great indoor and outdoor space.

All Year 7 -11 children are welcome, and we would love to see some new Year 7's as well as welcome back our older members from last year.

Members get to spend every Friday night with their mates in a safe fun environment. There is a small tuck shop and we try and have many activities as possible offered throughout the year. The next one is a swimming night at Capernwray. Annual membership is £20 or £2/session for visitors.

Please contact Marie Whittaker on 784733 for more information or to get a membership form. Alternatively just come along on Friday night and see what we are about.

## **"All in a good cause" Some Run, Some Walk...**

Purely by chance, the 10K and Fun Run had another visitor - one who did not want to detract from the day's happenings, but who deserves a mention in BN. He was Paul Northey, a former soldier with the Royal Engineers who served in Northern Ireland, and who is undertaking a solo walk from John O'Groats to Land's End in aid of the charity Help for Heroes.

Paul says "I will be walking with burgen, John O'Groat's to Lands End alone, self organised and self funded. I will be sleeping where I can in my own tent." Paul began his journey on the 17 August, and by the time he reached Burton he had walked 450 miles. He expected the trek to take him another 28 days, so by the time this issue of BN reaches you he should be somewhere way down south! Paul would welcome sponsorship via his fundraising page: <http://www.bmycharity.com/PaulNorthey> if you could spare a couple of quid for this worthy cause.

### **About Help for Heroes**

Help for Heroes offers comprehensive support to those who have suffered life-changing injuries and illnesses whilst serving our country. This is provided through grants to individuals, other Service charities, capital build projects and in four Recovery Centres across the UK: Catterick, Colchester, Tidworth and Plymouth. These will offer support for life. The money raised by the hugely generous public has been used to support our wounded, but there is still so much more to do. Soldiers, sailors and airmen who are injured today will still need our support tomorrow and in the days that follow, for the rest of their lives. They are still battling and we won't let them battle alone.

## Editorial...

### What a big issue again!

Once more we are at 32 pages, with so much news and info to bring to you. We hope you've been enjoying the articles about the Burton soldiers in the run up to the Commemorative Exhibition later this month. It's going to be well-worth seeing, so do pop along if you can. If you want to make a scarlet poppy or two and take them along as well they'd be most welcome. Paper, card, cloth, yarn or whatever - use your imagination and make a red poppy to decorate the hall during the exhibition.

### Something to look forward to...

A 'little bird' told us that our intrepid BADS players are gearing up for a pantomime in the (hopefully) not too distant future so keep an eye out in BN for announcements... and remember to 'look behind you'!

### Come and join us...

We're still looking for new folks to come and join us on the Editorial Committee of the News. It's not an onerous task, but it helps the editors enormously, or if you're not a committee person but fancy doing a spot of writing yourself we'd still love to hear from you!

### Tell us what you're doing...

Purely by chance we heard of a recent fundraising event in the village but it wasn't included in BN as we'd not been sent the details. If you want us to advertise your event (for free!), please let us know in good time and we'll gladly include a mention for you.

### Don't forget the clocks...

Yes, it's officially the end of Summer Time this month, so don't forget to put your clock's back on the 26<sup>th</sup>.

*Anne & Barry*
