Readers' LETTERS

Dear Editor,

Re: Village People, Oct 2013

Charis Twist's article in the October issue was most interesting; for those of us who do not have children at Morewood School, it is always good to read about how the school works and to have the views of the Headteacher on the School's policies. It is after all our village school. I did however want to raise a couple of points about the article.

The Head tells us that "the power to change teachers' pay and conditions ... is not going to be used here." That may well be the position of the current School Board and Head. However, headteachers move on or retire and board membership changes over time. There is therefore no guarantee that a very different view may not hold in the future.

More worryingly, the Head tells us that the "fun, exercise and activities" found in the school are "not normally found in a state school agenda." This is wholly untrue and is a slur on state schools. I have been involved in primary schools for over fifty years as a parent, governor and lecturer at a college of

education. I can assure your readers that "fun, exercise and activities" are fundamental to all junior schools; indeed the trend in that direction has increased in recent decades. Let us please have no more attacks on state education; they do no credit to anyone.

Mrs ELLIS

Thank you to all those who have sent cards with love, good wishes, prayers, flowers and gifts during my recent illness. I am so glad to be home again in this lovely village, convalescing with family and friends. Peter and Edward say thank you too, for all your kind enquiries.
Judith Ellis

Mr & Mrs CUSIMANO

Just a little note of thanks to acknowledge the great work and help of the village First Responders first aid volunteers. We moved to Burton less than 6 months ago and don't really know anyone yet, but we had an emergency situation recently when I needed an ambulance for my husband and the first help to arrive were the First Responders. We knew one of them - Tony had made our wedding rings just weeks before! We do not know his other two colleagues, but just want to say a huge thank you and let everyone know what a great job they do.

137th Burton Onion Show REPORT

Local and visiting exhibitors of all ages met at the Kings Arms, Burton early Sunday morning in the hope of winning one or more of the many classes on the day. The show is in its 37th year and continues to maintain popularity for many reasons but none more important than the fact that every penny raised is donated to charity and other local causes.

Rumours of monster onions and vegetables did not disappoint! Local expert onion grower, Carl Jackson won the heaviest onion class with a giant of 11lb! He also went on to clean up in the dressed onions and onion set classes.

Other notable specimens were in the heaviest vegetable class which saw several vegetables weighing in at over 40lb, with the class being won by Callum Graham with a 74lb marrow.

The event encourages entrants from all age groups, and the children's classes saw some beautifully creative entries from the younger competitors. The best children's exhibit was won by Laura

Wilson with her miniature garden. Local youngster Lauren Nelson continues to impress, collecting many prize envelopes and a trophy as a result of her efforts!

The baking classes saw some simply stunning cakes, biscuits and breads on display. The novelty cakes are real works of art, the end product of days of preparation. Local husband and wife team Steve and Rachel Mealor collected four firsts in the baking classes for their apple pie, cupcakes, novelty and chocolate cakes.

This year's judges were Mike and Barbara Earl who deliberated for over an hour before making their decisions.

After the judging, the results were announced with Carl Jackson collecting the Williamson Trophy for the most points in the show with his tally of 36. He also collected the best exhibit rosette for his collection of 3 dressed onions.

With the competitors having collected their winnings and trophies, show auctioneer Neil Shaw got to work rallying a packed Kings Arms with his enthusiastic and energetic approach to the job. The first lot on offer was the

The cauliflower class saw one entry and the committee will decide on what to replace it with next year. Favourites to date are 3 dressed parsnips, 3 squash, and a veg display on a 3ft x 2ft board. After much deliberation the Committee have decided that the best shop-bought novelty cake will not be appearing as a class!

The Onion Show Committee would like to thank all who offered up the 40-plus promises, local farmers who allowed us to advertise the show on their land, all volunteers who mucked in on the day, Thwaites Brewery and staff for their generous contributions and continuous supply of refreshments and importantly, all those bidders, new and regular, who dug deep to make this year's show another memorable and enjoyable day for all!

winning 3 dressed onions that raised £50.00! The competitive bidding continued for the next two hours, with the end result being an incredible £4800.00+ being raised for chosen charities and groups.

A new slant this year was guessing the weight of the pumpkin that was netted in the Kings and on display for a week prior to the show. Martin Looker collected £20.00 for his nearest weight guess of 24kilos 640grams. A much relieved Ann and Neil were happy when it was removed from the sagging ceiling.

Thank you!
Neil, Callum and Carl.

PC Observations...

Reporting from the Parish Council meeting

Call me old-fashioned, but when I go to a meeting I like to see progress on the action points from the previous meeting clearly on the agenda. I scanned November's agenda, but there was no sign of the October actions to investigate school parking, to check on Electricity NorthWest's confusion about lighting in Tanpits Lane and to push on with Slape Lane improvement. However these items did emerge eventually in the "Outstanding Actions Report." Read on – all will be revealed.

First of all, County Councillor Roger Bingham appeared for 10 minutes – he was apparently trying to cover two or three parish council meetings on the same night. He rattled off a number of budgetary pressures. Essential services such as caring for "looked-after children" and "winter road gritting" will continue but the library van will not call from 2014 onwards. He came, he spread rather depressing news and then he was gone.

The Chairman sped through the agenda, approving accounts, agreeing to pay for a Remembrance Day wreath, accepting or not planning applications and signing cheques. Then the new Parish Clerk was introduced. She is

Jane Johnson from Boon Town. Her background as a Development Officer for the Council of Voluntary Service (CVS) should be useful. Departing Clerk Peter Smith offered to work with Jane to ensure a smooth changeover.

Other items of note were an offer of money from SLDC to carry out a feasibility study for a footway to Clawthorpe not necessarily along the A6070, and to accept the offer of SLDC-led planning workshops (although no one was entirely sure why.) At this point the Chairman was looking very pleased because in 30 minutes, with little discussion, the agenda was 75% done. However, a 5-minute debate about whether to fork out nearly £500 for a "historic County of Westmorland" sign ensued. Crazy idea I thought and so did some councillors as they stalled on it asking for another quote. Then the school parking issue raised its head again. Whose responsibility was it? The Chairman went red faced as he said it was the school's responsibility. They were a business now and a pub or a butcher causing such traffic disruption would be reprimanded. The ideas to alleviate the problem – cones, white lines, parking at the pub etc. – have not been accepted. The police have asked the school to send out letters to parents and stickers might be put on windscreens. But the problem remains. It looks like one of those things that will linger on the list of

Village Places...

Burton Morewood School

There has been much interest and speculation as to what has been going on under the huge false roof that has covered the school for many months now and all will be revealed very shortly. Much to everyone's relief the building work is due to be completed by the end of half term, then the scaffolding, temporary site buildings and many trade vehicles will all go away. The little ones will have their play area back, the teachers their car park, and parents, residents and other road users will find it easier to safely negotiate the area surrounding the school.

This enormous amount of work has been possible as a result of the efforts of Sue Woodburn in gaining two grants totalling over half a million pounds for works to bring the academy up to date, and she is pleased that most of the contractors for both phases have come from in and around the village.

The first bid was for the extension to the junior school and replaced the flat roof, extended the Year 3 classroom and provided an upstairs area for the staff. This has been split into a staff room, a room where teachers can prepare their lessons and do paperwork - a recent innovation for junior school

staff previously only available at secondary level - and a lecture room for use in the training of the new teachers mentioned in the October issue.

The second bid was for the infants school new roof, Reception classroom, music room, quiet room and Year 1 classroom. The number of classes having reached the maximum, Sue feels that is also true of the building and no further major extension work will be undertaken.

The present work led to the loss of a small part of the rear patio but none of the playing field or pond that Sue is so proud of, keen as she is that the children are out in the fresh air as much as possible. Her husband and two sons all hold degrees in sport and declares that she would not dare to lose this precious outside space even if she was inclined to, which she is not. The lovely new Reception classroom has a double door leading to a secure garden which will stand open as much as possible to encourage the children to move in and out as they wish.

For those of you who would like to see for yourselves just what has been achieved please see the notice announcing the Grand Opening at 7.00pm on Thursday 7 November.

This is it then, the last newsletter before you see us in a whole different light! I think there may still be some tickets left at the shop for both Fridays, Saturday being sold out, so grab them quickly as due to the unprecedented demand for tickets we have had to print more and so all 3 nights will be row seating in order to accommodate everyone.

As I write the BADS CALENDAR GIRLS CALENDAR 2014 is at the printers; Badger Press in Windermere has kindly offered to do the printing at cost price so that we can donate more money to the three charities we are supporting: Cancer Care, Macmillan Nurses and St John's Hospice. I hope you will all want to buy one as a cheeky stocking filler to remember this production every day next year, we won't forget it in a hurry, that's for sure!

The wonderful ladies of Burton WI have offered to do the refreshments on Saturday 16 November, but we are short of helpers for the two Fridays so if you are coming to see the play on Friday 15 I would be grateful for offers of help for the second Friday 22, which just leaves the 15 when we are short of a few helpers to make the drinks, serve them and wash up afterwards, we will also be serving wine by the glass to

compensate for not being able to have cafe style seating.

BADS is always short of backstage helpers, it's not a big commitment we just need people handy with a screwdriver or drill whom we can call upon every now and then to help our Stage Manager erect or dismantle a set, paint or help with props or scene changing. The more helpers we have the more adventurous we can be with the choice of play we put on, so any offers of help will be gratefully received.

Finally I would like to thank everyone who has made this production possible, from the very brave actors and stage crew (it's hard to work backstage with your eyes closed!) to all the sponsors and local businesses who have generously donated, and I hope you will enjoy our production of Calendar Girls.

Tales of the Unexpected

Yes I know you don't normally read this page, but I'm glad that you have this month because this is for you. I'm gathering together some small groups of people who frankly find the Christian faith less than convincing but who would be willing to hear again some of the startling stories that Jesus told and to discuss what he meant by them. Each of the four evenings will begin with puddings and coffee (always a good place to start), lead on to short DVD presentations of one of Jesus' stories-with-surprising-endings, and give plenty of time to discuss the stories and other questions that you might have. These groups will be informal and no-one will be asked to read or pray or sing or do anything they don't want to do.

Choose between the two Tales of the Unexpected groups; I will lead both.

Four evenings 7.30pm – 9.30pm
Burton at my home (The Vicarage, Glebe Close) on Wednesday 6, 13, 20 & 27 November

Holme at the home of Geoff and Sue Wragg (14 Hillside) on Thursday 7, 14, 21 & 28 November

There is no charge but please book a place by contacting me - see below.

Why are we doing this? The church does not exist just for those who think of themselves as religious. We are not a closed club. If the things that Jesus claimed about himself are true then we want to explain them and share them. We will not assume that you are familiar with the Bible; you are welcome to ask any question, however obvious. Nor

are we afraid of hearing the views of those who want to question what the Bible says or who are uncertain about the things that the Christian church stands for. We expect these groups to be full of lively debate and you are very welcome to join us!

Historical Footnote

by Roger Bingham

The Great War in the colonies - A Burton man in Rhodesia

For the next four years the commemoration of the 1914-18 War is bound to focus on the Western Front, where most of the British Empire's gargantuan efforts were concentrated. Evidence that the Great War really was a World War is shown by a letter from a Burton lad, F Bainbridge, who prior to hostilities may have got no further away than Morecambe. By 1917 he found himself fighting the Germans on the frontier between British Rhodesia (Zimbabwe) and German East Africa (Tanganyika).

He wrote: *We've been giving the Germans a hot time miles away from civilization. We spent a lovely Christmas night, wet through for ten days but we got a tin of bully beef and 1lb of flour for Christmas day. When I get back to garrison I'm going to settle down to some nice meat and sweet potatoes. I've two chums, Sam Lafford from Kendal, an elephant hunter formerly a Blacksmith, and Jack Burtholme who spent many a day in Burton. I met them out scouting when I heard, "Hello lad when's ta gae yam at Martinmass."*

*We trek 15 miles at night with 500 natives carrying our stuff. When the Germans attack they first send in their un-trained natives kicking up a devil of a row and blazing away. They always fire high so there's no need to fear. Then comes trained natives under European cover fire - but the Germans never come near. They always retire when a few hundred of their natives have been blotted out; so why bother? It's great fun this guerrilla warfare. The German n*****s can't stand European fire and just bunk off. Our native carriers have a nasty way of bunking away into the bush as soon as shots are fired and the bullets are ping-pongin.*

*Sam Lafford bagged an eland - an animal bigger than an ox, very good eating. The border is a big place to patrol but they are getting a few thousand more troops from the Union of South Africa. The Germans come over the border, raise the natives' kraals and go off with the natives' food. These critical times make me think of home and I would dearly love to come to dear old Burton. If the comforts people send me anything tell them to send a pipe and some English tobacco (that will be a change from the Boer stuff we smoke now) and as many fags as they like but for heaven's sake pack them well; they get dropped in rivers and are carried on a n*****s head for 500 miles.*

Burton W.I. NEWS

At their October Meeting Burton WI enjoyed A Year at Leighton Moss with Mr David Poole. As well as the breathtaking photographs of the many varieties of birds who visit during the year, he also surprised us with the beautiful ones of the varied wildlife which also inhabits Leighton Moss, particularly the stags. The competition for A Model Bird was won by Eileen Kirby, with Linda Green second. The raffle prize, donated by Joyce Bye, was won by Helen Nixon.

IMPORTANT CHANGE - The November meeting will be held on Thursday 7 November and not Thursday 14 November. It is the Annual Meeting and will be followed by a fun quiz.

Calling Local Crafters

The Kings Arms would like to hear from any local artisans and crafters who would like to advertise their crafts, e.g. paintings, photography, card making, jewellery, pottery, etc. on their redecorated dining room walls. If you would like to take advantage of the offer to publicise your work, please put the info, along with a small photo of what you do, into a black frame with your contact details and pop them into the Kings Arms, for Ann's attention.

Join Doreen and Ben for an informal hour's worth of popular hits from the 1920s onwards. Silver Songsters isn't a club or a choir and no particular vocal ability is required: all are welcome. You don't have to know the words since lyric sheets are provided. The £3 charge includes refreshments, a free raffle and of course, a warm welcome!

The dates for the rest of 2013 are: 27 November & 18 December, at 1.30pm in Burton Memorial Hall.

Roger Reports...

from the District & County Councils

Councils, like schools, are subjected to OFSTED inspections. Unlike some authorities, which have been put into special measures, Cumbria County Council has received a reasonable report. Inspectors were satisfied with the county's financial management as "the net budget for £346m was within 3% of that figure, with a £930,000 underspend." The council has also made "significant improvements in its financial reporting" and has "robust financial systems." The major criticism was that "children services were inadequate", which will be given top priority, quite apart from the vital emphasis in safeguarding vulnerable families.

One of our hidden services -Trading Standards has been particularly successful. They have visited gyms throughout the county highlighting the dangers of a Burns Fat Body Building Supplement called 2,4 dinitrophenol (DNP). Trading Standards have also been praised for helping in the successful prosecution of a dealer, who had illegally entered for sale sheep purchased in Lancashire for another auction in Cumbria the next day. In another inspection four traders in the Grange - Ulverston area were found to have sold alcohol to a fifteen year old volunteer. Anyone who sells alcohol to

underage persons is liable for a £90 fine.

At SLDC the main debate concerned a new by-law to deal with "defecating and urinating in public" which, disgustingly, is now a growing problem in some tourist areas and near night-time venues. In the debate I wondered whether the closure of so many public conveniences might have increased the problem which, I thought, was covered by the historic law of "committing a nuisance." I was not satisfied that in Kendal there are now 50 toilets available for the general public in shops, the Town Hall etc., and that I could get a list of them at the Tourist Information Bureau. I thought that this would not be much help if you were caught short after day-time opening hours. But what do you think?

Better news for youth is that apprenticeship grants to induce local employers to recruit 16-19 year olds have been increased by £15,000. The fund has so far helped create 23 apprenticeships for young people over the past two years, in roles ranging from web programming and engineering to joinery and horticulture.

For householders the county is highlighting the coalition's £20m Green Deal Communities Scheme with "benefits on a street by street basis." I am making enquiries how rural

communities - without streets - can be helped. Actions include a Warm Up scheme for home insulation.

Regarding highways, repairs at Junction 36 with the A 6070 are starting are being implemented to which I say, "and about time too!"

With winter in mind we have been told that "Cumbria is all geared up to keep road users on the move." Last year, gritters operated on 108 days compared to an average, over the last ten years, of 82 days. The Council pre-treats 2,400km of highways, a third of which (884km) are in South Lakeland. This year £4,392 has been allocated to winter maintenance and, despite the warm autumn, a 35-strong fleet of gritters equipped with state-of-the-art technology is ready to take to the roads as the temperatures dip. We'll see!

Finally I am still pressing that the anti-flood measures at Neddy Hill, Tanpits and elsewhere will be completed soon.

Good luck,
Roger

Review of the Year

Burton Bowling Club run three separate teams teams in the Kendal Bowling League, Morecambe League and South Lakeland Rural League on different nights.

The 2013 season has been particularly successful, achieving promotion to the 1st Division of the Morecambe League for the first time in the Club's history.

Despite gaining their highest ever points total the Kendal League team finished 3rd in their division missing promotion to the 1st Division by three points.

The Rural League Team performed creditably finishing in 5th place out of twenty one teams.

The standard of the Rural League is aimed particularly at new bowlers and less experienced bowlers and tends to be less competitive and some say more friendly.

The 2013 season has seen an increase in membership and what is particularly pleasing is the number of younger members joining and participating in matches.

The Club is keen to welcome new bowlers of all abilities for the 2014 season. The green will be open in mid March 2014 and bowls can be provided if required. Monday night is Club Night.

Alex Jamieson
Club Secretary

Hello everyone, we are certainly on our final countdown!

The pub quiz in October was a great night, thanks to Helen, Janet and Nicola and The Smithy we raised £179, which is fantastic! Kate Bethell was organising sales of ice cream at Windermere and Beetham a while ago and that raised £208.

We are still awaiting a little bit of sponsorship money, and it is all helping so thank you.

So the final two events left are...

The Ceilidh on the 9 November, starts at 4pm and goes on until whenever the band feels tired! There will be a free food voucher available to everyone on entrance, nothing fancy - a "sausage in a bun" or veggie option, a tuck shop and drinks will be available, and a tombola. The Children's Photography Competition will be judged in the break. Note that this is being held in the Burton Morewood School.

The Hoots Night and Auction of Promises/Raffle will be the last event of our campaign, and will be held on the 30 November at Burton Memorial Hall.

Tickets are available now, and limited to 130 in total, so grab yours whilst you can!

Anyone who wants tickets for either of the events let me know - I can see them selling out fast.

PLEASE PLEASE PLEASE don't think that because Alex now has his Boma 7 that we don't need to fundraise anymore, it just wasn't 'right' to have £9,000 in the bank and know the Boma was ready and not let him enjoy the autumn on it with his family. Every day counts - we still need to make these events a huge success to raise the extra £5,000 needed for the following:
Additional Batteries £650,
trailer £200,
modifications £3,600,
servicing, insurance, maintenance £550 (ongoing costs).

We can do this and know that Alex can enjoy his freedom in the fresh air with his family for many years to come - a simple thing that we take for granted.

THANK YOU SO MUCH FOR YOUR CONTINUED SUPPORT IT MEANS SO MUCH!

Cumbria Police News

Crimes of Note

There are no crimes that have happened in Burton over the past month. A Road Traffic Accident occurred on the 28/9/13 between a vehicle and a motorbike, there were no injuries. Burton Village Store drop in was held, no concerns were passed to us. We have been into the primary school to talk to the children about road safety and riding their bikes/scooters safely when out and about on the roads.

Halloween and bonfire night are on their way and we have spoken to the children regarding trick or treating, stranger danger and staying in groups when out in the dark, and trying to include something reflective or bright on their scary costumes so it will make them safer and to be seen by vehicles. We have given some stickers to Burton Village Store which you can put in your windows if you do or don't want visitors to your door on Halloween. If you need more just let us know.

Parking is still an issue around and about the school, we continue to work with the school to ensure that parents park safely by informing them through the school by letters.

Over the past week there have been a number of crimes in South Cumbria where offenders have approached vehicles in separate rural locations during daylight hours and drilled the diesel tanks before syphoning diesel. Suspects described as being a white male and female in early 20's, and driving a red Peugeot 106, around a 97-98 plate. The vehicle appeared to be in bad condition making a lot of noise. There was also a dog in the back. Please report any suspicious vehicle or persons to Police via 101. Regarding the above, 2 persons were arrested in the Ambleside area on the 15/10/13. They have been bailed and are waiting for court dates. A successful operation! And good work from our colleagues in Ambleside.

We are coming to the time of year again where we will putting on our heating. Due to the recent increase in the cost of fuel we are warning local businesses and local residents who may possess heating oil or diesel tanks that they should ensure the tanks are properly secured with locks.

Cumbria Constabulary has established the Community Speedwatch programme. Its aim is to share the responsibility for addressing speed-related offending between the community, the Police and other agencies. Many parish councils have been concerned about the problem of

real, or perceived, speeding vehicles through their neighbourhoods. It is hoped that councils will acquire speed guns, either for themselves or in conjunction with other members of the LAPs or Neighbourhood Forums, which will be used by members of the local community to monitor speed at the appropriate locations. These volunteers will receive training in the use of this speed monitoring equipment. The Constabulary have already appointed five Police Support Volunteers throughout Cumbria. They will be the Police link to Community Speed Watch volunteers and will provide all the administration support necessary to enable the schemes to succeed. This will include receiving all the details of offending vehicles, completing PNC checks and sending the warning letters to the registered keepers. They will also establish a database to consolidate the individual offences so that persistent offenders and hotspot locations can be identified for further action to be taken by the Police.

Sergeant Paul Mellard is the officer at Kendal Police Station who is in overall charge of the scheme for South Lakeland, and may be contacted on 101.
