## Readers'

# LETTERS

Dear BN,

"Aunty" Barbara Winrow

A couple of days after the June B N went out I received a phone call from my brother - the one who was not mentioned by name in the above article!

Although I referred to "my family" taking over the shop in 1982 I did not mention their names. They are, of course, Dave and Sue Williamson. Whilst most of you will not know me, anyone who grew up here will know both of them, their daughters Sarah & Kate and their long involvement in village life. (Which I believe was covered in the first of this series of Village People).

In my defence I can only say that they were in the original version but somehow got lost in the subsequent changes. I am happy to correct the omission and my apologies to them both.

To complete the chain of shop owners that Barbara has worked for - Tim & Elaine followed Dave & Sue and they were followed by Gill & Akis.

## **The Little Cumbrian Tea Room at 3, The Square**

Some of you may be aware that I cancelled the tea room that I had planned for 5 March when my wonderful sister, Louise Plowright, died of Pancreatic Cancer on 1 March. I was very touched by the number of people who remembered when Louise opened the Village Sports, during the time when she was in East Enders, and drove through the village in an open-topped Volkswagen wearing her pink dress. She went on to star in Mamma Mia and was playing Madame Morrible in Wicked when she was diagnosed. True to character she was concerned that I'd had to cancel the tea room in order to be with her.

The Little Cumbrian Tea Room with a piano is scheduled again for Saturday 3 September, to raise money for the Rosemere Cancer Foundation.

We have decided to keep the formula unchanged so that, as previously, there will be 'sittings' at 10.30, 11.30, 1.30 and 2.30 all at £6.00 per person. I will provide my fresh scones with cream and there will be a variety of fresh cakes on offer and as much tea or coffee as you can drink... and of course the piano!

I'm toying with the idea of adding a glass of Prosecco to the menu in the afternoon... and the morning.

## **Thanks!**

Three thank you's, first to all who helped make Burton Art & Craft Exhibition such a success - this would have been impossible without so many willing volunteer helpers throughout the weekend.

Next at the Cumbria Family History Summer Conference - the same again. We are lucky to live in this village where so much happens in the Memorial Hall.

Lastly to the men who carried out the road surfacing from the A6 to the top of Neddy Hill. In sweltering heat the men carried out their work with efficiency, politeness and speed.

## PC Observations...

Reporting from the  
Parish Council meeting

Eight out of nine parish councillors, the county and district councillors, two members of the public with planning interests, and reporters for the Gazette and BN were at the meeting. It was a pity more residents were not there because this was another Parish Council meeting in which the sum of many small things highlighted the value of this most local part of local government.

Chairman Alan Wren read out the monthly police report which noted only one non-traffic related incident. A resident had reported, on the following morning, having seen a suspicious male in their garden on the previous evening. The majority of traffic reports concerned obstruction of the roads by the school and the resulting dangers. Once again Alan had talked to our PCSO to ask her to attend council meetings but the police management are adamant that a PCSO's time can be better utilised than attending all the PC meetings in their area.

Planning matters took up most of the meeting, with consideration of the revised plans for the Church Bank Gardens development and the revised

plans for an extension to a property on Morewood Drive. In both cases the Council seemed pleased that the plans had been revised to meet the objections raised by residents and the Council. In particular the Church Bank Gardens development seemed to the Council to offer a better layout with more open space. It was left to one of the new councillors, Sarah Colyer, to remind the Council that the proposed development did little to protect the existing hedgerows as required in the planning guidance. The owner of the Morewood Drive property had come to explain the changes he had made to meet the previous objections. After debate the Council raised no objection to any of the planning applications. However, Jane Hopwood reminded the Council of the importance of following the Standing Orders and taking a formal vote before deciding an issue.

As an aside, this seemed to me a sensible and timely suggestion for a bit of formality especially with new members of the council to consider. It might also be an idea to politely ask the District Councillor not to sit as part of the Council. This is confusing for the public. Sitting at the edge makes clear their role of being in attendance to report on matters, when asked, and to be interrogated on the performance of SLDC.

The Chairman also reported on the Green Dragon Farm Development Brief meeting attended by councillors and authorities, such as highways and utilities. The main point of discussion was around the need for light industry in the development and where, in relation to the housing, this should be sited. A comment by the district councillor implied that SLDC had already privately decided on the need for light industry – a bit worrying since one of the aims of the consultation is to decide the “overall vision for the site”. By the time BN comes out the public meeting will have happened and residents will have had the opportunity to give their views. However, the consultation doesn't close until 21 July. Check out the SLDC Development Briefs website page for details.

The Clerk had been busy researching speed indicator devices. The going price was over £3,000 and the Council decided to ask suppliers for more details. Paul Rogers, the wise voice of experience, asked that particular attention be paid to the warranty and maintenance arrangements.

During Councillors' reports (always the best bit) Moira reported that grant funding is coming in to resurface the MUGA. Alan Wren had repaired the zip wire in the playground. He had also attended the quarry time extension

public exhibition. Francis Mason-Hornby asked, following the resurfacing of Dalton Lane, that central white lines be omitted from the narrow stretches to encourage safer driving. And David Haigh reported that he had done a litter pick at Plain Quarry (in the finest tradition of a Council which gets on and does stuff.)

Finally our County Councillor, when asked, gave a comprehensive report on his activities with the Highways department – which I am sure will be reported elsewhere in BN.

## KIRKBY LONSDALE FESTIVAL OF MUSIC THE BURTON CONNECTION

Two local outfits took part in the Kirkby Lonsdale Festival of Music on Saturday 11 and Sunday 12 June.

On Saturday Evening 'T Bone' at the Snooty Fox performed a very successful set of rock and roll with a spot of blues thrown in.

During Sunday, 'Two Jazz Virgins' played their debut gig of jazz standards at Plato's which was well received. Also on Sunday, Bentham's 'I.Q' band at the Red Dragon, played a great set including a section of Lonnie Donegan's greatest hits featuring Burton's very own Paul Rossi, recently co-opted to play a very 'mean' Wash Board in a set rapturously received by a packed venue with lots of audience participation.

The Festival is rapidly becoming a fixture in the area's music scene, growing year by year, this year being the third successive event... so watch out for next year's programme.

## The Washboard King

It's not every day that I get asked for a washboard. If anyone else asks the answer is, no, sorry I'm all out of them, but that wasn't the case when I had a call from Joan Barkley, who had heard that Paul Rossi was in need of one - not, as you might think, to do his smalls, but for a skiffle group in a musical event that he was involved with over in Kirkby Lonsdale. Joan's words, "I thought if anyone would have one it'd be you" proved spot on. Agreeing that I had, but couldn't think where it was, I went rummaging in cupboards and finally tracked it down to the back of the winter wardrobe. I called her back, "Yes I have one. If Paul is still in need tell him to pop down and collect it."

Shortly afterwards a somewhat excited Paul was on the phone, "Joan says you have a washboard I can borrow?" he asked. "Not borrow" I replied, "you can have it, I don't want it back." I could almost hear Paul's grin down the phone! "I'll be along shortly." Meanwhile walking along the hall I remembered that I had some old metal thimbles in the display rack by the door, so I gave them a quick dust and popped them into a polythene bag, pinned it to the washboard frame and left it all for Paul to collect.

To say he was pleased with it seems to be a bit of an understatement: Paul's performance at Kirkby Lonsdale (part of their annual music festival) apparently brought the house down (Lonnie Donegan eat your heart out!) The washboard has been customised with extra bits and bells and we confidently predict that we shall be hearing more of Paul and his washboard band round the area!

A.N.

The house to house collections carried out during May in Burton and Clawthorpe raised the fantastic amount of £1341.79. A special thank you to Hester, Sandra, Chris and Glenys for helping us collect envelopes. We would like to thank everyone for their generous donations and continued support and efforts in raising money for the NSPCC so that we can develop and deliver vital services to vulnerable children and their families throughout Cumbria.

Thank you,  
Jack and Barbara Winrow

# Vicar's Letter...

## Trust me!

*"We know that you have been badly served by those who came before us. They made promises that they didn't keep, but my party will be radically different. Trust me. You've had enough of dishonest, self-serving and weak leaders – wait until you see what I will do for you!"* (Hopeful politician)

*"All who ever came before me were thieves and robbers ... The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full."* (Jesus of Nazareth, John 10:8-10)

Experience tells us to beware big claims. Yet paradoxically many people do trust that the parcel will arrive on time, do believe that the holiday destination will be as pictured, do even think that the government has the power to make our country great again, whilst finding Jesus' claims about giving full life unbelievable.

Why is this? Why would we be willing to entrust ourselves to the promises of fallible human beings but assume that Jesus' words are a fiction and not worth a second glance?

Did Jesus tell lies? His friend Peter reported that *"no deceit was found in his mouth"* and close friends usually know the worst.

Did he have a hidden self-centred agenda? If he'd wanted to serve himself he would not have walked into Jerusalem to deliberately give up his life as the ransom price that would secure for us the abundant life he had promised.

Did Jesus mean well but lack the power to really change anything? But that was what amazed people wherever he went; the crowds were terrified when they saw his power and asked each other, *"Who is this? Even the wind and the waves obey him!"*

So, when Jesus said that he was not like the false liberators that had gone before him, maybe, just maybe he was speaking the truth. Do you know anyone who would be a better candidate for your trust?

Sincerely,  
Graham Burrows

## Roger Reports...

from the District & County Councils

Now that the elections, are for the time being, over I have concentrated on local matters. I have now toured the entire ward twice with the highways engineers checking on what has been done, needs doing or what has not been done properly. Though NOT a complete list, Burton's highways 'issues' included: Moss Lane - sharp drop edges to be filled with stones, pot holes by the demolished pub need filling, white lines at junction with Station Road to be monitored, 'Post Office Lane' and Main Street near The Creamery to be checked regarding effectiveness of recent flood protection work, junction markings at Boon Town and Main Street to be completed, resurfacing of bottom end of Boon Town road to be assessed, pot hole on Tanpits Lane near St. James Drive to be filled, on Tan Pits Lane 'can the kerb be extended to relieve drainage problems?', Mowbray Drive footpath to be assessed for resurfacing and a pot hole to be repaired, Church Bank can the notice be altered to state where the Church Bank Gardens houses start?, 'what progress has been made about plans to extend the footpath as far as Sandy Gap?', 'can we step up speed monitoring to support repeated

requests for a lower speed limit to beyond Clawthorpe?', Clawthorpe Lane edges need filling and Pipers Lane to be assessed for future surface dressing. We have also been asked if the area outside Shoemakers Cottage on the corner of Neddy Hill is council property so that we can put it down for resurfacing.

Regrettably, I have received further complaints about SLDC's failure to collect refuse and, along with residents, I am exasperated by the time it takes to get through to the Council, the delays in making a quick response and the repeated reassurances that the 'new' (nine months old) scheme is working perfectly! Similarly, when a suspicious looking person was reported to me following recent thefts, I repeatedly failed to get through to the police by dialling the 101 number until long after the potential offender would have left the area. I have raised this fault with our new Police and Crime Commissioner.

My work on the Child and Adolescent Mental Health Enquiry has now concluded and the committee will report to the cabinet in September. I remain unhappy about the lack of residential accommodation within Cumbria for seriously disturbed young people who are now 'sent' to Prudoe in

## POLICE NEWS

### Police report for June 2016

30/5 – Report of ASB on Boon Town. Children playing with a football which hit the windows of a house.

Can we remind children especially now the summer is upon us to play nicely. To have respect for their elders, to pick up litter, to not use abusive language, to not holler and shout at each other. If playing ball, take it onto the play park, do not kick it against residents houses. If your ball goes into a back garden knock on the door and ask politely for it back.

9/6 – Report of a male entering the garden of a property in Burton, the incident was not reported until the following morning.

School Parking is still an issue. Please park responsibly and do not block residents driveways.

Speeding through Burton is being monitored and we will be out with our speed gun sporadically.

On the 15 July we will be at Burton Morewood School for an emergency services day, we will be teaching all children a variety of subjects: ASB, Internet Safety and Stranger danger.

It's a record! We have more Swifts nest in Burton this year than at any time during the past three years (since we have been counting.) At the time of writing (20 June) we have recorded no less than 22 individual nesting sites. Lots more immature Swifts will have accompanied the adults on arrival and will remain for a few weeks before setting off back on the long journey. Usually these non-breeders (which can be non-breeders until their third year) will set off on their return journey to Africa around the middle of June, whilst the mature birds don't leave until their young have fledged, which can be anywhere from about the third week in July to mid-August.

The adult Cuckoos are also on their way back, having started to leave the UK from about the 15 June onwards, and this departure will carry on until the first weeks of July. The successful young Cuckoos will start to leave us during August. It has always amazed me in that these young birds do not

have any guidance or help by their parents to negotiate the journey back to Africa, it's all down to their own volition. To think all this navigational stuff was programmed into that small egg. Also interesting to get several reports of a Cuckoo being heard over on the Farleton side.

Most of our regular migrant species have all returned OK and numbers at first counts seem to be reasonably stable (but not at all sure with the hirundines!) Although after saying this I still feel that maybe the Spotted Flycatchers are struggling with very few records again this year. And besides the migrants I am struggling to record Yellowhammers this year, but hopefully I will get some better counts over the coming weeks. During the month I have had further records of single Hawfinches being seen in the Dalton and Burton areas. Also a Ring Ouzel was recorded in early June near Whin Yeates. A rare sighting of a Firecrest near Dalton Hamlet.

Butterflies this month have included a fabulous display and the best for years of the migrant Painted Lady with several being seen in Dalton and on the Common from the 6 June onwards. Also on the same day I recorded the emergence of the Small Pearl Bordered Fritillary which could be seen throughout Dalton, Lancelot and the

Common and drastically increased in numbers over the following days. Also in the last few days (20 June) we have been honoured with the emergence of the first Meadow Browns, and Large Skippers. Also seen in numbers are the Speckled Woods.

We have done extremely well this year with the Fly Orchids showing at five different sites on Hutton Roof. Also starting to show are the early signs of the Broad Leaved Helleborines and the Dark Red Helleborines, but we should get the best of the Dark Reds from about the middle of July and the best of the Broad Leaved following on and into early August. This year will be so special with the Orchids, and I can't wait to further research our special hybrids the *Epipactis Schmalhauseneii* (hybrid between the Dark Reds and Broad Leaved of which we have about 20 in total). Also it will be so interesting to see what sort of Palens variants we will get this year (a rare variation of the Dark Red Helleborine). If we are lucky we may also get the Green Flowered Helleborine or the Heath Fragrant Orchid.

The Lily Of the Valley and the Angular Solomon's Seal will have gone over by now. Some of the other plants which have started showing since last month have been Heath and Limestone Bedstraws, Crosswort, Lesser Meadow

## Burton Children's Sports Committee

Calling all year 7 to 11 children

The Sports Committee are pleased to announce this years "BIG KIDS DAY OUT"

Venue: Paint Mine Woods, Warton

Date: 9 July

Time: Ready to sign on at 10am, pick up 2 to 2:30pm.

Please bring packed lunch, hot and cold drinks will be provided. Suitable footwear and old clothes are recommended but they do provide overalls and all safety equipment.

All we ask for is £5 non returnable deposit to secure your place, the rest of the cost is met from the funds raised by Burton Children's Sports Committee.

Please contact Nicola Stephens on 01524 782886 or leave a message on our Facebook page to reserve your place.

This event is usually a lot of fun and very popular with the kids of our village, it would be great for us to see a large turnout again this year.

Although the thought of getting "shot" in the woods is frightening to some, the full head to toe safety equipment and rules that must be obeyed and types of games organised by the marshals at Paint Mines ensure your kids have a safe and enjoyable time, yes a direct shot to the bottom may sting a little but it's soon forgotten during the action of the 3 games.

Hope to see you there.

# Burton Memorial Hall

## 1956 - 2016

Sixty years ago, on 21 July 1956 the Foundation Stone for the Memorial Hall was laid in place by James Caunt, esq, J.P. It took many years of fund-raising from 1940 by a large and active committee to be able to raise enough for the work to go ahead. Also present on the day were Mr Joe Brown (architect), Rev. J Phillips, Mr Peter Cummings (Chairman) and many villagers.

The building works took almost a year from the laying of the foundation stone, and the hall was officially opened in May 1957.

The programme of the day included the opening hymn, *All people that on earth do dwell*, followed by prayers and speeches, the dedication by the vicar, the Rev. Phillips, and the closing hymn, *Oh God our help in ages past*.

**The Committee: (above)**

Front row (left to right) Mr W Winstanley (school headmaster), Mrs Jean Casson, Mr R Yates, Mr L James

Back row (left to right) Mr Joe Brown (architect), Mr Herbert Leeming (vice-chairman), Mr James Caunt, J.P. (president), Mrs Peter Cummings (chairman), Mrs E H Wolton (treasurer), Mr William Newsham (hon. secretary)

The Memorial Hall is still central to the community which brought it into being, and is still managed by a committee of volunteers. If you would like to help the Hall carry on for the next 60 years why not get involved? Come and join in activities or events, or volunteer for one of our Summer work parties that helps maintain the Hall. We are always in need of people to paint walls, fix things, & get rid of weeds!

## Historical Footnote...

... by Roger Bingham

### WET WARS

Most local people know that in the 1745 Rebellion Bonnie Prince Charlie and his Scottish Jacobite forces advanced and, later, retreated through Burton.

Yet, a century earlier, the village was affected by longer conflicts swirling around South Lakeland during the Civil Wars between Royalists or Cavaliers and Parliamentarians or Roundheads.

In 1643 Sir George Middleton of Leighton Hall gathered local Cavaliers and splashed across Morecambe Bay to Furness where they were defeated at the Battle of Swarthmoor. Next year, retaliating Royalists under the Sir Marmaduke Langdale swept through South Westmorland.

But, going on into Yorkshire they were defeated at the Battle of Marston Moor. Afterwards, fleeing Royalist remnants were harried near Burton by Parliamentarians advancing from Lancaster under Colonel Briggs.

Traditionally they skirmished at the top of Dalton Lane on a site now marked by 19 trees 'one for each man killed'. Then, after a lull of two years, during the

Second Civil War, the whole area was assailed by a 20,000 strong royalist Scottish army under the Duke of Hamilton, who, the inhabitants moaned, 'brought lice and Presbyterianism with them'.

Meanwhile, in July 1647, Royalist troops, crossed the Irish Sea from Ulster to Lancaster, and then meandered around Burton until they joined the Scots near Kendal. At this point they encountered Kentdale's most notorious element, the weather. It rained and rained.

Forced to shelter for a week they stripped the district of human food and, also, of horse fodder safeguarded from the sodden summer's scanty hay crop. They then squelched southwards in the unremitting deluge. Going via Hornby, they evaded Roundhead forces in Lancaster, only to be eliminated by Oliver Cromwell's Ironsides at the Battle of Preston on 17 July.

Finally, to the relief of residents, out of the original 20,000 invaders a mere 800 cavalry and 1,200 foot trickled back, in the northward retreat, through Burton and, still, it kept on raining.

## Cumbria Family History Society

Cumbria Family History Society, which has more than a thousand members worldwide, held their 8<sup>th</sup> Summer's Day Meeting at Burton Memorial Hall on Saturday 11 June. The event was coordinated by Kath Hayhurst, who has been a member since 1978.

The morning lectures were by Ian Sharp from the Lancashire Family History and Heraldry Society. He spoke about how to trace your family history and mentioned the various websites now available to help people with their genealogy problems.

After coffee, Ian told the true story of how he found his father, and the many twists and turns that fate had decreed. He eventually met his father only a few years before he died.

Following lunch, John Campbell gave a well-researched history of Bowness on Windermere - its people, fishers and farmers. He gave many of the names of families who lived there in the 16th century onwards and some of their descendants have never left.

The Annual General Meeting followed, then a fascinating talk by Margaret Gowling about life on the edge at

Brough under Stainmore, where life was very hard and short. She regaled the audience with many interesting tales of their lives.

Janette Dobson once again catered throughout the day and Dorothy Spencer ran the bookstall. For further info on Cumbria Family History Society see [www.cumbriaafhs.com](http://www.cumbriaafhs.com)

## Holme Cricket Club

The season is in full flow now and the Club has made its most successful start to the season for many years. The 1<sup>st</sup> XI have won all 6 matches that they have played to date with recent league victories coming against Ingleton and Heysham A. Lee Barnes scored a century in the match against Heysham. Maximum points in the first 4 matches mean that Holme are top of Division 3. In addition they have won through to the 3<sup>rd</sup> round of the Hackney & Leigh Cup by defeating Burneside A and Carnforth 2<sup>nd</sup>. Their reward for this is a much more difficult trip to first division Milnthorpe.

The 2<sup>nd</sup> XI have had recent wins over Leven Valley and Trimpell A as well as a winning draw against Coniston A where Trevor Metcalfe scored 81. This run of results has put them top of Division 4 though there only a few points separating a handful of teams.

The Junior section is thriving both on and off the field. The Under 11's have beaten Burneside and Sedgwick recently and the Under 13's have made it 3 wins in a row with recent successes against Ambleside, Kendal and Carnforth. The Under 15's only have 6 league matches this year and after an opening defeat against a very strong Torrisholme side, they bounced back

with victory at Bolton-Le-Sands. Each Junior match is an event with barbecue firing and the bar open so if you haven't experienced this yet come on down. In recognition of how vibrant the Junior section is, the Club was selected to host its first County game when Cumbria under 12's hosted Cheshire under 12's. This was a fantastic occasion with sunny weather and large crowds and we hope we can do it again.

Following months of deliberation, it was agreed at June's committee meeting, that we would press ahead with some significant changes to the buildings at the ground. Final plans haven't been confirmed but the level of support that the Club has now demands that some of our facilities should be updated. We hope to extend the tea room/bar area into the open corridor behind, form a distinct bar area with lockable grills, locate all of the fridges in one part of the room (behind the bar), add to and upgrade the ladies toilet area and refurbish the room in general. Hopefully, we can extend the work to covering the gap between the changing room and the garages and to cordon off and cover the gent's toilet area. We don't expect work to begin until after the cricket season but in the meantime we will be exploring as many grant, sponsorship and fundraising opportunities as we can in order to get

## Editorial...

### What a lot we got!

Yet another bumper edition of Burton News this month, at this rate it will be a book rather than a magazine! No complaints of course, it's good that so much is going on in & around Burton and BN is getting told of it happening. Also good is that we are getting reports of the event afterward (big hint) so others can know what they missed and make a note not to miss the next one.

### What a lot we got (2)!

Weather that is. Surely can't just be us who think the extremes of heat / cold / dry / wet are getting greater (sillier?) as the years roll on? Certainly the roads are taking a hammering and keeping up with pot holes is a battle. Keep on reporting these too, after all in these days of spending cuts the saying "squeaky wheel gets the grease" is ever more apt.

### What a lot we can throw away!

Everyone should have a portable swimming pool from the council by now, cleverly disguised as a plastic and tins waste bag. No worry about the size as it can hold quite a bit but the 'sealed top' is a bit of a disaster. Oh well, at least the contents will get a good rinse out courtesy of those fluffy things in the sky. Though a drain hole or two would have helped, cutting the corner off isn't ideal.

### What a great village we have!

The BN annual donations round is over for this year and once again you have done your bit to keep us going. The box in the village store may be gone by the time you get this but they will still take donations for BN along with articles for publication. Once again, thanks for being a great village!

# What's On at the Heron Theatre Beetham

Registered Charity No. 501134

**Friday 1 July 7.30pm**

**SUNSET SONG (2015) [15] 2 hours 15 mins**

Cast: Peter Mullan, Agyness Deyn, Kevin Guthrie

Set in the rural community of Kinraddie, Scotland, this film is driven by the young heroine Chris and her intense passion for life, for the unsettled Ewan and for the unforgiving land. As the approaching war brings the modern world to bear on the rural community, Chris must endure against the hardships of rural Scottish life and draw strength from this ancient land.

**Friday 5 August 7.30pm**

**X + Y (2014) [12A] 1 hour 51 mins**

Cast: Asa Butterfield, Rafe Spall, Sally Hawkins

Teenage maths prodigy, Nathan, struggles with people, not least his single mother (Sally Hawkins) but finds comfort in numbers. Mentored by an unconventional and anarchic teacher (Rafe Spall), Nathan's talents win him a place at the International Mathematics Olympiad in Taiwan. Here he is faced with many challenges, in particular his new and unexpected feelings for his beautiful female Chinese counterpart. There are some marvellously nuanced performances in this very likeable, perceptive and ultimately uplifting film.

Unless stated otherwise,  
tickets for theatre and music are  
Adult: £12, U18s: £5, Members: £10

Tickets for films are £5

Doors open 6.45pm. Shows start 7.30pm.
