Dear BN,

Why is Burton not worried about the biggest problem we have had for years and which is now very urgent.

In the last Burton News we were informed that the Pre-School was moving venues from the Hall to the School. I'm interested to know if anyone has thought about or prepared for where these parents are now going to park.

For obvious reasons, they can no longer park at the Memorial Hall. The Hall will require their spaces for the new Hall supporters. What plans have the School made for this enlargement? Have they even considered this.

I ask because I live across the road and parking has been a perennial problem for those of us living in the School's vicinity. The School did make a big improvement but some parents are no longer cooperating. My own anxiety was raised a few months ago where a pupil's father in impolite language, scorned the School's notice about parking by the gate, and blocking access. This attitude is not helpful to all

the ambulances, doctors, nurses, carers, friends etc, who now visit daily. They are concerned about the parking, and their need to have quick access.

Although I am obviously concerned about my own situation, I am also concerned about parking in the whole village. We have to look at how the situation has changed and by listing our problems and doing some thinking and be pro active. The School has coped by turning pupils play areas into car parks. How are they expecting Pre-School workers and children to cope? Are more play areas going to be used for parking? Is the School anticipating more development?

Very soon, a decision will be made about what will happen to the site of the Royal Hotel and the land surrounding it. This land is now being used by the nearby houses and others as a car park. Where are they going to go once new ownership has been accepted? Also there is soon to be an expansion of house building in the village. I assume these houses will be built with suitable parking. We should also be aware that now it's not just one car per family. We are now in a situation where one family can have many cars.

We have a growing village, which will increase our road use. Is this being considered in planning? Indeed is this

village concerned that we have a problem which is in need of thought and planning. We are all participants in this - who is going to take this issue seriously before crisis point?

Alison Murphy, Morewood Drive.

Dear BN,

As the mother of a young man with an acquired brain injury I feel I have to write to counter the negative (bordering on hostile) discussions by certain villagers in parish council meetings, the Westmorland Gazette and equally within your pages in relation to the new care home/planning applications.

I find it incredulous and shocking in 2017 to read in print terminology that belongs firmly in the 18<sup>th</sup> or 19<sup>th</sup> century and am surprised to discover how the issue is not the problem but rather the approach to the issue is. Am I the only one who finds it deeply offensive to read claims that "they" should be housed outside the village or on the outskirts rather like lepers in historic times? Frankly it leaves me shocked and horrified at the unwelcoming attitude of certain citizens in this village who rather than view the experience as something which has the potential to enrich their life and culture alongside open mind-sets thereby removing

antiquated stigmas in relation to disabilities and differences would rather instead condemn and attack and show zero tolerance. Indeed I don't know about you but on that basis I find it amazing the NIMBY culture somehow view having their narrow and frequently offensive perspective aired in a planning application process is somehow beneficial to the integrity and moral compass of the community as whole!

Indeed it would be rather pleasant in this unpleasant world to encounter positive empathy and understanding of those differences and disabilities rather than resentment. Perhaps Mr Bingham would be better suited assessing the progress and "impact" of those stuck in historic pathways with negative views on those with emotional and psychological needs/mental health etc. on the actual individuals concerned and their families fighting to break down barriers, prejudice and indifference on a daily basis.

Despite the severity and complexity of his disability my son battles on to live as "normal" a life as possible which on my observations is quite humbling and puts fully into perspective any issues I have on a daily basis. Yes he may shout out loud occasionally but that is because his seizure activity is high and triggered nothing malicious merely

medical and unlike our Saturday night revellers he has no choice and no control. Guess that is enough to endure zero tolerance and condemn him to some remote area of the village! Strange world isn't it?

## PC Observations...

Reporting from the  
Parish Council meeting

Councillors were rather thin on the ground at the 18 August meeting prompting Chairman Alan Wren to question the wisdom of meeting in mid-Summer. Business was rather thin too. The most interesting topics were:

1. The prospect of B4RN (Broadband for the Rural North) coming to Burton. B4RN is a professionally designed fibre optic broadband network, registered as a non-profit community benefit society, and run by a dedicated local team with the support of landowners and volunteers. It offers 1,000Mbps FTTH broadband to every property in the coverage areas, costing households only £30 per month. Francis Mason-Hornby spoke in support of the idea and advised that, as part of housing development in Church Bank Gardens, the capability for B4RN to be available in Burton was available. Councillors agreed to invite a speaker from B4RN to address the Council in the near future.

2. Approval of a planning application to build a single-storey extension to the primary school for pre-school and after-school education/activities. Although there has been an objection from a

neighbour on the grounds of even greater parking congestion around the school, councillors had no objections to the application. They did however call for the school to reconsider its opening hours to spread out the parking load at the start and end of the school day.

3. The PC looks after Plain Quarry, with the support of Forestry Commission maintenance resources. However the FC is no longer able to continue helping to maintain drains, benches, fences, steps and gates. Councillors Jane Hopwood and David Haigh have carried out a review of the maintenance work required. They will ask the PC to stump up £300 to take over the work. Using their own labour and 'donations' of materials from local business, they think this will be enough. It's a community resource maintained by community resources. Thanks to all.

4. Another Burton community project is the reprinting of Kath Hayhurst's publication of pamphlets about Jubilee Walks around Burton. Francis Mason-Hornby has offered to find the funds to do this. Many thanks to him.

5. Councillor reports (Alan Wren, Francis Mason-Hornby) included the nuisance of known offenders roaring round the village in their cars. Although the police have been informed, they take no action. Youths have also been

breaking into unoccupied houses in Burton. Alan Wren has been digging out drains in Tanpits Lane. Paul Rogers has been hassling the county council to cut back overgrowth in Slape lane and reporting dangerous potholes. Roger Bingham has been investigating the options for reducing flooding risk at the bottom of Tanpits Lane.

Overall, a distinctly community project feel to August's meeting. Thanks to all.

## The Little Cumbrian Tea Room

I am happy to announce that The Little Cumbrian Tearoom at 3, The Square, is scheduled again for Saturday 2 September. This year we would like to raise money for the Christie Hospital. Earlier this year you will be aware that the Christie Cancer Research laboratories were devastated by fire. It would be wonderful to think that we had contributed to the re-building of this amazing facility.

Once again we have decided to keep the formula unchanged so that, as previously there will be 'sittings' at 10.30, 11.30, 1.30 and 2.30. However we are increasing the price to £8.00. There will be freshly baked scones with fruit and cream, a lavish variety of fresh cakes and as much tea or coffee as you can drink....and of course the live piano! We are toying with the idea of offering smoked salmon sandwiches at the 1.30 and 2.30 sittings. Whatever next! We also have a Sherwood Luxury Picnic Hamper that has been generously donated for the raffle.

If you've been before, please come again. If you haven't, you're in for a lovely surprise. To reserve your table please call 01524 781350. We look forward to welcoming you.

# Deputy Lieutenant Peter Smith

Air Commodore Peter Smith has been appointed as a Deputy Lieutenant of the County of Cumbria.

Peter retired from the Royal Air Force in 2001 having served since 1965 as a Navigator on Maritime Patrol Aircraft and in other roles involved in testing and evaluation of new equipment and in staff positions in MOD and other HQs.

On retirement he settled in Clawthorpe and quickly became involved in village life by joining the Burton Voluntary Car Scheme and as Volunteer Manager of

the Local Nature Reserve. He also served as the Burton in Kendal Parish Clerk, followed by a period as a Parish Councillor. In the wider county scenario he serves on the Cumbria County Council Community Transport Forum and on other groups looking at the particular problems of transport in a rural area.

An active member of Kendal Rotary Club he served as President in 2016/17 and is currently Chairman of Trustees of Age UK South Lakeland.

Despite these and many other commitments in South Lakeland he still retains his position as under-gardener at Pipers Barn!

## **Village Store Renovation - 2nd phase is finally here!**

Many of you have already seen the results of Stage 1 – our “posh” refurbished store room. In Stage 2 there will be a complete makeover of the shop from top to toe: new ceiling, lighting, shelving, floor etc... but why?

It seems like only yesterday that we arrived in Burton to start a new phase in our lives. As we look in the mirror and see the multiplying grey hairs (in HIS BEARD!) we realise that more than 10 years have passed. We have really enjoyed being in Burton, appreciating the warmth of the village community and we are determined to try our best to secure the future viability of Burton Village Store, but much has changed. We have a new pound coin, plastic banknotes and Wayne Rooney no longer plays for Man. U. But seriously...

The banking crisis, the rise of online activities (shopping, bill-payments and information access including daily news), a plethora of new legislations, have resulted in changes to traditional customer habits. The range of products offered by the Post Office (an important aspect of our business) also continues

to change. In this environment, like all businesses, we must re-evaluate our offerings and trading practices.

It has taken us a long time but, after many hours of talks with the Post Office, professionals, shop-fitters, suppliers, each other and much silent contemplation, finally we have decided on a vision for the future. This starts with a major refurbishment.

We will replace the existing PO fortress with a modern open plan version, located alongside a new extended retail counter. This will give us greater flexibility and allow the post office to be available for longer hours. The space freed up by the old PO fortress gives space to extend our range of fresh and frozen products. We have long-intended to improve the quality of the coffee to go, this will finally become a reality and the new environment, with more chilled space, will allow us to offer a wider range of last-minute food solutions. We also plan to be open for longer hours so we are there when the late commuters return from work.

Fingers crossed, this will all happen during the last two weeks of October. Realistically, in order to complete the renovations the shop has to close.

We are grateful to the BMH Committee, and the regular users of the Club Room, who have kindly allowed us the

## A very early note about Christmas Posting

We were concerned that the closure of Burton Post Office should not impact on your ability to post your Christmas presents. The last recommended posting dates for 2017 haven't been published yet but, assuming they are similar to previous years:

End of September:  
Surface Mail to non-European destinations not mentioned below

Mid October:  
Surface Mail to South Africa, Hong Kong, Singapore, the USA & Canada

Burton Post Office is expected to be open for all these dates.

We will close for 2 weeks but should be open before the next group...

Early & mid-November:  
Surface Mail to European destinations

December:  
Air Mail to all destinations

I hope to publish the exact dates in the October Burton News and at the Post Office Counter as soon as we have the dates confirmed.

## HISTORICAL FOOTNOTE

by Roger Bingham

### THE LAST BURTON SHOW

sequel to August's Footnote  
on the First Show

On the 1 September 2000 The Westmorland Gazette reported the Show held the previous day on a weather-scourged hillside at Kellet Road, Carnforth: *"A stunning display in slippery conditions from the Chariots of fire team was the centrepiece of the 135th annual Burton Milnthorpe and Carnforth Show. Ponies almost flew over jumps pulling carriages behind them, and then negotiated a bridge of billowing smoke while Susie the specially trained stunt cow was a real crowd pleaser with her horse antics. The five year old Belted Galloway had been trained in the same way as a pony."*

Not surprisingly, the Show President Mrs Margery Parsons who, with her late husband Bill (President in 1972), had farmed at Overthwaite, near Holme, commented, *"In spite of many hardships in agricultural circles I found a wonderful show where the quality of the stock and great workmanship have come to the fore."*

Traditional show animals were exhibited along side more exotic breeds like Llamas and Alpacas. John Garnett of Ackenthwaite Farm, was over the moon when his cow *"Ulpha Astre Whinfell secured overall dairy champion at her first ever show. She calved about 10 months ago and she's still doing 34 litres a day."* In the beef classes Ian and Angela Grisedale of Greenmount Farm, Milton, had a string of successes.

In sheep Glen Shapiro, of Silverdale, triumphed with a Blue Faced Leicester aged ram. Altogether the sheep classes attracted a rise in entries from 180 last year to 240. The introduction of sheep classes for Swaledales and Herdwicks helped to boost numbers and light horse and dog entries were also up.

Riders paraded round the arena despite the rain. Nathalie Lindsay of Bolton le Sands on Riccalton Velvet was the proud winner in the Pony Class *"although"*, she explained to the Gazette, *"it's the first time I have ridden her."*

The craft marquee boasted everything from home-made produce to leather goods, miniature ornaments, walking sticks and com dollies.

Well it keeps coming around but oh too quickly for me!

When our Swifts disappear from our skies and the screaming stops so abruptly – no more entertainment from those special aerial acrobatics dashing up Main Street with only a foot or so from the tarmac road at times, or chasing one another in a noisy screeching regimental display like a team of “red or black arrows” with the ultimate precision. Well already I may be getting withdrawals and must now accept that their twelve week season is again over for another twelve months.

For the village Swift watchers it’s been a funny sort of season, with very few birds seen during the normal daylight hours, and we think they have been getting the bulk of their insects from outside of the village. This year we expect that at least 22 nest sites have been occupied within the village producing at least 35 young birds (estimated) which is more or less in line with most years.

We think the bulk of the Burton birds

left us in three separate departures with a lot of birds on the morning of the 6 August, then a secondary bulk departure of at least a further 20 plus on the morning of Friday 11 August, and then a final small party of eight or so on Sunday 13 August. But that is not the full story! Because as I write this column (18 August 2017) I did see a straggler Swift still hawking the skies last night just behind the King’s Arms, we suspect that the bird is part of a pair which has nested on the front of the Royal Cottage building, and so it will be very interesting to see just how late this birds goes! So it’s eyes to the sky for a few more days yet! On behalf of Burton folk thank you Swifts for yet another great year and have a safe journey back to the African Congo, I suspect most of you are well on the way.

Oh it’s been a good year for our Orchids (a real cracker!) with record numbers of Dark Red Helleborines and also Broad Leaved Helleborines, just on Burton Fell I reckon I counted over 650 Dark Reds and 138 Broad Leaved, but I guess on the whole of Hutton Roof there could be in excess of 2,000 Dark Reds and maybe some 400 Broad Leaves. The season produced some stunning looking plants and, like most years, some of them were extra special with several varieties, and not only that we also have the rarer suspected hybrids amongst them. Like most years

I have taken lots and lots of photographs of our orchids and you may wish to check them out on my orchid devoted website (see link below). There is so much interesting stuff going on up on the Fell but, again as I write, the Orchid season comes to an abrupt end, so I must now try and catch up on my records and writings over the coming months. I guess we still have one flower which should be at its best right about now and that's the "Fellwort" or "Autumn Gentian" (*Gentianella campestris*). I have recorded this just leaving the Trig heading East, or leaving Uberash Breast heading down the footpath towards the parking areas – almost following a horizontal line of Burton Fell boundary wall. It's also seen on the footpath heading from Clawthorpe Lane park up area heading towards the Farleton side yet keeping tight to the boundary wall on the west side.

Most of the summer butterflies have now dropped off, although we are still getting lovely Peacocks, Brimstones and Commas, but as I write I am seeing very worn Meadow Browns and good numbers still of the White butterflies. Also lots of dragonflies this week in particular, they are so flitty as they fly over the bracken of the Burton Fell areas.

Thankfully we still have lots of

Swallows and House Martins in the village and over the coming weeks I will prepare myself for starting off with the "Visible Bird Migration Counts" which I tend to do annually usually from good watch point areas highly elevated on Vicarage Lane, although sometimes (depending on the species, weather and winds) I do also sometimes observe from up near Whin Yeats, e.g. Whin Yeats is best for moving Meadow Pipits N to S direction, and Vicarage Lane is best for moving Chaffinch NW to SE directions. I guess we are so lucky to have all this happening on our own doorstep! It really is so satisfying to be able to see such spectacles, the only drawback might be that I need to set my alarm clock much earlier, because it is the "early bird" hours that are the best.

If you do want to check any of my "Wildlife Blogs" maybe I can suggest you head to...

## DO YOU KNOW YOUR ONIONS?

### 41<sup>st</sup> Annual Onion Show Sunday 1 October King's Arms Hotel

It's getting close to that time of year when you need to polish your onions, and pull your leeks - it's ONION SHOW TIME! This is the 41<sup>st</sup> Onion Show and, as usual, we are looking to make this a great family event in the King's. So keep the 1 October free and come and join us.

Remember you don't have to be Alan Titchmarsh to enter, there is a class for everyone: from the perfectionist to the total beginner, you can even enter your disasters!

If you are not a grower then get cracking in the kitchen with a cake or maybe a tray bake, every entry counts; we have four classes for the children this time with our new class, "make a scarecrow", that should get you all thinking. It's all in a good cause, raising money for the kids in the village, and also putting money towards the ever-present battle against cancer. This year, as every year, we are on the lookout for anything we can put in the Auction of Promises: if you can help us with this please contact Neil or Carl.

If you have never been you don't know what you are missing; there will be the usual kids' entertainment, giving mum a chance to have a cheeky prosecco, and when was the last time dad had lunch time pint and at the same time did his bit for charity? It's a win-win situation. The Onion Show only happens once a year, come and be part of it.

If you can help us please contact Neil – 07805 497885 or Carl – 07866 456677

Can last year's trophy winners please return them before the day to Neil or Carl, or drop them into the King's Arms. Thank you.

Entries in by mid day.

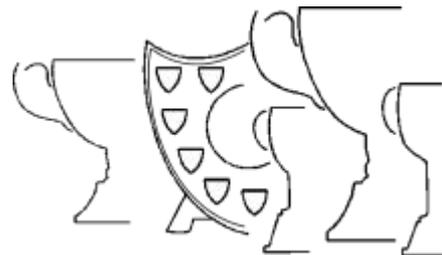

Auction starts at 2pm.

Numerous top class Lots and Promises.

Raffle and children's competitions.

Food and drink available all day.

Children's entertainment.

# Roger Reports...

From the County & District Councils

Holme Park Quarry from the Nature Reserve  
© 2010 Barry Morgan

July brought a disappointment at the county's Development Control & Regulations Committee. After one of the longest debates I can recall concerning Lower Kentdale the DC & R decided to give full approval to the application to extend the workings of Home Park Quarry, both in years and in the depth and extent of the excavations.

Along with four members of the public (representing Clawthorpe residents) we asked for reduced blasting levels as the impact of some detonations had reportedly damaged properties especially to double glazing. It was contended that the problem might be mitigated by reducing the operation area in the part closest to the houses on Pipers Lane. I believe that many members of the non-politically motivated committee might have accepted this modification as it would only have had a miniscule affect on production. But following advice from a senior officer backed up by the council's lawyer we were told that no modification could be made to the application - so the amendment to restrict the area was lost. Although I, along with most local people, support the Quarry's regional and national contribution to the economy I am considering seeking other opinions about the validity of this legal ruling. If you have any other issues regarding the Quarry please let me or the Parish Council know and then we can inform the Quarry Liaison Committee.

Unfortunately because of a timing clash with DC & R I had to miss the Police and Crime Commission meeting. But, in

the meantime, I am seeking views on a proposed amalgamation of the 'Blue Light' Police, Ambulance and Fire and Rescue Services.

I have also reported fresh complaints about delayed responses to the 101 police Help Line and have heard further grumbles about mistakes made by SLDC's Refuse Collection Service which has 'missed' some bins and boxes. If you have any refuse problems please, initially, ring SLDC at 01539 733333.

On 4 August I made a detailed tour with the Chief Highways Engineer of our area's problems, like the entrance to Church Bank Gardens, white line improvements and flooding issues on the A6070 and, the complex drainage on Tan Pits Lane.

My best wishes - despite the rainy season,

Roger

## Holme Cricket Club

Holme 1<sup>st</sup> XI are still in the top 3 of Division 2 though promotion hopes have been derailed of late due to the weather (no play against Bare and Coniston) and two narrow defeats against Ingleton and Shireshead A. Ingleton scored 141. Lee Barnes took 4 wickets. In reply, Holme were all out for a disappointing 111 with only Mike Halhead (43) putting up much of a fight. The match against Shireshead A followed a similar path. Despite missing several regular bowlers, Jim Bennett, Ryan Teasdale, Steve Gosling and new signings George Pickering and Matty Wright, restricted Shireshead to 139. The batting was poor but was partly rescued by Pickering (37) and Ryan Teasdale (52) who carried the side to the verge of an unlikely victory with career high scores before Holme were bowled out for 131.

The 2<sup>nd</sup> XI have found victories hard to come by. The team were heavily defeated at Morecambe by 7 wickets. After making only 62, Holme were soundly thrashed as Morecambe knocked off the runs in only 7 overs. Finally, 15 points was achieved, but in an unsatisfactory manner as opponents Coniston were unable to raise a side. Despite the results, enthusiasm

remains high. To have 11 players week in week out is a success in its own right.

The Junior section has completed its League fixtures. In addition, the Under 16's reached the Cup Final. Despite losing to a strong Kendal side, this was a fitting reward for the effort that a lot of these players have put in since the Junior section was formed several years ago.

Finally, the Club received some tremendous news when it was awarded a grant of £3,000 from The Hadfield Trust. This is to be used towards the facilities improvement project. Now to get started!

Fixtures in September

Sat 2<sup>nd</sup> - 1<sup>st</sup> XI v Netherfield 3 (1.30pm start).

## NSPCC Statistics

There are, at this present time, 143 children subject to a child protection plan in Cumbria. There were 429 sexual offences against children recorded by Cumbria Police last year. In 2015/2016 Childline volunteers delivered over 300,000 counselling sessions to children and young people. We estimate around 2,500 of those children lived in Cumbria. 312 calls and emails to our Helpline about children in need of help in Cumbria last year, 238 of those were serious enough to be referred for further help from Police and Social Services.

## Burton Memorial Hall

### Thank you!

Thank you to those people who came along and helped with painting in the hall during the summer break. There is still more to do, but much of the hall is now looking much fresher.

Also a thank you to David Holmes who trimmed back the overhanging vegetation for us at the north end of the car park. It has made the kitchen much brighter now the overhanging branches have been removed.

Again there is still some clearance work to be done along the hedge base, so if anyone fancies helping out you'd be very welcome. Just give me a call on 781306 so we know when you want to do it.

### A Reminder

Can we also remind everyone that the hall's car park is for the use of booked in hall users, not for the long term storage of untaxed vehicles as has happened several times this year. Any such vehicles will be reported to the council and the police as they cause us problems and can be a hazard to hall users.

### What's On at the Hall?

If you enjoy the music of Simon & Garfunkel why not come along on Friday 8 September to see Tim Chu and Ian Bailey in their S&G themed music night. They performed in the hall a couple of years ago and went down well, so we are delighted they are coming back for a reprise. Tickets are on sale at the Village Store now.

The Hall's next fundraising event will be

our Scrumping Saturday, which will take place on Saturday 14 October, 12 noon - 3.30pm. It will be a celebration of all things apple related, so please put the date in your diary and come along and enjoy a fab afternoon of apple-themed fun and food.

Although it is only September, can we remind you that we have four Christmas Bingo dates again this year, starting from 23 November - all dates may be found on the back page events listing.

Our next Management Committee meeting will be on Monday 25 September, if you want to raise any issue regarding the hall please do get in touch with the hall's Secretary / Manager Helen Dawson, or me.

# CUMBRIA POLICE NEWS

## INCIDENTS OF NOTE

Within the wider area that your parish falls in the last month there have been 50 incidents reported, resulting in 9 crimes being recorded. Only one crime with community impact relates to the parish: 10 August clothing was stolen from an insecure vehicle on Morewood Drive.

## CRIME PREVENTION

Any suspicious activity/vehicles please contact 101. Also during warmer weather do not risk sneak in burglaries by leaving doors/windows insecure.

## PARTNER AGENCY MESSAGES

Please be aware of a recent telephone scam relating to PPI where the caller has promised a sum of money to be paid if the victim puts cash onto an iTunes card for collection by their representative.

Under no circumstances should cash be paid upfront for any such service and no legitimate company would request this.

## LOOKING BACK...

### Make the punishment fit the crime?

Rummaging around in the archives I sometimes find snippets relating to Burton in years gone by, and copy them for possible future use or reference. The one below emerged from a folder on my computer whilst sorting stuff out this week, and re-reading it makes me realise just how incredibly harsh punishments were for what appear to be minor crimes, the sort of offence that now would elicit a fine or a suspended sentence. How times change!

*1806 18 April. Ric. Bush, parish of Burton in Kendal, labourer, for stealing 1 lb. of cow's hair, value 10d., belonging to Edm. Harrison, sentenced to imprisonment with hard labour in the Ho. of Correction at Kendal, for 2 years; and on Whitsun Saturday next, between 11 and 12 a.m., to be stripped naked from his hips upwards and publicly whipped with a Cat with Nine tails, from the Town Hall (Market Place) to the top of New Street and back again. Kendal Order and Indictment Book, 1798–1811.*

I can't help but wonder what he would have needed the cow's hair for though, can anyone tell me?

## Editorial...

### Vehicles (moving)

Reports of noisy cars, speeding cars in and around Burton but thankfully accident free - for now! Just a reminder that it only takes a moment's distraction to turn your ride into a wreck so ease up on that right foot?

### Vehicles (stationary)

Like all rural villages Burton was not laid out with motorised traffic in mind so parking for these modern necessities is always going to be a contentious issue. However it's also not going to go away, so we all need to be careful that where we park isn't causing an obstruction or making it dangerous to pass. If that means having to walk from where you can park safely to home then that's part of village living, and surely only a minor downside?

### All Change!

A reminder that October 15 sees the old £1 coin cease to be legal tender so check those piggy banks, and either spend them or get them changed at the bank for the new versions before the old ones become defunct.

### Village Store change too

Well it's been a long time in the planning but the re-vamp of the shop and post office will be getting under way next month, and we'll keep you updated as to progress in the next issue too. In the meanwhile, if you want to know more just ask in the shop and they will be able to tell you all about it.

### It's Busy Again!

After last month's smaller issue we are back to a packed 32 page one this time, do keep things coming in, we love to hear from you!

Anne & Barry

## What's On at the Heron Theatre Beetham

Registered Charity No. 501134

**Friday 1 September 7.30pm**

**Manchester by the Sea** (2016) [15]  
137 Mins

Kenneth Lonergan's drama about how a death in the family forces a small-town New Englander to confront a past tragedy anew.

**Tuesday 12 September 7.30pm**

**BARNABY RUDGE**

NTC Northern Touring Theatre

Set against the backdrop of the Gordon Riots of 1780, 'Barnaby Rudge' is a story of mystery and suspense which begins with an unsolved double murder, goes on to involve conspiracy, blackmail, abduction and retribution, and features Grip, a talking pet raven.

**Friday 15 September 7.30pm**

**A CARTOON HISTORY OF HERE**

Comedy, cartoonery, poetry & improv! Created by the evening's audience with Yorkshire poet, broadcaster & comedian Ian McMillan and Cartoonist of the Year, Tony Husband. A fast-flowing, rapid-rafting adventure in which two top funny men reflect upon local stories and legends.

**Tuesday 19 September 7.30pm**

**The Handmaiden** 144 mins (2017) [18]  
(Japanese - subtitled)

This brilliant adaptation of Sarah Waters' novel "Fingersmith" is a beautifully filmed erotic drama of passion and betrayal set in 1930's Japan and Korea. It is the story of a beautiful young Japanese lady living on an isolated estate with her eccentric guardian. A young Korean woman is hired to serve her as her handmaiden but she is in fact a part of a confidence

trick to defraud her of her large inheritance. The twist at the end is both surprising and satisfying.

**Saturday 23 September 7.30pm**  
**TWELFTH DAY**

Orcadian fiddler Catriona Price and Peebles harpist Esther Swift, a decade-long musical partnership, friendship and shared humour. In their own words, this is not so much a duo, but a two person quartet.

**Friday 29 September 7.30pm**

**BECKETT'S LAST ACT** (Isosceles)

Mora Grey worked alongside Samuel Beckett at the Royal Court Theatre in the 1970's - what was he really like? In her play, based on a true story, we find out, as we see Beckett in a theatre setting, deeply troubled by the latest production of his acclaimed play 'Krapp's Last Tape'. Beckett's looming presence disturbs the Director, the Designer, the Wardrobe Mistress, the Flyman and the Actor. This disturbance leads to unexpected and tragic events.

**Sunday 1 October 2.30pm**
