Tuesday 17 May in BMH

Members of the public are welcome to attend

LAST DATE FOR COPY

20 May for the June issue

Please would readers note that letters & articles must include a valid name & address. This can be with-held from publication on request. We will not publish any anonymous letters, or material which, in the opinion of the Editorial Committee, is of an offensive or defamatory nature. BN reserves the right to edit letters & articles in the interests of magazine space.

Readers'

LETTERS

Dear BN,

Well done our Parish Council

We are encouraged as parishioners to apply for the Wheelie Blue Boxes carriers. I was unsurprised that the SLDC only have a limited number of these as for them this seems to be an area where they feel entitled to economise. As I have previously pointed out, these wheelies are not something that should be limited to the elderly and disabled. Every house in this village and in the South Lakes should have them. The able-bodied too find the blue boxes unwieldy, heavy and with highly unstable lids. Additionally, wheelie bins are easier for the men with their lorries. I wonder what kind of thinking goes on in Waste Management Section?

The questions that need to be asked are:-

1. What are the statistics of the number of elderly and disabled and their relationship to the total number in this area.
2. How many know of the existence of the Blue Box Wheelies. What and

Annual Gift Subscriptions

If you know of anyone who may like to receive BN regularly each month, why not buy them an Annual Gift Subscription? For £12 within the UK they will receive a copy of BN each month (11 copies per year). A great way for family, friends and former residents to keep in touch with what's happening here in Burton. Anyone interested should contact BN at the address in the box on page 2.

Where is the publicity on this subject.

3. Is there a criteria for refusing, giving out these wheelies ? What number have been refused and why? What appeal arrangements are in place?

4. Why are Blue Box Wheelies not available to all householders in South Lakes. Everyone seems to complain about how unwieldy the blue boxes are but are unaware of the existence of the Blue Box Wheelies. It may come as a surprise to SLDC that in many other areas these Blue Box Wheelies are distributed to all homes, regardless of age and infirmity.

Our Parish Council has alerted Burton to this issue and I would suggest that SLDC gets a Good Big Shakeup from Burton. I urge all Burton residents to apply for a Blue Box Wheelie. It's your taxes after all so you do have a say.

Alison Murphy,
Morewood Drive

OBITUARY

Freda Coward, died 1 March 2016

Freda was from a farming background, born at West View Farm near Endmoor. With her parents she then moved to her aunt and uncle's farm and worked for many years farming at Eccleston near

Chorley. She was always up early getting the cows in for milking, then she went to night classes in those days, to embroider, pokerwork craft, and leather work.

She always enjoyed life to the full, and liked working outside. Haytining was the best in those days, nice warm summers and the smell of lovely fresh hay. She married Frank, who worked with her, so it was a good family run farm.

Eventually when they retired they came to live in Burton with her mother, Mrs Armitstead, who many people knew, at Crofton Lea. Freda, Frank and her mother in later years went to live at Brantwood on Neddy Hill.

When Freda was left on her own the family helped her in every way possible. She was a lucky, and lovely, lady to have so many people take care of her, and she was so happy. She loved to chat at the gate to people and wave through the window.

Thank you to all for your thoughts, good wishes and overwhelming number of cards sent. Freda will be sadly missed by all who knew her. Love you sweetheart, for a wonderful mum.

Love, Heather and family xx

PC Observations...

Reporting from the
Parish Council meeting

April 21st Meeting

Almost a 'full house' of Councillors attended with two members of the public who were supporting a planning application request. Note that it's always a good idea to come to Parish Council if you have submitted a planning application. It helps Councillors to understand your case.

Nothing in the police report apart from a dog reported to be worrying sheep and an accusation that children had damaged a tree outside the school. Councillors observed that the children were not the culprits anyway – the damage was caused by trucks coming through the village. Are the police really bothered about the report? Two road crashes happened in Burton during April that were not even mentioned in the report!

There was an interesting discussion about the feasibility of bringing in a Community Speedwatch scheme to monitor speeders along the Clawthorpe stretch of the A6070. Councillors were doubtful about using volunteers from the community to run it preferring instead a fixed solar-powered speeding

indicator system which would tell drivers what speed they were doing and give them a smiling face if it was within the legal limit. There is a cost to this and Councillors were keen to explore various funding sources but also use their own resources if necessary. Let's hope this happens because speeding (along with dog poo and parking outside the school) is a big issue for Burtonians.

The Green Dragon Housing Development scheme (92 new houses in Burton) is the main topic for a Planning Workshop on 19 May. SLDC is calling for 3 Councillors and 3 members of the public to attend. The Workshop will be identifying how key issues such as pedestrian walkways, vehicular access, the mix of housing types and capacity of Burton's school, roads and other services to absorb such an expansion could be managed. Jane Hopwood, Alan Wren and George Isherwood volunteered as Councillors and several Burton residents will be invited too.

The Quarry run by Aggregate Industries is also running a public exhibition further to the likely expansion of the quarry's life by 20 years from 2024. It is in the interest of all Burtonians to attend because the expansion will affect road traffic through the village for many years to come. The existing 'gentleman's agreement' to limit trucks passing

through the village could also be under threat and Jane Hopwood called for action to make this agreement legally binding along with a renegotiated contract for the quarry to maintain the A6070 highway. Dates for the exhibition are as follows:

Holme Parish Hall
Thursday 19 May 11.00am - 7.30pm
Burton Memorial Hall
Wednesday 25 May 1.00pm - 7.30pm

A post exhibition liaison meeting with Councillors will be held during the week commencing 6 June.

Further points in the meeting included:
Agreement for Ashlea Landscaping to carry out grass cutting in public spaces in Burton.
Welcoming the election for new Councillors on 5 May.
Agreeing to use updated financial regulations issued by the National Association of Local Councils.
Accepting the resignation of Peter Smith as a Parish Councillor with warm expressions of gratitude for all his service to the Council as both a Parish Clerk and a Councillor.
To consider more planting of daffodils alongside the A6070 coming into Burton because there has been such a good show this year (Jane Hopwood).
To observe that vigilante activity in Dalton Crags (graffiti about cutting

down beech trees and cutting wires around a tree cultivation area) is completely unnecessary and Forestry Commission is investigating (Francis Mason-Hornby).

To report that Burton's Asset Register is now up-to-date (Paul Rogers).

To fix a slate on the Bus Shelter on the north A6070 side of Burton (George Isherwood).

To lament the complexity surrounding the flooding on the A6070 near the quarry exit (Mike Taylor). It is caused by the lack of coordination of agencies involved (United Utilities, the Quarry, Holme Park Bridle Way, County Council Highways) resulting in excessive run-off from the fell and blocked drains.

To warn Burton residents that the 0845 number to County Council Highways Department about flooding and highway problems is charged at 36p/minute but free by internet. Not bad for an emergency service!

To welcome the clearing of many drains along Main Street by Highways Department.

To get on with resurfacing of playground and tennis court areas as soon as possible.

The next PC Meeting will be on Wednesday 18 May at 7.30pm.

Cross Bay Walk

for

The Rosemere Cancer Foundation Saturday 11 June

An unforgettable experience and a perfect activity for a summer's day for all the family!

The Rosemere Cancer Foundation is dedicated to helping to provide the very best care possible for cancer patients in South Cumbria and Lancashire, wherever they are treated. The Foundation aims to raise £1 million this year for local cancer research, patient welfare projects, additional equipment and training that cannot be provided by the NHS. The charity supports projects in the cancer centre at Royal Preston hospital as well as all the local cancer units including those at Westmorland, Lancaster and Furness hospitals.

The Rosemere Cancer Foundation Cross Bay Walk starts from Arnside shore at 10.00am and finishes at Kents Bank near Grange over Sands, with Queen's Guide Cedric Robinson leading the way. The walk is approximately 8 miles and takes around 4 hours depending on the tides.

Entry is only £10 and all Rosemere walkers will be given a free bag, snack and water. There will also be coaches

to take walkers from Grange railway station car park to the start of the walk in Arnside at a cost of only £3 (to cover the cost of the coach.)

For an entry form please call the Rosemere Cancer Foundation on 01772 522913 or download a form at www.rosemere.org.uk. Book your place early as the walk is always over-subscribed, and invite your family and friends to join too.

Lancaster Canal News

The three-year refitting work on the Trust's tripboat 'Waterwitch' is complete and the boat is back in the water ready for final trials before being handed over to Boat Operations manager David Joyner and the 'boat people', to start trips on the canal from Crooklands on first May.

Nominate Morewood School in the Churchill Lollipopers campaign

Problem

Pedestrian injury is the leading cause of accidental death of children in Great Britain. Lollipopers ensure the safety of children on their school run, but the numbers of lollipopers have been falling year on year.

Solution

At Churchill we believe it's important that children can get to school safely so we've launched a fund to put more lollipopers on the streets nationwide.

Action

Do you know a school that needs a lollipopper? Nominate your school for a chance to receive funding for a Churchill Lollipopper.

Members of the public are invited to nominate their school before 23.59 BST on 15 May 2016. All nominated schools will be contacted by the Promoter and all nominated schools must confirm their acceptance to participate (if nominated) by noon on 27 May 2016.

If you feel that Burton Morewood School would benefit from this please would you support by nominating our village school for this opportunity? It will help keep our children safe. The

link to nominate is www.churchill.com/lollipopers and you need to enter Burton in Kendal into the location box, then the school list will offer you Burton Morewood as a nominatable school.

Holme & District Local History Society Summer Outing 2016

This year's outing will be on Saturday 18 June to Eden Camp near Malton, North Yorkshire. Eden Camp is the only modern history theme museum of its type in the world where you can experience the sights and sounds of life on the home front and on the front line. The camp is housed in buildings and grounds of an original WW2 prisoner-of-war camp and offers a great day out with a difference.

The coach will leave Burton Memorial Hall at 8.30am and pick up in Holme. There will be refreshment stops on the way and on the return journey.

Cost: Coach travel, morning coffee and admission to Eden Camp - £25

Anyone interested please contact John Brown on 01524 782066.

Vicar's Letter...

Plot Twist

Do you enjoy a story with a plot twist, a tale where the solidly reliable character suddenly (and shockingly) turns out to be working for the enemy, or so it seems, until eventually you discover that they've been set up by the other solid reliable character? It can be deeply unsettling to enter into a world like this where nothing is certain and no-one can be trusted but such a story will probably keep our interest right to the last chapter or scene.

Jesus also tells stories with plot twists. There is a man who knows how to run a profitable business and who has future-proofed his enterprise by covering every angle, or has he? In another of his stories there is the young waster who is on his way to well-deserved ruin while his diligent brother is on course for taking over the family farm. What could possibly go wrong?

But Jesus does not tell this kind of story just to give the thrill of riding a scary roller-coaster through a contorted plot. He wants people to be shocked now by the way his stories end so that they won't end up being shocked later by the way that their own life-story ends. And

for those who are full of despair as they look at the trajectory of their own life-story Jesus wants them to see that they are not beyond the reach of the most surprising ending ever.

I'd like to invite you to come and join with a few others for an informal any-question-goes look at some of Jesus' plot twisters. 'Tales of the Unexpected' will meet on four Wednesday evenings (4 and 18 May, 1 and 15 June) at the Vicarage in Burton. There is no charge. You don't need to bring anything. I will not make any assumptions about what you know or believe. There will be time to ask questions if you want to. And if you've already missed the first evening you can join us for the second.

You may think you're an unlikely candidate for such a group but why not introduce into your life a plot twist of your own? If you're interested please get in touch with me.

Sincerely,
Graham Burrows

Wholesome Milk From Happy Cows!

We are Tom and Clare Noblet, we farm in partnership with Max and Jenny Burrow at Whin Yeats, Hutton Roof. Last year, with falling milk prices threatening the future sustainability of the farm, we put in a small dairy and started to make some of our cow's milk into unpasteurised cheese. It's been a huge learning curve and we are continuing to refine our recipes all the time. We make two types – Whin Yeats Farmhouse, a smooth, creamy textured cheese, cloth bound and buttered, and matured for at least 12 weeks, and Fellstone - a Wensleydale-type with a drier texture and fresher taste, cloth bound, buttered and matured for 8 weeks.

We are also now able to sell our lovely, fresh, unpasteurised milk directly from the farm. Straight from the cows, cooled in the tank and then bottled, we believe this is milk at it's best – fresh, unprocessed, not stored or transported. It's becoming more widely recognised that processes such as pasteurisation and homogenisation (which all supermarket milk goes through) could actually contribute to some of the ever-increasing dairy intolerances, allergies and skin and digestive disorders seen; homogenisation of milk (breaking up of

fat particle) is thought to cause fats in milk to be absorbed into the bloodstream more easily, contributing to obesity.

With spring starting to make an appearance, we're pleased to now be able to offer our cheese, milk and eggs for sale from the farm on Saturdays 10am – 12pm, for other times please call us, or we may be able to deliver locally. For more information, please call 015395 66949, 07414 80233 or see our website – www.whinyeatsdairy.com. To find us, follow the road up from Clawthorpe to the top of the fell – we're over the brow on the left.

BURTON W.I.

On the Queen's 90th Birthday, Thursday 21 April, nine members of Burton WI, plus Sue Coates's grandchildren James and Ruby, advanced on Burton Memorial Hall Car Park to Clean for the Queen.

Armed with brushes, shovels, forks, wheelie bins, black bags etc they worked hard to spruce up the car park and we hope that the residents of Burton appreciate their efforts.

SPORTS DAY & PARADE

Including Car Boot

This year's theme is the Olympics and we would like to see as many people dressed up and taking part as possible. We will meet up at Green Dragon Farm at 11.30am ready for judging then the parade will set off at midday. We have an afternoon of fun for all ages planned so it will be a great day for all the family.

Confirmed so far on the day, we have the majorettes, Jennifer's dancers, archery, welly wanging, football, Hardy's soft play area, local craft stalls, coconut shy, Outright Events with inflatables and children's rides plus much more. As well as all this we have an afternoon of races for all the family to join in.

If you would like to book a table to sell crafts or would like to be part of the car boot on the day please email Nicola Stephens on michaelstephens74@googlemail.com for more information on times and costs.

After an afternoon of fun and games we

have the family disco and presentation. This starts at 7.00pm and all children must be accompanied by an adult. We will announce the winners of the floats and present trophies to the winners of the races. There will be a licensed bar as well as a well stocked tuck shop.

Remember Your Bags – An Update

Back in October we decided to join most of the retailers in England in charging for single use carrier bags (even though as a small shop we were not officially required to do so).

We would like to thank our customers for making a conscious effort to bring their own bags to the shop, this has resulted, in the first 6 months, of a few thousand fewer plastic bags polluting the environment. Based on our sales for the first 6 months reporting period, we have donated £60 to the Cumbria Flood Recovery Fund.

If anyone wishes to recommend a charitable organisation to receive this income from sales next time, we would be happy to receive your nominations. (gill@burtonvillagestore.co.uk)

SHOCKING NEWS

Those of you who are observant will have noticed that Burton Memorial Hall has gained a new circular green box with a green light on it at the Southern entrance. This is a 'Public Access Defibrillator' it has been erected by Burton First Responders and part funded by money raised at the Onion Show.

The AED (Defibrillator) is registered with NWS (North West Ambulance Service) and is part of a network of AED's around the country.

The password code for the door is given to a member of the public by NWS if deemed necessary during a 999 call.

The AED inside the box is designed to be used by an unqualified person and is simple to use with voice prompts.

However, I will be carrying out training on how to use an AED to various community groups in the near future.

If you have any further questions about this, or First Responding, please don't hesitate to call Alan Wren (CFR Team Leader) 781387.

ACTIONAID Spring Walk

This year the Spring Walk will be on Monday 2 May going to Bigland Tarn, near Newby Bridge. The walk will be about 3 miles.

Meet at 10.30am in the Square in Milnthorpe to share cars.

Strong shoes/boots and walking gear required. Bring a packed lunch.

Donations to further the work of ActionAid welcome.

Questions? Ring Gil & Graham Caley on 782299 or Pat & Edwin Duckett on 781369.

DESIGNER GOLDSMITHS

www.macmillan-clare.co.uk

It's all started again for another year with almost all of our regular Chiffchaffs having now returned to their regular haunts, at the time of writing (21st April) I think we are still waiting for "Pear" of Pear Tree Cottage. The earliest I had this year was Craig and Craggy who hail from Plain Quarry and whom I first recorded on the 31st March.

Back to the Warblers and for me it's always great to hear the very first Willow Warbler, even if it is only singing in broken song. My first was in lower Dalton Crag when I just could make out dear Willow as she sung in half-hearted song. The date was 9th April with more and more of the little beauties arriving daily. So far in April I have been fortunate to count large falls within Dalton especially on 12th, 15th with a peak over the mornings of 20th and 21st.

I am told early Swallows had been seen at the usual "early spot" over by Whasset. For me this year the earliest

birds seen were on the 12th April over near the Borwick fisheries. The first main entry at local sites came over the weekend of the 15th and 16th April. Since that date birds have been coming through in good numbers and also it was noted odd birds were back on territory at Russell Farm, Green Dragon and elsewhere.

My first returning Blackcap was on 17th April in or around Plain Quarry.

My first Tree Pipits arrived yesterday (20th April) when three were recorded in upper Dalton Crag (deforested area) they are still very quiet – no song being offered just the odd three syllables, but any day now they will crack up in song!

Today (21st April – our Queen's 90th birthday) I had my first Northern Greenland Wheatear with three beauties all stood to attention with their almost straight backs. Everything ticked the boxes for these beauties to have been the rarer "leucorhoa race" and to think they have travelled from far down in Africa and although only calling off here at Dalton Crag for a day or maybe two at the most, will then continue their journey all the way up to either the Faroes, Iceland or Greenland. They are one of the long distance travellers.

Other records come in are Common Redstart noted on Hutton Roof Common 14th April and also one on Burton Fell on the 19th April.

This next week or two should see Garden Warblers, Lesser Whitethroats and more Redstarts. And during the first week of May and just as the Burton News drops through your letterbox we may be seeing and hearing our familiar Dalton Cuckoo! Who knows...

Butterflies recorded: Brimstone (19th April), also odd Small Tortoiseshell, and lots of Peacocks.

Flowers include: Wood Anemone, Wild Strawberry, Ground Ivy, Dog Violets, Red Campion, Stitchworts.

OURS SWIFTS ARE EXPECTED BACK ANYDAY NOW! And we have been busy clearing the Ivy away on the Royal so they will have a direct entry to their regular sites. Hopefully once the birds are back and established we can start to observe and report on our local populations. If you want to join us this year why not check us out at the following website: <http://burtonswiftbirdstudygroup.blogspot.co.uk/>

Bryan Yorke

WILLOW WARBLERS – COLLECTIVES

*Flying in the dark through a moonlit sky,
Falling from high like little angels,
Floating down on a wavering leaf,
The “confusion” has now begun.
Our dear little Willow Warbler*

*Daytime closed you was not seen,
Whilst morning wakes your plenty,
So tread so soft our leaf explorer,
A “bouquet” of special prize to us,
Our dear little Willow Warbler*

*Your music is a descending tale,
Which finish the year “hou whit”,
A choir of pairs sings thy will,
A “Fall” would be a lot of thee,
Our dear little Willow Warbler*

*Sylvia’s hand of lucid intricacy
You thread that weave so delicately,
To house and raise a splendid cast,
It’s a start to a “Wrench” fulfilled
Our dear little Willow Warbler*

Cumbria Wildlife Trust

Hedgehogs need your help – new Cumbria Wildlife Trust online survey

The once-common hedgehog is now under threat. The loss of hedgerows, tidier gardens and an increase in the intensification of farming in our agricultural landscape are all reasons for the decline in hedgehogs.

In just the last 10 years, hedgehog numbers have fallen by 30%, and there are now thought to be fewer than one million left in the UK. They are disappearing from our countryside as fast as tigers are worldwide.

We don't know how many have gone from Cumbria but by asking people to complete the survey we can find out more about where hedgehogs are living, whether numbers are increasing, decreasing or staying the same and how many are dying on our roads.

To submit your sighting of a hedgehog, dead or alive, go to our website: <http://hedgehogs.cumbriawildlifetrust.org.uk>

Ospreys are back in South Lakes

The flutter of tiny feathers is expected again this year at South Lakeland's biggest nature reserve, Foulshaw Moss, near Witherslack. Blue 35 and White YW, the two ospreys that successfully raised and fledged three chicks last year, returned to Foulshaw Moss Nature Reserve at the beginning of this month. As ospreys hunt over a wide area we may see them over the village, so keep your eyes peeled, and if you manage to get a photo please do send a copy to us for Burton News.

MAY 2016 ELECTIONS

Candidates standing for Burton Parish Council

BN does not support any political viewpoint but we do want to bring you the information you need for the forthcoming elections.

For the first time in many years there are more candidates for the parish council than there are seats, and this means that on Thursday 5 May there will be an election for the parish council, as well as the SLDC Burton and Holme ward seat, and the role of Police and Crime Commissioner for Cumbria.

The candidate information is online in various places, and you will probably have had various bits of election literature through your letterbox, but we are bringing you a list of the candidates standing for each seat or position in one handy reference.

Voting cards have been despatched to those who are on the Electoral Roll by the SLDC Returning Officer, and the Polling Station for Burton will be Burton Memorial Hall, which will be open for voting from 7am until 10pm.

Police and Crime Commissioner for the Cumbria Police Area

Loraine Birchall

Liberal Democrats

Peter Joseph McCall

**POLLING STATION:
Burton Memorial Hall
Open: 7am - 10pm**

If you want to read more about the 5 May elections you can find all the documents on the SLDC website here:

www.southlakeland.gov.uk/elections-and-voting/elections/elections-2016/

Great Excitement at the King's!

It's not every day that a village pub wins a supplier's national competition, but as we reported in the April BN, that is just what the King's Arms did, by beating hundreds of other pubs and restaurants across the country in the Heinz Heartwarming Heroes contest launched late last year.

Round 1 saw them being nominated and voted for by their customers, and having accumulated enough votes to go through to Round 2, Ann and Neil France had to submit their idea for a community event. As a former nurse, Ann has all things to do with health very close to her heart and, following on from their daughter Dannielle's swift

intervention when a person collapsed in the street, she and Neil knew just what they wanted to propose: a first aid training fun day for the village.

The idea captured the imagination and the hearts of the folks at Heinz too, and so Neil and Ann found themselves in receipt of First Prize, a shiny trophy and a cheque for a massive £20,000!

We were delighted to be invited (with our cameras) to the cheque presentation at the King's Arms on Tuesday 12 April, along with some of the staff and children from Morewood School and other members of our community.

Left: The Trophy!

Above: Megan Jones from Heinz presented the cheque for £20,000 to Neil and Ann France, accompanied by Daniel Woolfson of the Publican's Morning Advertiser.

Mon: Steak Night, Wed: Curries, Fri: Fish Dishes

The King's Arms Hotel Burton

Part time staff required bar/waiting,
wash up/kitchen help and cleaning
of bedrooms, ask for Neil or Ann
01524 781409.

Neil and Ann France holding their cheque for £20,000, surrounded by villagers, accompanied by Megan Jones of Heinz (far right)

*Staff and children from Morewood School at the cheque presentation:
(back L-R) Steve Thexton, Eliza, Eloise, Jay, Tom, Richard Wilson
(front L-R) Jack and Charlotte*

Cumbria Police NEWS

6/4 – A report of sheep being worried in the Burton area. Officers attended and no injury was caused to the sheep. The owner of the dog was spoken to and no further action was taken.

It has been reported to us that trees outside Burton Morewood School have received some damage, maybe caused by children swinging on them? Please advise your children against this.

We will be out with the speed gun over the next few months and will be issuing tickets to those offenders are speeding through Burton. Remember it is a 30mph zone, and there for a reason, and remember we carry out speed checks to keep YOU and YOUR family safe.

Now the lighter nights are coming and the garden is taking up more of your time, make sure your house is locked at the front when you are in the back garden. Make sure you have locks on out houses/buildings and sheds.

We have had a great response regarding our future operation involving members of the public taking up surveillance points and working closely alongside the police to combat rural crime/travelling criminals. This will take place towards the back end. If you would like to get involved then please email myself for further information.

Burton Morewood School

Morewood School is celebrating being awarded National Teaching School status. Head Teacher Sue Woodburn said: "We are delighted to be given this opportunity to work with schools across our partnership to improve outcomes for all our young people."

Teaching School Lead and School Assistant Head Teacher Richard Wilson said: "The award of Teaching School status reflects the hard work and dedication from staff that already goes on in many of the key development areas."

Roger Pope, chairman of the the National College for Teaching and Leadership, said: "I'd like to congratulate Burton Morewood - they should be very proud of this achievement. Teaching schools have shown themselves to be at the heart of school improvement. They're supporting other schools, attracting and training the best new teachers and developing the next generation of leaders. At NCTL, we want to do all we can to support their work."

Historical Footnote...

... by Roger Bingham

Burgundy & Burton

'Burgundy' nowadays generally refers to a darkish red colour for cloth or a wine of the same hue. But the name derives from a clutch of provinces covering parts of France, Belgium and Germany which, in the fifteenth century, were as rich and as powerful as neighbouring kingdoms including England.

A tantalising connection between Burgundy and Burton has recently been revealed by a Cumberland and Westmorland Archaeological & Antiquarian Society's article on *'Medieval coin finds in Cumbria 2015.'*

It reports, *'Only one continental coin has been recorded, a double patard of Grand Duke Charles the Bold of Burgundy dating from 1467-77 found near Burton-in-Kendal. This coin is probably a result of the English-Burgundy monetary alliance signed in 1469 between Edward IV and Charles. The alliance allowed English coins to be circulated in Charles' territories and coins of Burgundy in England.'*

The high value silver patard remained in circulation until Henry VIII called in all

coins for a re-coinage of English currency in 1527.

Consequently Burgundian coins could have come to our area over a long period. Trade in such products as Kendal Green cloth resulting from Westmorland's contemporary booming textile industry is the obvious reason for the coins arrival here.

It is, however, just possible that it might have been dropped during a rebellion against Henry VII who, as the representative of the House of Lancaster, had taken the English throne from the House of York in 1485.

The rebellion was spurred by Margaret of York, the widow of Charles the Bold and the sister of the dead Yorkist kings, Edward IV and Richard III. Notoriously, she championed a pretender to the throne, Lambert Simnel, who was in fact an English lad but whom the Burgundians and Yorkists claimed to be the Yorkist heir the Earl of Warwick.

As a start the rebels landed in Ireland, where the Yorkists were strong and crowned Lambert as King Edward VI in Dublin. Then, in May 1487 the Yorkist's forces invaded England via Piel island before splashing across Morecambe Bay into our area. Possibly arriving around Arnside and the port of Milnthorpe, they made for Kirkby

Lonsdale into Yorkshire and thence to the main invasion (A1) route into England.

Finally, on the 16 June, they were defeated on the borders of Nottinghamshire at the Battle of Stoke Field in the last battle of the Wars of the Roses.

Speculatively, as the invaders included a contingent of German and Flemish mercenaries, the patard might have been accidentally dropped or traded by one of them.

One wonders, also, if any Burton folk trekked over to see the invaders and to wave at the pretender king.

Poor, put-on Lambert, as everyone use to know, was spared execution and forced instead to work in the royal kitchens where any pay he got would be far less than the value of Burton's Burgundian patard.

Burton News Editorial Report 2015 Looking back over the last year...

It gives me great pleasure to say that there has been no change in the Editorial Committee during 2015 which still has nine members, but as our Constitution allows for up to ten members you will note we are still one member short of our full complement, so if anyone feels the urge to join us, please do come forward.

We continue to be extremely satisfied with the excellent printing service from Baytype, which has resulted in a much better standard of reproduction overall, especially of the photographs. Any delays in an issue appearing were due to pressure of work on your Editors and not as a result of the printer!

We have again been fortunate in retaining the services of our Auditor, Nigel Taylor, whose guidance and support for the Treasurer and the Committee has been invaluable, and for this we thank him most heartily.

During 2015, eight issues contained 32 pages which makes for a good balance of copy and adverts, with the December issue including January 2016 events, whilst February, March and August contained 28 pages. Unlike previous years no issue was less than 28 pages which, for the second year running, is

heartening!

We are fortunate to have retained our regular columns by Roger Bingham (Roger Reports, and Historical Footnote), the monthly Letter from the Vicar from Graham Burrows, the Parish Council report from John Mackness (understudied when required by Charis Twist), and have had regular news from the Lancaster Canal Trust's Frank Sanderson, and Bryan Yorke's delightful drawings and reports from the Swift Study Group. Occasional articles have also come from David Craig, Charis Twist, Joan Barkley, Jane Hopwood, Alison Murphy and Courtney Morfoot.

Throughout the year BN has offered support and coverage of a wide range of fund-raising activities for various groups and societies within the village or undertaken by villagers for other causes. We have carried regular news & events listings from the Memorial Hall, Pre-School, Youth Club, the Historical Society, the Photographic Society, the First Responders, Outdoor Bowls and The Burton Singers. Helena Nixon has sent in a report from the W.I. each month, and we have had info from Morewood School, Cumbria Police, the NSPCC, Rosemere Cancer Foundation, Carnforth Rotary and Age UK. In the August issue we turned the front cover into a children's colouring competition to celebrate our 250th issue and had the fab

(Also on Twitter and Facebook)

entries you can see on the website.

We have covered the regular big village events such as the Daffodil and Onion Shows, Children's Sports Day, the 10K and Fun Run, and the two annual art and craft shows. We have included poems and seasonal recipes in various issues, whilst Barry Morgan's occasional Close Ups have taxed a few brains! We have also been pleased to include information from the Parish Council regarding the contentious planning application on the land to the east of Hutton Close, flu clinic dates from local surgeries, and updates from SLDC in respect of their kerbside recycling services. In the December issue we included a well-received Christmas roundup covering businesses and gift ideas in Burton.

The Diary and Events listing are still receiving notices for inclusion well in advance of events, which we are sure is helpful for forward planning by many villagers. We continue to include events from some local societies who meet outside of Burton but who have village members, and we have also continued to include some events at nearby venues such as the Heron Theatre at Beetham and the miniature railway at Cinderbarrow. Several societies and groups have made a donation to BN as a thank you for including their regular events in the listings, and those donations have been much appreciated.

At the year end we had 40 advertisers, and still had an advertising waiting list of businesses both within and outside of the village. Adverts remain a standard 1/8 page with one remaining 1/4 page exception and one 1/6 of a page.

Finally, we would like to thank all our columnists and contributors, our auditor, all the members of the Committee who give help and advice to us as Editors, and for all the work they do in writing articles, keeping minutes, managing the advertisers and the money, and in getting the magazine distributed.

A big thank you to our team of distributors who turn out come rain or shine to deliver the News. To our advertisers and subscribers, and those who support our annual envelope appeal for donations, we owe a huge thank you to all the individuals, groups, events, and local businesses who financially support the ongoing provision of Burton News. And lastly but not least, to Gill and Akis in the newsagents who have carried on with being our collection point for copy for each issue. They also pass on copies to more remote villagers for us, offer copies of BN in the shop, and hold the all-important donation box for our annual appeal.

Thank you to you all!

Holme Cricket Club

By the time this update has dropped through doors in Burton and Holme, the 2016 season will have begun. For the first time in a while the Club has gained a few players and hopes remain high. The first team began life in Division 3 with a trip to Heysham A whilst the 2nd team, having maintained its position in Division 4 as a result of the ill fortune of Milnthorpe were due to lock horns with old adversaries, Coniston A.

In readiness for the new season, the Club held its Nat West Cricket Force Day on April 10th. This was a tremendous success as approx 20 members and supporters of the Club undertook a series of tasks at the ground. The tea room and changing rooms were given their first lick of paint for a few years, hedges were trimmed and sightscreens and summer nets constructed.

On the same day, last years Junior presentation was held and for the first time, the Club held a pre-season signing on session for Juniors. To date 25 Juniors have signed on before the start of the season, so another worthwhile effort. A big thanks to all who were involved in making the day such a success.

A reminder that Jonathan Osborne (Cricket Development Officer for Cumbria Cricket) will be attending the Club practice session on May 10th to reinvigorate the training sessions. Jonathan is giving up his own time so hopefully we can reward this by having a good attendance on the night - 6.30 start or 6.15 for pre-training stretches!

So, lots going on at the Club. If anybody wants to have a look for themselves, matches in May are:

Sat 7th 1st XI v Carnforth 2nd XI (2 pm)

Mon 9th U-13s v Netherfield B (6.30pm)

Sat 14th 1st XI v Burneside 2nd XI (2 pm)

Wed 18th U-15s v Warton/Carnforth (6.30pm)

Sat 21st 2nd XI v Leven Valley (2pm)

Thurs 26th U-11s v Sedgwick (6.30pm)

The bar is open for all matches and the barbecue is lit for the Junior games.

A reminder of some contacts at the Club:

Editorial...

No Room at the Inn

For cars that is, when The Royal Hotel development work starts later this year. However it is good to see the old building being brought back to life even if not as a public house, the years of neglect are visibly taking their toll. It is also bound to exacerbate the lack of parking in Burton, especially as the Memorial Hall car park is for Hall users not general residents' use. What are the chances of a nearby field being turned over to a car park?

What, where, when?

Many activities go on in Burton and the surrounding areas so it can be difficult to keep track, as well as trying not to clash with another event when planning one. Help is at hand as Burton News has set up a Village Calendar, an on-line addition to the events page that is printed on the back page each month. Using the Google calendar system, this has far more scope than a single printed page can offer, though that will be continued of course; and it has the benefit of being able to be shared by multiple websites in the village or connected to your own digital calendar. Head on over to the BN web site, have a peek and bookmark it:

www.burtonnews.org.uk/j3/village-calendar

Speaking of Internet

Just a reminder that the Burton area is now upgraded to fibre so if you are suffering from dire connection speeds it may be worthwhile investigating upgrading to fibre. Also for those on the edges of Burton the B4RN cables are reaching us too for even faster connectivity! We don't have to suffer life in the slow lane.

What's On at the Heron Theatre Beetham

Registered Charity No. 501134

Until Friday 27 May

Exhibition: Kathy Dereli, Ormskirk

Kathy sculpts mostly in clay, casting into plaster and occasionally bronze and carved stone. She has also produced varying amounts of painting, traditional and digital, which she continues to work on, though her focus is on sculpture. She exhibits on a regular basis and has a variety of work in private hands locally and internationally.

Friday 6 May 7.30pm

BROOKLYN (2015) [PG-13] - 111 mins

Cast: Saoirse Ronan, Emory Cohen, Domhnall Gleeson

This enchanting film tells the moving story of Ellis, (Saoirse Ronan) a young Irish girl navigating her way through 1950's New York, where she has gone to find work. Her initial homesickness quickly diminishes when she embarks on a romance with a charming Italian boy, but her past soon disrupts her new life and happiness and she must choose between two countries and two very different ways of life.

Sunday 8 May 2.30pm

Emily Robinson

Adm: £12 U18s: £5

Her repertoire spans the musical spectrum, from Baroque to Britten, Monteverdi to Modern and she sings Bernstein and Gilbert & Sullivan or Mozart and Handel with equal gusto. Recent performances have included Vivaldi's Gloria, Orff's Carmina Burana and Dido in Dido & Aeneas with Levens Choir. David Edmonds (Flute) is a member of several orchestras and ensembles in the north west and also in demand as a soloist. Charles Edmondson's piano accomplishments are matched by those at the organ which leads to him being in great demand as a recitalist throughout the North.

Unless stated otherwise,
tickets for theatre and music are
Adult: £12, U18s: £5, Members: £10

Tickets for films are £5

Doors open 6.45pm. Shows start 7.30pm.

Friday 13 May 7.30pm

Flanders & Swann Revisited

Michael Lunts has had a life-long interest in the work of both Flanders and Swann and John Betjeman, and has incorporated their work in many of his musical revues. Here he brings them together for the first time in a partnership, of which all parties would have approved. (He hopes!).

Saturday 21 May 7.30pm

Les Chansons de Paris

The Janet Seidel Trio return to The Heron Theatre for a night of romance in music, performing Janet's choice of her favourite songs. Those hearing her for the first time will discover why Janet is described as Australia's most popular jazz vocalist" and enjoy an informal night of mellow acoustic instrumental interplay framing a wide variety of music. The concert is called 'Les Chansons de Paris', though it is not a Piaf tribute show, rather there will be a few Piaf favourites but in the Trio's own style along with jazz standards with a French twist.

Friday 27 May 7.30pm

Beckett's Last Act (Isosceles)

We are always pleased to welcome Pat Abernethy and Dave Marsden to the Heron theatre and on this occasion for "Beckett's Last Act" they are joined by Heather Jackson. Isosceles Theatre Company
