Readers'

LETTERS

No Letters this month!

Thanks!

A very big thank you to all the people who gave me presents, flowers and cards on my retirement from the village shop. I have really enjoyed the past 38 years serving all the customers past and present and made many new friends.

Thank you to Gill and Akis and the girls for giving me such a lovely send off on 4 May and for the beautiful gifts and super meal.

I will miss all of you.

Huge thank you,

Barbara

The Word From

BURTON MEMORIAL HALL

Our new series of fundraising Nature Talks at the Hall has proved popular this year, so a big thank you to everyone who has supported them thus far, and we hope you will enjoy the talks we have lined up for the coming months.

In June, in support of Swift Awareness Week, the talk will be preceded by a short walk along Main Street from the Hall, past the Royal Hotel as far as Manor House and back to the Hall so we can see where the current Swift nesting sites are. The walk will be led by Bryan Yorke and Reg Hesketh and take up to 30 mins. (If the weather is too bad then we have an alternative indoor option planned!) Once back in the Hall there will be tea and biscuits followed by a short Swift update presentation (approx. 30 minutes) by Bryan Yorke. The date will be Thursday 28 June, and we will set off from the Hall just after 7.30pm.

In July we will be having a night of bees with Dr Fred Ayres of the Lune Valley Community Beekeepers group. This will be on Thursday 26 July at 7.30pm and we are delighted that it will comprise two interesting talks separated by our usual tea and biscuits.

"Does the honey bee have a future?" (approx 40 mins) will be followed by "The changing face of beekeeping" (approx 20 mins) which looks at the new thinking about bee husbandry focused on the needs of the bees rather than the needs of beekeepers and the production of honey. There will be time afterwards for questions. The Lune Valley Community Beekeepers have a

holistic approach to beekeeping, which means their interests are not only directed to the needs of the bees but also the environment of which they are an integral part.

On Saturday 3 November we are holding a one-day Artisan Fair in aid of Hall funds. The aim is to fill the Hall with tables selling home made or artisan items and foods, rather than just craft/art items. Anyone who wants to book a table please get in touch with Anne on 781306.

Burton News Annual Appeal

Thank you to all those readers who have donated to our annual appeal via the little brown envelope in last month's issue, we value your support for our efforts to keep you up to date with all things happening in Burton each month. If you haven't donated yet and would like to do so, the donation box will still be in the Village Store through June and into July - if you've lost your envelope you can still pop your pennies into any old small envelope and seal it and drop it into the box. Every penny from our annual appeal goes towards producing your Burton News, this together with the revenue from our advertisers helps us keep BN going year on year, so we really are YOUR village magazine. We couldn't do it without you!

PC Observations...

J.M. Reporting from the
Parish Council meeting

At the Annual Parish Council Meeting on 17 May, Alan Wren stood down after 3 years' service, positively leaping out of his seat to make way for Paul Rogers who was unanimously elected as the new Chair. Sarah Colyer is the new Deputy Chair. Representatives were then appointed for various village organisation committees – Burton Recreational Trust (Sarah Colyer), Burton Education Foundation (Sarah Colyer), Local Area Partnership (Chris Nolan), Quarry Liaison Committee (Jane Hopwood), School Governors (George Isherwood), the Fireworks Working Group (Alan Wren) and the Conservation Group PsiCA (Jane Hopwood, Paul Rogers).

Prompted by a question from Marion Plowright, Roger Bingham gave a short history about Burton Education Foundation's origins following the closure of Burton's Grammar School in 1881. Grants are now available for young people aged between 16 and 25 years who live in the parishes of Burton-in-Kendal, Beetham and Arnside. Grants are to help with the extra costs of attending college, university or apprenticeships. More information at grants-

search.turn2us.org.uk/grant/the-burton-in-kendal-educational-foundation-13850.

Paul Rogers then explained that the role of the South Westmorland Local Area Partnership was to improve information sharing at parish level, and provide a forum for discussion on priorities, services and funding. More information at www.southlakeland.gov.uk/your-council/partnerships/local-area-partnerships-lap/south-westmorland-lap/.

After dealing with various administrative tasks, the meeting moved on to discuss the ownership of land in The Square. This is problematic because the ownership is not clearly registered at the Land Registry and the PC resolved to get Parish Council ownership clarified before money is allocated from PsiCA funds for various projects to conserve and improve the area. Jane Hopwood volunteered to lead this, starting with the east side. Local residents will also be interested because there is confusion about the ownership of the land in their house deeds and how the land is insured.

Roger Bingham, on behalf of the three Tory District Councillors recently elected, thanked Burton residents for

their support. SLDC now has 19 Tories, 3 Labour and 29 Liberal Democrat councillors spread over 18 wards.

Councillors once again (it happens every month) lamented the lack of action from Cumbria County Council Highways Department to follow up their declared intention to improve flood resistance in Burton. The flood resistance officer, Doug Coyle, promised action but nothing has happened.

It was agreed to purchase 658 daffodil bulbs to be planted in clumps of the south side of the village to beautify the entrance along the A6070.

The commemoration of the end of the Great War was again deferred. A new idea to hang poppies from lampposts with the names of the 20 soldiers from Burton who were killed was discussed but Councillors want to synchronise their ideas with other societies in Burton and the School.

Outstanding items such as the maintenance of the Speed Indication Device and the kerbstones in Main Street have been resolved.

Next meeting Thursday 21 June in Memorial Hall at 7.30pm.

Let the Bells ring out

Following the appeal in March's Burton News, 5 adults and 2 children have been in the bell tower at St James Church every Monday evening between 7.30 and 9pm undertaking bell ringing training, which is kindly and patiently being provided by the tower captain and two other experienced ringers from Kendal Parish Church. To date the training has been on "silent" bells (bells with their clappers tied up) but at some time during the month of June we will begin practising some "live" ringing.

Whilst we are delighted that some villagers have come together to form a bell ringing team, we would still welcome both experienced ringers, and novices who are interested in learning the art of bell ringing. If you would like to join us, please contact Brian Whalley on 01524 782296 or send us a message via the new website www.burtonandholmechurches.org/contact-us.

Holme & District Local History Society

Outing 2018

This year the outing is to Liverpool for "The First Emperor and Terracotta Army Exhibition". It will take place on Wednesday 20 June, pick up is at 8.45am from outside Burton Memorial Hall.

We call at Barton Grange for refreshment before proceeding onto Liverpool for the Exhibition. Following lunch we will then go to Sudley House Museum before returning home.

Whilst the coach and exhibition are booked, the World Museum where the exhibition is being held, is still to confirm prices. I anticipate the cost of the trip will be around £30 per person, but I will confirm once I have more details.

Anyone interested in coming should contact John Brown on 01524 782066, please leave a message on the answerphone if there is no reply.

BURTON W.I.

At their May meeting the Members of Burton WI discussed and took their final vote on the Resolution 'Mental health matters as much as physical health' which is going forward to the National AGM in Cardiff in June. Liz Falkingham is the delegate for our group.

Our speaker, Susan Coyne, then gave an entertaining talk whilst demonstrating ways of packaging simple gifts to look special. Christine gave the vote of thanks.

The competition for a personal resolution was won by Paula Firth with Kath Hayhurst second. Raffle prizes were won by Sue Coates with Audrey Frost second.

At the next meeting on Thursday 14 June the speaker is John Natlacen from 'Churchmouse Cheese' and the competition is for 'A Cheese Knife'.

Summer Holidays Concert with the Burton Singers Saturday 23 June

Dreaming of your summer break and wishing you could pack your suitcase right away?

Make a date in your diary to relax with a chilled glass of wine and hear the Burton Singers celebrate summer holidays in song.

On Saturday 23 June you'll hear just about every kind of music about kicking back in the sun, while you enjoy a short break with friends and family in the Memorial Hall.

You can buy tickets from the shop from the first week of June. They cost £8 and include a glass of wine and nibbles. Children under 12 are £3.

8pm start. If you want to get there early to reserve your seat with a towel, doors open at 7.30pm.

Proceeds will go to The Kath Mills Music Foundation and Springfield Domestic Abuse Support in South Lakeland.

The blossom on our trees covered our playground for a few days and, as we were lucky enough to have no rain, it was great fun to play with.

The Reception children have been enjoying science – watching how their toy dinosaurs float and sink. They have planted their sunflower seeds and are very excited to see how high they will grow. In Literacy they have been looking at non-fiction books and have had great fun describing what they think Meghan Markle's wedding dress should look like. Lots of individual and interesting ideas!

Year 1 have been working hard on their Numeracy – working on fractions and counting in 2s. Their fiction book is Jack and the Beanstalk. They have enjoyed working their way through the story and acting out the parts of the characters. Year 2 have been having fun with their new book – Man in the Moon. Beetham Nursery kindly donated some flower pots and the children were very excited to plant them up with Mrs Turner's help. They have a live feed camera watching the activities of the birds that have nested in the school building eaves. Nothing to report so far, but regular checks are being made.

In Literacy Year 3 have been working on explanation texts. Angle and lines of symmetry have been fun in Numeracy. They are continuing their topic on Ancient Greece, this week focusing on democracy. In PE they have been improving their rounders skills and 'Mama Mia' has been their Monday morning clarinet favourite. Year 3 are also on birdwatch spotting as some Swift boxes have been fitted at the end of the Year 3 building.

Year 4's maths has covered fractions and also money. They are continuing to enjoy their fiction book Varjak Paw a story about a Mesopotamian Blue kitten. Like Year 1 they have turned parts of the book into a play. They continue to look at the Ancient Greeks.

Year 5 are continuing to enjoy looking at the Solar System in Science. In Numeracy, they have been working on shape, angles and multiplying fractions in arithmetic. They are still enjoying their book Journey to the River Sea in Literacy and have also been working on homophones in grammar. In Art they have been looking at the work of the Impressionist, Monet.

Along with 5, Year 6 are continuing to construct our Eco Shelters in D&T. From wind turbines to solar panels on farms, homes and football pitches, it is

a busy lesson and an hour can go so fast! For four mornings in the middle of May the smell of toast started our day in the classroom, as we all had an extra breakfast to help us along with our SATs. After a quick trot up and down the field it was down to work. They weren't as scary as we all thought they would be. At the end we celebrated with cakes and, of course, well deserved extra playtime! Some members of Year 6 have also found time to prepare for a rounders competition at Dallam School.

We couldn't possibly let the Royal Wedding go unnoticed! On Friday 18 May we had the choice of coming to school in our best dresses and suits. Mr. Thexton took this fabulous picture with his drone. We all wish Harry and Meghan the very best.

Amy Gr, Hayden L, Carrie, Megan and Grace – Year 6

GREAT PLASTIC PICK UP CAMPAIGN

In conjunction with the Daily Mail Great Plastic Pick-Up Campaign and continuing with our John Muir Project, Burton Morewood will be conducting our own pick-up campaign on Wednesday 13 June. We will be

moving beyond the school grounds, starting at opposite ends of the Main Street and meeting in the middle.

If anyone wishes to join us, please feel free to do so. We will meet on the main school playground at 09.15am. Bin bags will be provided but feel free to bring any implements, gloves etc, that you may find helpful. Let's hope for a fine day.

CONSERVATION AREA NEWS

Burton's Conservation Area (centred on The Square but including buildings on the Main Street both north and south of The Square) is about to receive what is termed 'Partnership Scheme in Conservation Areas' funding, or P*Si*CA for short. The partners are the Parish Council, South Lakeland District Council (SLDC) and Historic England (HE). Funding has been secured to restore around a dozen buildings that are most 'at Risk' and to enhance the 'Public Realm' area – The Square itself. The Parish Council has pledged funding for the public realm areas only, although we, as partners, will be involved in and able to influence decisions on other enhancement works. We have also secured extra funding for 'Public Participation' which will involve a series of talks and workshops, given by experts in their field. The Parish Council will be hosting these in the Memorial Hall at intervals over the 3 year duration of the P*Si*CA and we are currently working with Cumbria Action for Sustainability (CAfS) putting together a programme of events

The first event will be on Energy Efficiency in Buildings. The events are open to all parishioners and are free. Other workshops will be 'Heat Loss and Thermal Imaging' – something we hope that Burton Morewood School children might be able to get involved in, and other practical advice and demonstrations relating to preserving and enhancing the life and efficiency of buildings and how to care for Listed buildings and buildings in Conservation Areas.

We will be engaging consultants to advise on the enhancement work and also to help us prepare a Village Design Statement. This document has

great relevance to the village as it can influence the design of new developments such as the proposal for the Green Dragon. It also provides a cohesive long term strategy for the village. We will hold workshops relevant to this, and design professionals will give guidance on 'Why Design Matters'.

This Partnership Scheme is for the village – to enhance and improve our built environment. We hope that you will become part of it and that the scheme is a true partnering event – everyone's opinion matters. Please get involved. For more information – watch out for the workshop/talk events, come to a Parish Council meeting or email the Clerk at parishclerk@burton-in-kendal-pc.gov.uk

First Responders

Ever wondered how you could help to save a life ?

Well why not come and join us and find out more information.

The Burton First Responders are holding a Heartstart evening, where you can learn more about basic life support skills, including CPR.

We would love to see you on Monday 11 June, 7.30 - 9pm in Burton Memorial Hall and share our knowledge.

We currently have 5 Responders in Burton and we would like to know if there is anyone else in the village who may be thinking of joining this very worthwhile group.

There is no pressure at all, we just would like to be able to share what we now with as many people as possible.

Please let us know if you are interested in coming along by calling Peter Bowker on 781264 or email bowker.p@gmail.com

We hope to see you there.

Roger Reports...

From the County & District Councils

Firstly, I am honoured to thank you for re-electing me as your South Lakeland District Councillor on 3 May. My political party colleagues Brian Cooper and Tom Harvey also send thanks for their election. Brian has, of course, been the member for the former Burton and Holme Ward since 2008 and Tom, who now lives in Clawthorpe, was the member for Grange for ten years.

Our new Burton and Crooklands Ward comprises nine parishes: Burton, Hincaster, Holme, Hutton Roof, Lupton, Preston Patrick, Preston Richard, Sedgwick and Stainton. So, we had far more houses to visit and there were more candidates. Way back in the 1980s I was three times returned unopposed. Later on I normally had just one opponent. This time we had ten candidates from four parties. The Burton and Crooklands Wards results were: Bingham Roger, Conservative, 1,534 votes; Blunden Simon, Green, 134; Casson Paul, Labour, 174; Cooper Brian, Conservative, 1,218; Eccles Sheila, Liberal Democrat, 984; Harvey Tom, Conservative, 1,205; Herbert Christine, Lib Dem, 898; Lethbridge Wendi, Green; 145, Singleton Karl, Lib Dem, 881; Wickham Claire, Green, 154. Under the new rules I have been

You can contact Roger as follows:
South Lakeland District & Cumbria County
Councillor R.K. Bingham
The Smithy, Ackenthwaite,
Milnthorpe, Cumbria, LA7 7DH
Tel: 015395 63694
e-mail: roger.bingham@cumbriacc.gov.uk

elected for four years, Brian for three and Tom for one year - so there will be another District Election next year.

I got more votes than any of the 51 elected members. The next highest was Ian Stewart, Lib Dem for Arnside and Milnthorpe, and the third highest was my Lib Dem next door neighbour Rupert Audland. In the Burton and Crooklands boxes there were just 4 rejected papers, the lowest in the count. In other wards some boxes contained many 'spoilt' papers because voters had put their crosses by more than three names. As far as I could gather most Burton voters had got the hang of the new system which at the start of the campaign hardly anybody had grasped. Thus, my constant door-step burble of 'you can vote for three candidates who can be all from the same party or you can pick and mix' might have worked.

Hardly any non-local topics came up. Only one person mentioned Brexit. But on the morning of the air raid on Syria one resident said she would not vote for the Conservatives because 'the

Tories are taking us to war again'. The commonest topics were potholes, followed by speeding traffic, planning issues and, (even in Burton ten miles from the town) the removal of Kendal's New Road Car Park. Surprisingly, few people mentioned last winter's floods - although during the six weeks it seemed to rain everyday. As always everybody was friendly. Only three people refused my leaflet but did so in a most polite manner. For once, few of our posters were damaged but several suffered in Kirkby Lonsdale and in Kendal. Finally I am pleased that at long last the kerb has been extended at the bottom of Tanpits Lane to prevent flooding. Will it work? We'll see.

All the best and thanks again,
Roger

Fit for Life Event at Burton Memorial Hall on Wednesday 18 July from 1pm-4pm. Join us at our Fit for Life Event where there will be talks and demonstrations throughout the afternoon on Falls Prevention, Ronnie Gardiner multi-sensory exercise method, Mindful Meditation and Benefits Advice. Digital Champions will be on hand to show the benefits of being on line with a special area set up with tablets, and there will be advice on hearing loss as well as information on local activities and volunteering opportunities. Refreshments and homemade cakes will be available throughout the afternoon. Booking for this free event is essential. Please Phone 01539 728118 for more information.

Fun Olympics. On Tuesday 12 June,

Kendal Leisure Centre will once again be holding their popular Fun Olympics from 10.00am - 2.30pm. This event is free to everyone, with lunch provided so booking is essential. You will be able to take part in a variety of games such as boccia, curling, walking netball, walking football, table tennis, board games and bingo. Local groups and charities will be there too with information stands and free health checks will also be available. If you are interested in joining us, in what always proves to be a friendly and fun event please call Kendal Leisure Centre on 01539 729777 to book your place.

Walking Netball Fortnightly sessions on Thursdays at the Old Sports Hall, Queen Elizabeth School, Kirkby Lonsdale from 5pm- 6pm starting on 26 July. Walking Netball is a slower version of the game, it is netball, but at a walking pace. The game has been designed so that anyone can play it regardless of age or fitness level. Come and give it a go. £2 per session. To book a place or to find out more please contact Kim Bradshaw, Community Sports Coordinator, on 07966 556944.

If you would like further information about any of the above, or any of the services which Age UK South Lakeland can offer older people, or if you would like to volunteer for us, please contact us on 01539 728118.

Friday 8 June 9pm

Burton Art & Craft Exhibition

The 14th Annual Art & Craft Exhibition at Burton proved to be a popular event. The hard-working committee looked after the refreshments, hanging of art works and a variety of crafts.

As well as members of the society, many artists from nearby villages and towns took part. Hazel Parker and Jenni Ross organized the members' craft for sale or display.

The guest artist, Frances Winder, provided a vibrant selection of paintings, as well as there being more than 100 paintings on show.

The Burton Morewood School had a marvellous display of their art & craft work from each year group.

There was a variety of craft tables; Betty and Liz Prickett gave a wonderful display of their craft accomplishments, Alison Flanders sold colourful photo cards, Linda Thornton had a table of hand-made jewelry, Elaine Hindson her hand-made cards and boxes, Pat Whalley machine and hand-knitted items, and Betty Scott demonstrated spinning, which proved to be very popular with a group of American visitors who filmed her in action.

The event was opened by chairman, Kath Hayhurst. Paula Firth looked after the art entries and secretary Audrey Frost supervised the 'cafe' corner helped by Pam Brown, Cecilia Dowker and other society members.

John Brown was in charge of the raffle, and Eric Parrott, Eileen Kirby and others welcomed visitors at the door.

The society was grateful to the friends and members who helped to erect the display units, and many complimented the society on the decorations, which included red hearts for the royal wedding.

A 200 Year Anniversary & A Mini Festival

Join us for a Keats Celebration

It's not often you find a village pub celebrating a poet who lived two centuries ago. But that's the plan for June. Why? Because the Romantic Poet John Keats stopped for a drink in the King's Arms exactly 200 years ago.

On Thursday 21 and Friday 22 June, two travellers, will be walking to the pub to 're-imagine' a journey that took place 200 years ago. Come and overhear their conversation at 8pm in The King's and find out what was going on in Burton, and why the military were in the area.

If you have children at the school, there's an earlier opportunity to help mark the visit. The Wordsworth Trust will be spending the day at Burton Morewood Primary on Monday 18 June. There will be a short performance at the end of the day to show parents what they've explored.

Travel back to Burton in Kendal in 1818... you might even get to meet the man himself.

VICAR'S LETTER...

One Way

A few of my words from the funeral of my mother-in-law, Daphne Murnane, who died on 29 April having lived for the last 4½ years in Holme and then Burton.

“What happens when I die?” Google Street View can tell you what it would be like to walk down a street on the other side of the world but who can tell you what it will be like to travel the very short distance from life to death? Try answering this question first: “What happened when Jesus died?” On that night, after a last meal with his disciples, Jesus told them not to be troubled; he was going to his Father’s house to prepare a place for them. Do we imagine Jesus like a ghostly hotel-keeper cleaning the rooms and making the beds in his heavenly Father’s house? That’s not what Jesus means. He does not get a place ready by what he does after death but by the way that he dies. God’s Son will die in the place of others, taking on himself the punishment that they deserve for their hard-hearted stubbornness towards him and his Father and all the foolishness and wickedness that flows from that. Going first to the cross, he will open the way to his Father for others. Jesus doesn’t show them the way or tell them about the way. The

way to the Father is not a map or a set of directions, but a person. Jesus says, “I am the way ... no-one comes to the Father except through me.”

To move the Space Shuttle between different NASA sites they strapped it to the top of a 747. If you want to go to the place where Jesus has gone then you need to be strapped to him: depending on his cross for your rescue, living with him as your boss. On the morning of Daphne’s operation she was reading Psalm 31 where David cries out, “Into your hands I commit my spirit; redeem me, O LORD.” Years later Jesus spoke those same words from the cross. And they were in Daphne’s mind in the last week of her life because, without arrogance, she could say with confidence, “Where Jesus has gone, I – by his grace and kindness – will surely follow.”

Sincerely,
Graham Burrows

HISTORICAL FOOTNOTE

by Roger Bingham

Woolly Minded Forebears

Until quite recently early summer was the most traumatic time for the majority of Burton's inhabitants. These were the sheep: for mid June was clipping time. In c.1900 there were estimated to be 12,000 sheep in the Burton area. Further back, sheep had figured prominently in the rules concerning Burton Church Tithes paid towards the Vicar's income or 'stipend'.

Historically, a sheep's value lay in its fleece. Nowadays flocks are bred mainly to produce lambs for meat. Consequently with fewer mature sheep required for their fleeces the availability and consumption of mutton had reduced.

According to a tithe list made in 1732 wool, from the June 'clipping time', was important for the vicar: *'every person within the parish that shears 10 fleeces of wool in one year shall first choose 3 fleeces and then the vicar takes one. If he shears nine, eight, seven or six he shall choose three fleeces and then the vicar takes one, the first fleece he touches. If he shears five fleeces he shall pay to the vicar half a fleece. If*

under five sheep, he shall pay the vicar one penny a fleece to be collected a week before midsummer's day. (24 June). There is also due for ten lambs dropped in one year he shall pay the vicar 10 pence per lamb' while for just one lamb 'a half-penny should be paid to the vicar'.

The value of wool varied according to the type of sheep. Lakeland Herdwick sheep's fleeces which weighed about three pounds sold in 1792 for 6 pence a pound. The next year, when war broke out, wool prices rose owing to increased demand by weavers making cloth for the army's redcoats. Hosiers also needed wool for the thick stockings worn below soldier's knee breeches. When in c. 1820 the War Office put the forces into trousers the military stocking trade was ruined.

Nevertheless, as the population was rising the demand for finer wool for clothing increased. Locally, a finer-woolled Silverdale breed was introduced.

In 1794 John Pringle reported to the Board of Agriculture that *'in the townships of Burton and Holme where the breed is kept, five sheep yield an average of a stone of wool which is worth 8 pence a pound. At a medium of the whole parish of Burton for eight years from 1772 to 1779 it required six*

fleeces to weigh a stone'. Consequently we can admire our woolly minded forebears for keeping up to date with effects the wider economy had on the productivity of our green pastures.

Silverdale and Arnside Art and Craft Trail 2018

Major art event in Morecambe Bay Coastal villages - 22 - 24 June.

Exciting and inspiring exhibitions, studios, workshops, installations and music combine in this 3 day Art Trail, welcoming visitors from throughout the North West. Explore this Area of Outstanding Natural Beauty and come by foot, cycle, rail or car to travel between the villages of Silverdale and Arnside. Discover footpaths, coastal views, limestone outcrops and woodland. There are over 30 venues and 80 exhibitors from the ages of 12 upward

Visit Open Studios in Crag Foot, Yealand, Slack Head and an exhibition in Storth.

Be captivated by artists in the majestic setting of the Mawson garden at Hazelwood Hall: join John Law, Bespoke Forger, learn gilding techniques from Jessica Elleray, paint

with Ben McLeod or become involved in the ceramic creations of Miles Moore. Alfresco Catering will be on site to refresh you on your journey round the Trail.

Friday brings us fascinating stories of Fishing in the Bay, in a "Boat Shed" with art work from John and Hannah Fox. Join the Silverdale Choir for a relaxing evening.

New for Saturday is the Music Programme at Silverdale Village Institute – Local Strummers, Village Youth Players musical performance, Tea and Jazz from Kader and evening Live Music from renowned Sally Barker, Songbirds and local artists.

Visit workshops in printmaking, silver, painting, felting, weaving, encaustic art, glass and join Christine and Priscilla building a bird "murmuration" structure in Arnside.

Arnside has two main venues and welcomes Jan Huntley Peace, Karen Pringle, Alison Sandford and many others displaying a wide range of work. "Mooching About" cafe combines art and bespoke sound near Arnside station.

Visit the new "Outdoor Trail" in Ashmeadow woods at Arnside - walk down from Tracy Levine's new studio, or approach from the Shore. Twelve artists invite you to experience thought provoking art, hear the installation made by children in the "Little Listening Tree" and absorb art and nature.

Further information is available from silverdalearttrail.co.uk or contact Jessica Elleray or Clare Martin on silverdalearttrail@gmail.com

I can't be absolutely sure but I do think we have at least two pairs of Cuckoos on Hutton Roof, we have our usual one that frequents Dalton Craggs and Lancelot, and we have another calling bird that frequents a line between Newbiggin, Kelker and the Rakes (part info thanks to Mike Westgate). On several occasions last year and again this year I have heard a bird calling from west of the timber yard as though in a wooded clough or forestry area. I cannot weigh up whether this is one of our birds already mentioned or whether it is a new location!

On 5 May, along with John Osborne (Natural England), we did our annual "Dawn Chorus" walk over in Park Wood for the Hutton Roof village and for once we got great weather and as usual had a good attendance to check out the 15 species, which included some of our migrants including the Garden Warbler, Blackcap and Willow Warblers. We were also pleased to hear the distant Cuckoo.

This year has been exceptional around

our area especially with Garden Warblers and Willow Warblers, with all the regular territories taken up but lots more new territories formed as well. It's really good to report good news for a change. I have not yet done my annual Redstart survey, but already I have had the Kelker bird calling from his usual spot!

Just as you may expect, the lovely Early Purple Orchids have been outstanding, with several hundred on the top of Burton Fell and again a couple of hundred at the top of Holme Stinted Pastures. I managed to check most of the variables which are of particular interest to me, and did find a couple of nice mixed tone colours amongst the many magenta offerings. Our sole double pure white albino Early Purple Orchid in Lancelot did come through OK again this year and did start to look stunning but sadly got taken down by hare or rabbit just before its prime. I think perhaps I will try and cage this one in readiness for next year's appearance.

We are having a great year with the Fly Orchids just starting to flower (20 May), I have done a rough survey from the six sites I have found on Hutton Roof and our total numbers stand at 30 flowers (approx.). Already only last week we found a further 7 new to us plants to

add to the records (thanks to help from Dr. Richard "Hawkeye")

The primulas have been phenomenal this year with good numbers of Primrose, but an exceptional yield of Cowslip especially in the areas of Dalton Craggs (deforested) and parts of upper Lancelot.

Our beautiful Angular Solomon's Seal came on very quickly, it had shoots of 2" by the 5 May, yet within ten days the first flowers were showing from the same plant. I have so far checked out about 10 populations out of our total of 40 populations on Hutton Roof and most of them are looking great.

Our rare ferns are looking pristine at the moment, especially the unravelling new Rigid Buckler Ferns and the Limestone Ferns, I need to get up on the very top and check out our special Holly Ferns soon.

Last months (May) butterflies so far have included a lovely Holly Blue on Burton Fell (record via Robert Ashworth), also I had my first Dinky Skipper at Plain Quarry on 21 May and I have recorded, Peacocks, Orange Tips, Speckled Woods, Large Whites and Green Veined Whites. One day I decided to do some photography of plant shoots and to see how long it was

before they reached a mature flower and in some cases it was only a question of a fortnight from "the off".

*Shooting shoots along the way
Some rare stuff in Morecambe Bay,
They "log on" in the month of May,
Creating the most enjoyable of days*

Four of our village Swifts arrived back by 7.30pm on the evening of May 3 and by May 11 the numbers had swelled up to 15 birds. We held our first Swift watch on 17 May when members of our group met at the Memorial Hall at 8pm and did a count of all the regular nest sites. We did establish at least one of the regular sites being used. It's very early days yet! If anyone would like to join us why not come along on a Thursday night. If you just fancy reading about our Swifts then why not go online to our dedicated "Swift site" which can be reached at: <https://burtonswiftbirdstudygroup.blogspot.co.uk/>

HOLME CRICKET CLUB

Life in Division 1 has been every bit as tough as we imagined it would be for the 1st team. A visit to champions Westgate was a daunting start. Carl Weiss bowled exceptionally well on his return to take 5-27 as Westgate were restricted to 124-7, but batting was to prove very difficult as Holme were dismissed for 64.

There was a similar tale in the next match. Warton made 132 with Stu Hunter taking 6-38 but again Holme failed with the bat and were all out for 49.

The match at Burneside was closer as Holme scored 113 with Richard Herron top scoring with 34. Burneside secured victory with 5 wickets and 5 overs to spare.

However, Holme secured their first victory and first points of the season by beating Heysham at home. Heysham were dismissed for 62, with Stu Hunter adding another 6 wickets to his collection. Holme knocked off the runs without losing any wickets. Skipper Liam Teasdale lead from the front with 42 not out and was ably supported by the meticulous Paul Duckett (15 not out).

The 2nd XI have had a close defeat, an easy victory and a 2 heavy losses in their first 4 games. In the first match against Sedgwick, Holme posted 147-4 with veterans Mike Hallhead (66 not out) and Kevin Stephenson (44 not out) leading the way. In a very close finish, Sedgwick won by 3 wickets off the penultimate ball of the game.

The next game was against a very young Carnforth 3rd team. Holme bowled them out for only 50, with skipper Sam bamboozling them with his leg spin in taking 4-17. There was a first senior wicket for Ethan Burton in the innings and plenty more to follow I'm sure. In reply Holme knocked them off in only 13 overs without losing a wicket as Neil Moysey, playing a few classic hockey shots in his 40 not out, was ably supported by Olly Wolfenden (8 not out).

The Bank Holiday fixture was away at Arnside away. The hosts scored 257-5 and declared after 38 overs. B. Till scored a century. Holme batted doggedly with Moysey once again to the fore as he made a career high 65. At the end of their 42 overs Holme had scored 120-8, not enough for any points but a spirited resistance against one of the Division's stronger sides.

Game 4 saw the team rolled over for only 43 at Netherfield. Again, there was

plenty of fight in reply as Netherfield lost 6 wickets in chasing their modest target.

The Club has recently bought some roll on covers to help keep the wicket dry and to further improve the facilities at the Club. We received a significant grant from the ECB to assist with the cost of these.

What's On at the Heron Theatre Beetham

Registered Charity No. 501134

EXHIBITION: Until Friday 8 June "SCOTLAND A BEAUTIFUL LAND"

A Photographic Exhibition by Roy Martin of Milnthorpe.

Throughout his career as a Civil Engineer Roy has always taken photographs as a hobby and Scotland has always featured large. His photographs were taken on numerous holidays and while living in Orkney for five years. The pictures on show will be drawn mostly from the magnificent West Highlands and the many beautiful surrounding islands, including Orkney, Shetland, Foula and the Inner & Outer Hebrides. Roy remarks that "In this age of 'bucket lists' and 'top one hundreds' Scotland remains one of the most awe inspiring landscapes on this earth. I cannot hope to do it justice but I've thoroughly enjoyed the trying".

Friday 15 June 7.30pm

A Man Called Ove (2016) [15] 116 mins (Swedish - Subtitled)

Director: Hannes Holm

Cast: Rolf Lassgård, Bahar Pars, Filip Berg

Ove is the quintessential angry old man next door who has given up on life. He

is an isolated retired widower with strict principles and a short fuse who spends his days enforcing neighbourhood rules that only he cares about and visiting his wife's grave. A boisterous family moves in next door and, against all the odds, an unlikely friendship slowly develops, and we get to understand something of Ove's past life and heartbreaks. It is based on an international best-selling Swedish novel. "A moving and funny tale" (Simran Hans - Observer)

Editorial

Sorry we are late!

This issue will reach you later than planned. Due to your editors having been invaded by extended family members for a fortnight we have struggled to find the time to get it done by its usual time. This is not something we expect to happen often, as said folks only visit once every four years or so!

Check the address is right please

Over the years there have been several cases where people have sent items for inclusion in BN via e-mail but sent them to the wrong address and consequently it's been missed. The only address to use is: **editor@burtonnews.org.uk** (note the double 'n') and this will generate an auto response when received so you know it has got to us. We don't like missing stuff as much as you don't like it not going in!

Get the format right too

We have also had problems with some proprietary format messages (e.g. from Mac programs) that cannot be read correctly so if in doubt use plain text or PDF as those are compatible with any system. As a final recourse print it and drop into the Village Shop. Regarding photos, highest quality is best as it gives the best results; no need to shrink

it or otherwise tweak before sending.

An alert re Telephone Scammers

A few folks have been caught out by these recently, so it's worth mentioning here just so you don't fall foul of them. The people doing these phone scams are very convincing and persuasive, plus they often have details about you that they really should not have! However, the number one warning sign is when they want remote access to your computer. No matter what they tell you or what proof they offer of who they are (even telephone call back can be faked) they are just after your money so put the phone down on them. It's always better to err on the side of caution: if you are worried, call someone you trust for advice. If they call back don't say anything, just put the phone down. They'll give up after a couple of times doing that and look for an easier target.

Midsummer is upon us!

We can hardly believe that it's halfway through the year already and the longest day falls on 21 June. We hope you are enjoying the Summer now it has arrived. Although we've managed to avoid the spectacular storms other areas have suffered, the forecast is for more hot weather to come so we may get some in due course!

Burton in Kendal Parish Council

Meetings

**3rd Thursday of every month
7.30pm in the Memorial Hall**

Meetings:

Members of the public are always
welcome to observe. Each meetings
includes an OPEN FORUM where
parishioners may raise matters of
concern to them.

Planning applications:

Parishioners are asked to ensure they
notify the PC as well as the planning
authority of any comments or objections
they have about any planning
application within the parish.

Agendas, Minutes & Contacts:

These are available on the PC notice
board outside the Memorial Hall, on the
PC website, and on request from the
Parish Clerk.

Website:

Documents relating to the PC may be
downloaded or read online here:
www.burton-in-kendal-pc.gov.uk

For further information, contact:

The Clerk - Christine Davidson on
01524 782694

Next Meeting:

The next Parish Council Meeting will
be on **Thurs 21 June at 7.30pm** in
the Burton Memorial Hall.

ADVERTISE WITH US...

We still have room for a couple more
