Readers' LETTERS

Dear BN,

I am just writing to say a big thank you to all those who helped or visited the Open Garden in Hutton Close over the weekend of the 10/11 August. A huge thank you to Charis Twist for the use of her garden, but also a huge thank you to those who helped on the day, those who baked cakes and buns etc, and especially to all those who visited, despite the weather! A total of £170 was raised towards the Tower Repair Fund

Dear BN,

BURTON TAXI

As many people will know, I am finally retiring and we are moving out of the village. I would like to thank all my customers for their custom and support over the last 10 years (yes it really has been that long).

At the time of writing this no-one has suggested taking over the business so it would seem that you will no longer have a local taxi, which I know many will miss, however it is time to do other things.

With best wishes and thanks.

Changes to Community News Reports

Joyce Bye, who has been reporting the news of village events to the Gazette and The Lancaster Guardian for 25 years, is about to lay down her trusty pen, close down the fax machine and the village events email. As many of you know, for some considerable time Joyce has been unwell, but has valiantly carried on as our hardworking, dedicated village scribe, listing who did what and when, names of winners, fell walks accomplished, races won and sometimes lost, brave efforts made, funds raised, chased up late reports and those elusive loose ends whilst frequently attending village events in all weathers.

However, purely for reasons of health she has decided now is the time to retire. It is fitting in this issue, to record the sincere thanks of the BN Editorial Committee, and indeed of everyone in the village, to Joyce and to her husband Les for such long, painstaking service to this community, always given with a cheerful word and a smile. We all hope that her health will improve and wish both Joyce and Les a long and happy future.

Meanwhile, Kathryn Smith may be contacted with news reports on 01524 782198. More details will appear in the October issue of BN. It would be most

helpful if, during this interim, the usual deadlines are met in good time. Many thanks.

J. Barkley

THANKS!

I would like to thank those who sent cards and good wishes following my recent operation and subsequent convalescence.

Joyce Storer

It was with great sadness that we heard of the death of Joyce Storer, our ex-neighbour, on 16 August. She was, quite simply, an amazing woman, who we are privileged to have known.

Despite suffering from Parkinson's Disease, she had worked full time, brought up a family of three, been a keen walker and cyclist, and even after John, her husband, suffered a stroke soon after retiring, she cared for him until she was forced, very reluctantly, to have him admitted to a care home. She fought hard to stay in her own home for as long as possible, and never was able to accept the need for the restriction to her personal freedom which the homes were obliged to impose for her own safety.

Joyce had an overwhelmingly positive attitude. She had a great sense of fun; she never criticised others, never stopped doing the things she loved doing. Last year her sister bought her a new pair of walking boots; a few years earlier she had a new bike.

We moved into the house next to Joyce 30 years ago, and have many lasting memories. On several occasions when we were working outside the house, Joyce would come up the drive carrying a tray full of teas, lurching wildly from side to side, due to the Parkinson's, and

not a drop would be spilt! We are certain that all the people who knew Joyce will also have many fond memories.

Reporting from the Parish Council meeting

As might be expected in August several councillors were unavailable for the parish council meeting. The agenda is also usually a bit thin in August. However, this year, planning applications are coming in thick and fast. Let's hope that this does indeed reflect a return to better economic times. It was the planning application to build two new dwellings at the top of Thornleigh Drive which brought seven members of the public to the meeting. So there was a lengthy Public Forum, during which some of the neighbours told of their concerns about the effect the construction would have on the road surface and drainage, and the increase in traffic using Thornleigh Drive. The architect, also a resident, described how the properties had been designed to have the least possible impact on the neighbours. It was a long and interesting discussion which I think councillors found helpful in their later consideration of the application.

Planning was a bit of a theme for the evening. SLDC have offered to hold planning workshops for parish councils and the public at selected village halls. The parish council will volunteer to host an event in Burton-in-Kendal. It is certainly a subject which should be of

interest to everyone in the village since the new Local Plan aims for over a hundred new homes in the village. Parish councils, of course, do not make planning decisions. Decisions are made by the SLDC Planning Committee who delegate uncontroversial matters to the planning officers. The parish council gives its views for consideration by the Planning Committee which takes into account the views of all those who have commented on an application. If residents wish to comment on a planning application they are strongly advised to send their comments directly to SLDC and copy them to the parish council.

In discussing the planning applications, the council did not object to two extensions, but did object to the Thornleigh Drive development on the grounds that the planned properties would lie outside the development boundary of the village. The council were also concerned that insufficient consultation had taken place with the residents of Thornleigh Drive who are responsible for the upkeep of the road.

Also on the planning theme, new modifications to the Local Plan Land Allocations have been issued. The plans for the village have been changed to propose widening of Church Bank Gardens to improve access to the proposed estate on the adjacent field. The proposed modification appears to

make no sense; the problem is believed to be the gradient rather than the width and the council will express a formal objection to the modification as part of its continuing objection to this development.

Away from planning, the council had received letters from the chairman of the school governors and from some residents on the subject of traffic and parking during school-run times. This matter will be discussed fully at the September or October meeting. Any residents with suggestions on how to improve the situation are invited to send them to one of the councillors or the clerk.

For those of you who feel worried by unannounced callers at your home, the county council are promoting a new scheme in which you would direct callers to contact a nominated neighbour if they wish to see you or access your property. If you would find this reassuring please contact the clerk for more details. The Age UK village agent will also have details of the scheme.

Finally, I think I must have been out when you called to apply for the job of parish clerk – so please call again! The council agreed to extend the cut off date for applications for the job and, if necessary, to consider advertising the post in the Westmorland Gazette and

on the Cumbria Association of Local Councils website. The problem with doing this is that applications will come in from all over South Lakeland and the council are keen to get someone from the village if possible. I can thoroughly recommend the job as a great opportunity to help get things done in the village. You work from home and the council will provide training and all the IT equipment you would need. The position is for 30 hours per month and the council pays the nationally agreed rate for parish clerks. Don't hesitate to contact me or the chairman if you would like more details: parish.clerk@burton-in-kendal-pc.gov.uk or 01524 782198.

BURTON MEMORIAL HALL NEWS

By the time you read this, the main Hall will have had its kitchen re-fitted. This latest phase of the Hall's upgrade programme sees new cupboards and cooking facilities installed, along with fresh flooring and improved lighting. We hope that both existing users and new hirers will enjoy and benefit from the changes made. If there are other improvements you would like to see please do let us know and we will see whether they are achievable.

During August our team of trusty volunteers have been hard at work re-painting the south end entrance and toilets, the doctor's surgery, and freshening up the bits of the main Hall which have dirtied from use. It's amazing how many grubby marks shoes and hands seem to make on walls! The floors and carpets have had their usual summer clean by Gary Crayston - we did worry that he might struggle to clean the spillage marks from the Hall carpet, but as ever he has worked magic and they have come up very well. The carpet strips are stain-guard treated but that does mean the spill needs to be cleaned up immediately, and that hasn't happened on occasions.

We have also lost a couple more kettles over the summer - we do not know where they have gone, but they have

disappeared from the Hall. If anyone knows, please do tell us. We have replaced them with a pair of shocking pink ones which we hope will not vanish!

The car park outside of the Club Room has been reshaped to prevent the water pooling outside the window, and we are hopeful this will prevent the damp that the Club Room walls have been suffering.

If anyone would like to come and help us with the painting etc. please contact Nicola Little on 784977.

BURTON PRE-SCHOOL COMMITTEE

From September most of our current committee are standing down, all having been valued members for 3 years or longer.

It is vital that the Pre-school has a committee to keep running. We meet once a month and you can get involved in as little or as much as you like. New ideas for fundraisers are always welcome.

Our fees are kept at a low level through fundraising. Throughout the year our fundraising committee organises a variety of events, and we rely on the

Church News...

The Vicar is coming...

Work is now well under way on organising the service where our new vicar will be officially licensed by the bishop, and then installed by the archdeacon. The service will be held at St James's on Tuesday 24 September at 7.30pm, and will mark the start of Graham's new ministry here at Burton and Holme. It is with great anticipation that we look forward to his arrival - something we have been working towards for almost a year now.

As we draw near to the end of our planning we must remember that God has planned every detail from creation to the return of Jesus. Before Jesus was born in Bethlehem over 2,000 years ago many prophets in the Old Testament foretold his arrival. Likewise, all of the Gospels speak of "a man sent from God whose name was John. He came as a witness to testify." (John 1:6-7)

John the Baptist was sent by God to prepare the Way for Jesus, this too was foretold by the prophet Isaiah. But what was he coming to testify about? John the Baptist's ministry is a two-sided coin: a plea for repentance in preparation for the Lord's coming on one side, and looking to Christ on the other. Like a good pathfinder, John points to Christ.

John precedes Jesus and he was sent to prepare the way for the Lord. Graham's ministry will be like that of John the Baptist to point us towards Jesus and prepare us for the return of our Saviour, Jesus Christ. Are you ready for His return?

Changing Times - Burton in the 17th Century

The 17th century was both perilous and prosperous for Burton. During the Civil Wars of the 1640s both the forces of Royalists (Cavaliers) and Parliamentarians (Roundheads) criss-crossed the parish. In 1644 Cavaliers, fleeing from being routed at the Battle of Marston Moor, clashed at Dalton with the pursuing Roundheads. Traditionally, they incurred 19 casualties later marked by the 19 trees. In 1651 Charles II, who had been crowned King of Scots following his father's execution in 1649, invaded the district in an attempt to regain his English throne, which was thwarted by his defeat at the Battle of Worcester.

Locally, most upsets occurred in church affairs. Henry Johnson, vicar since 1622, an Anglican and a Royalist, was reported by his new Puritan and Roundhead masters as "having formelie Complied with ye enemie but have since taken the (Presbyterian) covenant." This did not save his living, for in 1653 he was replaced, in sequence, by parliament men Richard Croft, John Thexton and Gerard Browne.

Burton's first Parish Registers date from this period and accordingly the baptism of Elizabeth "ye daughter and Gerard ye sonne of Mr Brown minister of Burton" were recorded, as was the death of his wife Elizabeth Brown in 1662. Along with Anglicans, Roman Catholics were being persecuted and, in 1646, "£50 were sequestered from Sir John Preston papist for the increase of the maintenance of the minister of the parish of Burton." More positively, Burton Grammar School was founded in c.1657 when John Hutton, after bequeathing 40 shillings per annum to the poor, left the residue of his estate to provide a salary for the school master of £5 10s pa.

In 1661, a year after his restoration, Charles II granted the Lord of the Manor, Sir George Middleton of Leighton Hall, the right to hold a market every Tuesday and two fairs at St George's day and on St Bartholomew's day. Another fair was later instituted on Whitsun Monday which was "soon said to be the largest corn market in the County."

An architectural reminder of better times are the 17th century overhanging houses, Chester Terrace and part of the Square House, the Old Grammar School on Church Bank and Dalton Old Hall which are, after the church, Burton's oldest surviving buildings.

Homeshare

Homeshare piloted in Carlisle and Eden in 2010 and was so successful it has been funded by Cumbria County Council for the next two years.

Homeshare is about two people sharing a home. If you have a spare room and want some company, someone to share your day with, help around the home, to make your money go further, or to use your spare room so you don't have to move away from your community; Homeshare could be the answer.

Homeshare involves matching a homeowner or tenant with someone who has a housing need and can provide a little support or companionship. Householders are often older people who have developed some support needs or have become isolated or anxious about living alone. Homesharers are often younger people, students, or key public service workers

who cannot afford housing where they work.

The homesharer agrees to provide a level of help and support to the householder whilst living in their home for an established period of time. Homeshare is not a regulated service and cannot include the provision of personal care. Homesharers will pay no rent, but usually decide to contribute to household bills, and it may be agreed that other costs such as food will be shared.

Age UK facilitates matches through extensive one to one interviews, life style questions, background checks (CRB/DBS) and meetings between potential participants.

If you would like further information, an application form or just a chat about Homeshare please contact Jo Radcliffe on 01768 863618 email jo.radcliffe@carlisleandeden.org.uk or alternatively we are on Facebook and Twitter@HomeshareCA.

Roger Reports...

from the District & County Councils

Councils take stock of their affairs in summertime when there are fewer meetings. Demography - meaning who lives where - is the basis on which local government works. Thus a recent survey shows that Burton's electorate is 1205 and is projected to rise to 1270 by 2017. The figures for neighbouring parishes are: Arnside 2072 to 2160; Holme 1212 to 1268; Hutton Roof 183 to 186; Kendal 22653 to 24301; Kirkby Lonsdale 1520 to 1745; and Milnthorpe 1715 to 1772. A proposal to divide Kendal into separate parishes was rejected. The figures for some parishes including Burton will change when the Local Development Framework (consideration of which has now taken longer than the Second World War) is implemented.

The Electoral Roll arrangements have been changed to a system called Individual Electoral Registration. Under the old procedure householders had to fill in a form, generally in October, of all residents eligible to vote. From 2014 the Department of Work and Pensions will inform SLDC's Electoral Services Manager of all residents who, if there are no changes, will be registered automatically. SLDC will then contact residents who are not registered, while the DWP will deduct names of voters

who have died or moved away. The system is designed to reduce electoral fraud, whereby some householders entered names of non - or even fictitious - residents. In future the possession of a National Insurance number will be the main confirmation of identity.

SLDC has also registered its assets valued at £46.9m, which include 47 car parks, 137 parks and open spaces, 9 cemeteries, 6 depots and 3 sports centres. This portfolio is much reduced from when we had 6,000 council houses, half of which were sold under the Right to Buy, while the rest were transferred (with the tenants' almost unanimous consent) to the private Lakes Housing Company. Though this happened many years ago some residents of council-built properties in a neighbouring parish still seem to think that the council should do something about repairs to an access roads which is now the joint responsibility of individual owners or South Lakes Housing.

We also remain involved with SLDC's longest issue, the former Grange Baths (known officially as The Lido) which was on the agenda at my first council meeting 30 years ago! The latest idea is to transform the listed structure into an open recreation area. Meanwhile the Berners Close pool which took a non-

council trust over ten years to build, but which closed after only five years, has been demolished to make way for residential development.

Thanks to a campaign in which I took part, second homes now pay the full council tax, which brings in an extra £750,000 of which £250,000 can go towards building affordable homes. A recent decision that Barnet council's parking charges were illegal, because the income exceeded the cost of the service, might affect SLDC's share of the Council Tax whose parking income of £2m goes toward the council's £13m expenditure. So if parking charges are forced to go down the Council Tax will go up. Yet, SLDC says it will not increase its tiny share of the Council Tax which is 11% of what householders pay. The new administration of the county council has not promised not to increase its share, which is 74%. The police rate is 13% and the parish precept about 2%. So it seems we will be paying more next year.

Best wishes,
Roger

Burton W.I. NEWS

Burton WI do not hold a monthly meeting in August but instead have social outings. One was a visit to Halecat Nursery followed by afternoon tea at Yew Tree Barn, High Newton and the other a very enjoyable evening meal at No 17 Milnthorpe.

Our next meeting (which is a open one – anyone interested please join us) will be on the 12th September when George Crossman will be telling us about his life as a Morecambe Bay Coastguard.

**Burton in Kendal
Onion Show
Kings Arms, Burton
Sunday 6 October**

This year's will be the 37th Onion Show to be held in order to raise funds for local causes and Burton Children's Sports Committee (BCSC). The BCSC uses the donation to benefit all the children of the village by helping to pay for the village sports day, the Christmas parties for 0 – 11yrs, the big kids' day out for the older ones, and subsidising the amazing fireworks display on bonfire night to be enjoyed by "kids" of all ages!

This year the proceeds of the Onion Show will be split, in the main, between BCSC and Cancer Care, with other local causes receiving a donation. The day can only be a success with people making the effort to enter classes, donating promises or coming on the day to partake in the auction.

If you would like to donate anything for the auction of promises please contact any of the following people: Neil - 781770, Callum - 07980 302166 or Carl - 07866 456677.

Would those currently holding trophies please return them to any of the aforementioned or leave at the Kings.

Next year, the Committee are looking at changing the less well-supported classes (cauliflowers for example) and were seeking ideas as to what we should replace them with. If you have any suggestions can you enter them on the sheet in The Kings Arms or call any of the above numbers.

We look forward to seeing you all on Sunday 6 October to help keep this event going, keeping our village the best it can be, and supporting each other for the sake of future generations.

Many thanks in anticipation of your support,
Neil, Callum & Carl

Rossi on the Radio

It's funny how things happen, all I was doing was taking a pupil to visit a radio station for a possible work experience placement and as they say in radio land "the rest is history", well not quite history but you know what I mean. The day I visited Salt Pie Lane in Kirkby Lonsdale opened up a whole new world for me. I had arranged a visit to Indigo FM the local community radio station for Kirkby and the surrounding area, for one of our pupils who had an interest in behind the scenes radio work, and during the resultant tour of the studio, (which measured all of about 8ft by 10ft) was asked by the station head Paul Broadbent what my interests were. When I told him of my interest in music and that I played in a band he put the fateful question to me: would I be interested in doing a weekly radio show for the station? Well that was like Alex Ferguson asking if I could turn out for my beloved Manchester United. It took me all of about one second's thought before I agreed (well who wouldn't?)

Now I know what your thinking here, what about the poor pupil? Well, to put your minds at rest, I secured him a coveted work placement at, wait for it... no, not Indigo, but Bay Radio, and I can report that he went on to college to study radio production, last heard of doing very well.

But back to MY radio career, accepting the invitation was just the beginning, it was only when I really looked at all the computers and the complicated set up that I began to have second thoughts, (only for a second). It all looked so incomprehensible, but Paul Broadbent was a good teacher, and after a couple of weeks I was proficient enough to be let loose on my own, and so was born the Indigo Blues Hour. My quest was to bring the likes of BB King, T-Bone Walker, John Lee Hooker and Muddy Waters to the great Kirkby public, and because we were also available on the net, to the whole world (indeed on one occasion Paul Broadbent rang me to say that I had a regular listener in South Africa, unfortunately I had to tell him it was my daughter, who was living there at the time and not some fan who was stalking me.)

But all good things come to an end, reluctantly I had to call a halt to my fledgling career after doing the show for over twelve months, because the band I was in was starting to get more and more gigs. However I haven't closed the door entirely and one day I would like to return to Indigo and carry on where I left off; who knows I could turn out to be the next Terry Wogan, I'm certainly of that vintage. You can listen to Indigo on 106.6 FM or online at www.indigofm.co.uk.

Cumbria Police News

There have been no reported crimes in Burton for the past month.

Our Operation for rural areas is Operation Stroke. Operation Stroke is part of the police strategy that Inspector Richard Quinn was appointed to lead on behalf of Cumbria Constabulary. The aim of Operation Stroke is twofold: firstly to focus police activity in key rural areas and secondly to encourage rural communities to join the fight against crime.

Sergeant John Stephens of the Neighbourhood Policing Team at Kendal said, "Rural crime, particularly in the Kirkby Lonsdale and Sedbergh areas, is on the increase. Although the actual figures remain relatively low, the impact and fear of crime are often magnified by the feeling of isolation and helplessness. Operation Stroke will ensure police activity is intelligence-led, targeting the road network and criminals and their vehicles known to be active in rural crime."

Kendal Police are currently training police volunteers to administer Cumbria Community Messaging and Farm Watch. This system ensures vital messages about crime and crime prevention are received by members. "

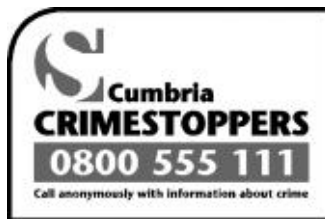

urge all Farmers to join Farm Watch. Other areas of the Force have seen a significant reduction in rural crime for members. Farm Watch brings communities together in the fight against rural crime." Anybody interested in joining Farm Watch is asked to contact Cumbria Police on 101 and ask for Kendal Police or visit www.cumbriacommunitymessaging.co.uk.

Scrap metal merchants have been seen in your area. They do have to carry a waste carrier licence which we check to see if all is in order. Please take their registration number so we can follow up any enquiries.

Again if anyone has any suspicions or would like to report any activity they feel is "just not right" they can on the 101 number, you can report anonymously if you wish.

Hutton Roof Crag Nature Reserve

A rare butterfly has been seen in woodland that has recently undergone improvements to make it more welcoming for butterflies. The high brown fritillary butterfly was spotted on a newly created "ride" at Hutton Roof Crag Nature Reserve for the first time, between the Burton Fell and Lancelot Clarke Storth areas.

Local volunteers worked alongside a volunteering group from Bradford to widen an existing footpath, which created the perfect habitat for many of our native butterfly species. Hutton Roof Crag is carefully managed for butterflies and other wildlife by volunteers, and they are pleased to see their hard work resulting in a success like this. The nature reserve is home to many rare butterflies including fritillaries, green hairstreak, brimstone and common blue.

If you would like to help at Hutton Roof Crag, come along to a conservation work party on 25 September, 20 October, 27 November or 11 December.

Contact the reserves officer Andrew Walter, on 01539 816300 or email andreww@cumbriawildlifetrust.org.uk.

The Swifts of Burton

The swifts have departed for another year, the last ones leaving a little later than the usual date of 5 August. Lucky for them to be flying off to South Africa for the winter!

The number leaving is impossible to say. The highest count was at least 38 on 18 July. This probably included some fledglings. The total number could be higher as they move so quickly and are not all above the village at any one time.

A more-accurate estimate can be made from counting nesting sites. Swifts have been seen entering 18 sites in the village this summer. If all of these were nesting sites, that is a total of 36 adults. There are probably more nesting sites out of public view. The adults deliver food to the young at long intervals and swoop in with such speed that they are easily missed.

This year they arrived later, first seen over Burton on 16 May instead of 5 May, but have enjoyed better weather for collecting midges and other small insects to feed their young. After finding their mates and suitable nest sites they gather feathers whilst in flight to make very basic nests on walls beneath the

eaves or in cracks part way up gable walls. This is the only time in their lives that they land, as they sleep, eat and mate on the wing. This year's young will remain airborne for two or three years until they too return to nest, if there is room in the village.

Only five Burton properties are known to hold swifts. These are Manor House, The Royal Hotel, two in Cocking Yard and a cottage in the Post Office block. Their presence depends on the goodwill of the owners, without which there would be no swifts in Burton.

It is possible to create new sites. Leaving access beneath the eaves is the easiest way. As swifts are very loyal to their nesting places, they may not use new sites in the first year or two.

These observations are part of the "Swifts in The Community" project covering South Cumbria and North Lancashire, initiated this year by Peter Moreton and supported by the RSPB. Peter has produced a leaflet which can be obtained from local contacts Jane Phillips, Bryan Yorke or myself. For more details about the nest sites in Burton you can visit Bryan's arnsidesilverdale.blogspot.co.uk.

Friday 13 September

Gordon Giltrap

Admission - £10 under 16s - £5

Over the past forty years Gordon has graced the music business with his dedication to his craft and his affection for his audience, as one of our most respected guitarists. Evading categorisation his music is impossible to put into any kind of a niche, influenced as it is by the rock guitar of Hank Marvin and Pete Townshend, the folk guitar of Bert Jansch and John Renbourn and the classical guitar of Julian Bream and John Williams.

Friday 20 September

LAD - A Yorkshire Story (2013) [12A]

1 hour 36 mins. Admission: £5

Writer & Director: Dan Hartley

Cast: Nancy Clarkson, Oliver Exley & Alex Froom

When Tom Proctor's father dies his world falls apart and he gets into trouble with the police. However, his life is turned around when he is paired up with a park ranger (based on a real person) and they spend time together roaming the delightful Yorkshire Dales countryside. This enchanting coming-of-age film is shot in and around Settle, where Dan Hartley grew up, and it is

presumably partly autobiographical. The film has been shown at a number of film festivals in the USA where it has received numerous awards including best feature film.

Friday 27 September

Mr Maugham at Home

Admission - £10 under 16s - £5

Playwright Anthony Curtis brings the panorama of Somerset Maugham's life to the stage with an extraordinary performance by Anthony Smee. The stricken child, the student in Heidelberg, the doctor in Lambeth's slums, the struggling writer in Paris, the stretcher-bearer on Flanders' fields and, incredibly, the international spy. Finally, after glittering success, the tragedy of a life ending in misery, paranoia and social opprobrium.

The Box Office reopens on Tuesday 3 September. Heron Members may book before then, by post, email or on-line.
