# Readers' LETTERS

Dear Editors,

## 10K and Fun Run

On behalf of Burton Recreation Trustees, I would like once again, to thank all those who volunteered for marshalling, registration, timekeeping, photography, water stops, leading and backmarking, hot drinks and food and just general help on Sunday 8 September and for making our annual 10K and Fun Run such a great event. Thanks once again to Roger Bingham for firing the starting pistol and for presenting the many prizes so generously donated, and to Margaret Belk for officiating and giving us her professional advice.

The Trustees are, as always, very grateful to Aggregate Industries, our main sponsor and equally to all the local businesses who always donate so generously to this event. This is our annual fundraising event and the proceeds keep the Recreation Ground functioning for another year, providing outdoor recreation facilities for everyone within the parish of Burton and surrounding areas.

Our very grateful thanks must go to Iain and Sarah Hunter, without whom this

race would not go ahead. Iain and Sarah have made this event their own, the organisation of which is now running so smoothly, that this year they were also able to take part and ran (and finished) the 10K!

For a number of years now we have donated a small sum to our chosen charity of the year, and once again we have chosen the local charity, Burton First Responders.

We hope that everyone enjoyed the day and we look forward to seeing you again next year. The run is always held on the second Sunday in September.

For anyone who isn't aware of the facilities offered at Burton Recreation Ground, please ring Phil Mann, on 01524 782152, who is the bookings co-ordinator, or me.

Thank you  
Richard Davey, Chairman,

We will hand deliver your Christmas Cards within the Burton area for a small fee. Look out in the November issue for collection box locations, dates and information on prices. All money raised will go to Burton Pre-school, Charity Number 517138.

**THANKS!**

I have been overwhelmed by the number of cards, flowers and messages I have received during my recent stay in hospital and recovery at home. I am now back on my feet and raring to get back to rehearsals for the postponed production of Calendar Girls which is now in November. Thank you so much for all your best wishes,  
Alyson Yates

A big thanks to all who attended my 65<sup>th</sup> birthday celebration at the Longlands Hotel on 15 Sept. Many thanks for all the cards and gifts, a great afternoon was had by all. Many thanks.

## **An Early Note from the Post Office about Christmas Posting 2013**

I haven't been shopping in town recently but I will hazard a guess that the shops are already displaying Christmas Cards and Gifts so maybe I am not writing this too early.

Anyway, thinking about posting for Christmas, the last posting dates for sending Surface Mail are as always unseasonably early; in fact by the time you read this you will almost certainly have missed at least one of them!

For parcels sent by Airmail there is no rush, you have until the beginning of December for the furthest destinations. However, if you are planning on sending parcels via the slower option of Surface Mail the recommended last posting dates are:

**Monday 30 September**

All non-European destinations except those mentioned below.

**Tuesday 1 October**

Middle East and Far East (except Hong Kong & Singapore)

**Tuesday 15 October**

South Africa, Hong Kong, Singapore, the USA & Canada

**Tuesday 5 November**  
Eastern Europe, Greece, Cyprus,  
Turkey, Malta & Iceland

**Tuesday 19 November**  
Western Europe

Remember that parcels sent outside the EU need to have a customs form attached, these are available at the Post Office Counter. Also remember to put your name and address on the top left hand corner of the front of your package; this will enable Royal Mail to return your item should overseas customs authorities refuse it entry into their country.

### **A reminder about size and weight for parcels sent abroad.**

Before you go out and buy that drum kit for your musical grandchild in Canada, may I remind you of the maximum sizes for sending items abroad with Royal Mail.

The maximum total of (length + width + height) is 90 cm (approx 3ft) with the maximum single dimension of 60cm (approx 2 ft). Also, the maximum weight is 2 kg.

It is really easy to exceed these and then the parcel would cost a great deal more to send via Parcel Force. It is sometimes cheaper to split a heavy parcel and send two packets.

## Dangerous Goods

To comply with national and international regulations governing the carriage of mail, and ensure that mail in transport does not present a danger to the general public, Royal Mail must restrict or prohibit certain items from their network.

So this year we will also have to ask you what are the contents of your parcels; not just because we are being nosy or looking for gift ideas ourselves, but because there are packaging restrictions on items containing, for example, batteries, nail varnish, aerosols etc.

Specifically C, D, AA, AAA type Alkaline batteries must be new and in their original retail packaging. Lithium batteries (the type commonly found in mobile phones and laptops), cannot be sent alone, they must be packaged with the equipment. Beware, for overseas mail, some countries do not permit the import of lithium batteries at all.

As always, come & ask us at the Post Office Counter for further advice.

### **FANTASTIC NEWS!**

**WE HAVE REACHED OUR INITIAL  
TARGET TO RAISE £9,000 TO BUY  
ALEX'S 'BOMA 7 OFF ROAD  
WHEELCHAIR'**

The Wheels for Alex fundraising group made the decision to present the Boma 7 to Alex early so he could get out and enjoy the autumn weather! It seemed an ideal time to do this at the Children's One Peak Sponsored Walk at Ingleborough. As you can see in the photos Alex led the walk out onto the fells... a dream come true!

Alex said, "It was a brilliant day. A really good test for the Boma and for me. Well the Boma passed with flying colours.... A really big thank you to everyone involved in raising the money, and that is a lot of people!"

The Wheels for Alex group would like to say a massive thank you for the enormous effort and generosity of so many people in achieving this target. We still have, however, a number of fundraising events which we had already planned to take place before Alex's birthday in December and so we are asking everyone to continue their support for Wheels for Alex at these

events. We propose to use any the additional funds raised at these to help buy some really important extras for Alex including:

A trailer so that Alex can transport his wheelchair to more remote locations for fun with his family. Approx £250.

An upgrade to the joystick to give Alex more control and so he can continue using the wheelchair long into the future, plus other adaptations that are needed to keep Alex safe on his Boma. £3650.

Spare batteries - to overcome the limiting range of the standard battery pack. £650

On-going servicing and maintenance of the wheelchair. £300 per year

**FOR THIS REASON WE ARE RE-  
SETTING OUR FUNDRAISING  
TARGET TO £14,000.**

We know that with your help we can continue the Wheels for Alex campaign and exceed all our expectations by giving Alex the whole Boma 7 package so he can enjoy the use of the wheelchair for as long as possible into the future.

Thank you to everyone who has supported this fantastic campaign in whatever way, large or small. Please support our fundraising events in the coming weeks including the Pub Quiz at The Smithy on Thursday 10 October, the family Ceilidh on the 9 November –

# PC Observations...

## Reporting from the Parish Council meeting

### Parish Council Observations

Having expressed interest in becoming a commentator to cover parish council meetings, your intrepid reporter found himself seated at the "Press table" on Thursday 19 September with 8 councillors (one away on holiday) and Chairman Mike Taylor ably supported by Parish Clerk Peter Smith, running through 16 agenda items in 90 minutes. Having no previous experience of these meetings, I expected the discussion to be focused on the size of hedges, the quality of street lighting, need for new signs, the efficacy of drains, parking problems, muddy lanes and the like. I wasn't disappointed.

### School parking

The first and biggest discussion was about street parking around the school at drop-off and pick-up times. Two members of the public spoke about the danger of the current situation, and there was general agreement that it was a mess which had been made much more difficult by the interminable reconstruction work at the school. The Chairman twice mentioned the possibility of a fatality if nothing was done. 20 minutes' discussion on this, with calls for more police and school involvement, cones, double yellow

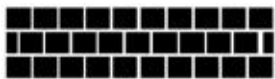

lines, new lay-by markings, possibly a walking bus service between the school and the Kings Arms car park etc. No dissenting voices but what action to take? Short term, cones might appear, then white lines will be repainted and double yellow ones might be considered. School PTA and governors will be approached. Roger Bingham hinted that any action requiring county council involvement might "take some time." No surprises there.

### Slope Lane

The next interesting discussion was about Slope Lane. Apparently the county council have money to improve bridleways which, if not spent, goes back to the Treasury. Some council engineers have estimated £60,000 plus to raise the standard of the Lane to "bridleway standard." Councillors were sceptical that this would fix the situation because underlying springs will continue to cause problems. However, there was some reluctance to look a gift horse in the mouth, but nothing will be decided until options are detailed and costed by the engineers and the contribution required by the parish council is clarified.

### Lights out on Neddy Hill?

Another fascinating debate was about whether action was required to object to a threat from Electricity Northwest to remove lighting at the bottom of Neddy Hill. Apparently they have renewed

posts but have given 6 months notice of the intention to remove existing lighting. It couldn't be more bizarre. It was agreed to write to Electricity Northwest and try to warn them off.

Items through quickly

What else? Next year's draft budget was received with a plea to councillors by the Clerk to advise him of any ideas/additions required. A list of outstanding actions from previous meetings was noted. They remain outstanding. Some things take a lot of time. Oh and by the way, some planning applications were received and accepted or not pending further details. Good things to report were the continuing donation to the Royal British Legion Poppy Appeal, the success of the recent Recreation Trust 10K run and the solid state of the council finances.

Overall

Overall I was impressed. True the last 30 minutes dragged a bit. Some councillors rearranged their papers after an hour hoping for a quick getaway but this was not to be. The meeting was well run. Everyone was constructive and representative of village opinion. This is democracy and bureaucracy in action. It takes a while but things hopefully will get done in time.

### Update on the Church Tower Fund

#### THANK YOU

Thank you to everyone who participated in the Sports Quiz. £500 was raised for the Church Tower Fund and the winners were: Mrs Taylor from Crook; Mrs C J Hudson from Kendal and Mrs K Walsh from Heysham.

#### GOOD NEWS

Since May we have been applying for grants from charities which support the maintenance of ancient buildings, particularly churches. Having been recommended by the National Churches Trust, we have been offered a grant of £30,000 from WREN (Waste Recycling Environmental Ltd). Although there are some formal "hoops through which we must jump" this is a great encouragement, being the first and only positive response, so far, to our applications. We still need almost £7000 to secure the second stage of our non-lottery grant from English Heritage, so the applications will continue.

## *Village People...*

### **Focus on Sue Woodburn Head of Burton Morewood Academy**

You don't need to be in Sue's presence long to realise the passion she has for her job and the joy she takes in being the head of this Academy; the first voluntary controlled one in Cumbria. Her enthusiasm is undiminished though she has been at Morewood since 1992 arriving via Kendal and Arnside, by then having realised her love of village church schools. With Morewood's solid links to family and community the children have an appetite for learning and for her the opportunity to bring that to them along with ample helpings of fun, exercise and activities not normally found on a state school agenda. The school's growing reputation means that the number of pupils has risen from just over a 100 in 1997 to 192 today. Sue feels the school should have no more than seven classes each with a maximum of 30 pupils and an intake of 30 pupils per year has been set in order to preserve that maximum; she sees no future changes being made to that number. Of the present 192 2/3's are village children and 1/3 from places like Carnforth, Priest Hutton, Borwick and Holme.

With the strong feeling that life can be fun as well as educational Sue has put

in place a curriculum that encourages a love of learning and gathered about her a staff of 9 like-minded teachers and 11 support staff (out of the 20, 10 live in the village

whilst Sue lives in Nook) whose commitment and wish to make a difference echoes her own. The clear intention is to give children the opportunity to reach their full potential.

Sue clearly feels that the change to academy status was the right thing for Morewood, as it has given the power to tailor the curriculum to suit the pupils, the right to employ its own staff, and take on the training of 10 teachers. This shared 50/50 with the University of Cumbria, and the income is of great benefit to the academy funds. The power to change teachers' pay and conditions much criticised by the NUT is not going to be used here. Sue is adamant that her staff has reacted so well to the greater freedom and changes that there is a new buzz about the place and that they are coming up with good ideas to help her drive the business forward. The teacher training was as a result of a suggestion from her assistant headteacher, who now leads that initiative.

Sue moved to Cumbria as a teenager and attended Kendal High for a time. She met her husband, also a headteacher, there when they were both aged 16 and they have lived in this area ever since. Their two sons inherited their parents' love of the profession and one is now a teacher married to a teacher whilst the other is training to be one alongside his wife.

When asked about the future and what it may hold, Sue laughed saying she has no 5 or 10 year plan but that new challenges from all directions keep the job fresh year on year. One thing on which she is very clear is that she will continue to work to make a difference, not only for the children's academic needs but for their comprehensive development. The passion which brought her to this school clearly burns on.

## Vicar's Letter...

We've arrived! We're delighted to have moved to this beautiful part of the country and are very grateful to everyone who has warmly welcomed us already.

Moving house, of course, leaves your possessions spread all over your new house and is followed by days (or weeks) of trying to create order out of chaos. Moving also exposes your life to others. What had been hidden away in your house is carried up the drive in full view: everyone can see what kind of furniture you have, what your family likes to do (as the piano and the canoes and then the model railway come out of the lorry) and how much stuff you have accumulated (how could it possibly have been two lorry loads?! )

The Bible exposes our lives too: "For the word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart." (Hebrews 4:12) Painful as it may be I need God to uncover the depths of my heart: my thoughts and attitudes will need constant correction if I am to truly

serve the risen Lord Jesus and the people of Burton and Holme and not merely please myself.

And I long that God's Word will cut deep into your lives too, not bringing neighbours to gaze on your house contents, but uncovering who you really are before your Creator. Here's the next verse: "Nothing in all creation is hidden from God's sight. Everything is uncovered and laid bare before the eyes of him to whom we must give account." (Hebrews 4:13) Why would we want the Bible to do that to us? Because God is a skilful and compassionate surgeon who can heal the problems uncovered by his sharp knife.

## *Historical Footnote*

*by Roger Bingham*

### **Peace and War 75 years ago**

"Best Show since the War" was the verdict on Burton Show and other agricultural shows in the Autumn of 1938. The headline meant the First World War, whose impending centenary is now attracting so much attention. Entries at the show, which was held in Dalton Hall Park, numbered 327 compared to 311 in the previous year. "Sheep were particularly strong while the improvement in quality of cattle and horses was notable. A new feature was a section for home industries. The well filled classes covered needlework, embroidery, dressmaking, handicrafts and among the 250 entries were some from as far afield as the Isle of Wight." The high agricultural contribution was surprising as "harvesting and in some cases haymaking were still occupying the attention of farmers."

Meanwhile, all the show goers were obsessed with fears that a new war was about to break out over Germany's threats to Czechoslovakia. Air Raid Precautions (ARP) wardens were recruited by Mr Cummings and First Aid Lectures from District Nurse Rodd were held "every Friday evening at Morewood School." Down at the National School villagers queued to be

fitted with gas masks and leaflets were distributed showing how to dig a "refuge trench." More practically, preparations were made for billeting some of the 20,000 refugees planned to be evacuated to Westmorland from north eastern cities like Newcastle. But in the nick of time, Peace for our Time was secured when the Prime Minister, Neville Chamberlain, made the agreement with Herr Hitler at Munich. Burton's peace celebrations included a special church service and there were cheers for Mr Chamberlain at an ex-serviceman's supper, where a "toast to the fallen" (of The Great War) was raised.

Then, briefly, village life seemed to return to normal. The WI heard a talk from Mrs Smith of Morecambe on dress making; a testimonial fund was organised for Miss EJ Corless who had served the village school for 40 years; £14:8s:5d was collected for the NSPCC; and Miss Kendal and Mr Dobson won a spot dance at the Tennis Club Social. On 11 November a "good number" gathered at the War Memorial and the Poppy Appeal raised £10:11s:0d. Finally, just before Christmas, early lambs were born at Green Dragon Farm. Yet, despite all the autumnal hopes, only 10 months later a conflict even greater than The Great War broke out which is still, invariably, known simply as The War.

## Burton W.I. NEWS

At their meeting on the 12 September, members of Burton WI enjoyed a very interesting and enlightening talk by Mr George Crossman entitled, "My Life as a Morecambe Bay Coastguard." The meeting was an open one and Mr Crossman was able to answer questions from members and visitors alike.

It was also reported at the meeting that two members had entered five items in the WI Show and gained 3 gold and 2 silver stars for their painting and preserves. The competition for "A Seaside Beach" photo was won by Kath Hayhurst, with Hester Willink second. Sue Humphries won the raffle.

At the October meeting the speaker will be David Poole on "A year at Leighton Moss" and the competition will be "A Model Bird."

## *Roger Reports...*

### **from the District & County Councils**

September was particularly busy, with meetings almost every day and a 192 mile County Development Control round trip on site visits. We also had an interesting seminar on wind farms. This followed a United Nations ruling that the UK is at fault in "ignoring local opinion" when some of the current 252 on-shore and 279 off-shore wind farms were installed. Invalid reasons for objection include an individual's right to a view, arguments about efficiency e.g. "they never seem to be working", and "equitable provision", e.g. "why should our area have lots of windmills and the National Parks none?" Valid objections include large scale damage to landscape such as windmills on Wainwright heights, the cumulative effect of many wind-farms as at Killington, or by sequential development like turbines dotted along the M6. Other reasons include effect on highways, ecology and archaeology, e.g. at the Silfield, Gatebeck, inquiry my stating that construction traffic would damage mediaeval hedgerows was accepted as a valid objection.

Meanwhile planning for the 2014-15 budget goes inexorably on. The new county administration has not undertaken to keep the Council Tax at its present level, (unchanged for four

years) but is nevertheless trying to make £88m savings as the government grant is to be cut by 10%. 150 staff reductions are envisaged. I will continue to press for at least the current funding for highways, and, on a lesser scale, the retention of the mobile libraries.

Thanks to a government grant of £7.38m the Cumbria Cycle Strategic Network is to be expanded but I do not as yet know whether our area, which already has cycle tourist routes, will be affected.

Increased grants to carers are planned and, following some notorious national cases, an extra £608,000 has been allocated to Children's Safeguarding Services. Happily, juvenile crime (committed by 11-17 year olds) fell by 30% compared to the previous year. There are 45,000 young people in the age group and the 1% crime rate is one of the lowest in the country.

Controversially, an attempt by the Local Government Minister, Eric Pickles, to prevent councils paying the wages of staff absent on trades union duties was thrown out by the courts. I understand that, currently, trades union representatives cost the county £500,000 p.a.

Another change is that 20% of the

government's new homes bonus is being diverted to economic regeneration. Although the district's share of the council tax is only about 13% compared to the county's 66%, SLDC is aiming at no increases and has hopes of improving services like waste collection to 80% of public approval.

A trial of separate receptacles for plastic is being made in Kendal. I have mentioned that putting out another blue box could create obstructions where houses open out directly onto the street. May I remind you that householders unable to move their wheelie bins and blue boxes can ask for a doorstep collection by ringing 01539 733333.

Following a mildish winter we have ample supplies of salt and grit, and I am pleased that flood prevention work is being carried out in Neddy Hill and Tan Pits Lane. I have asked that the gullies in Main St and elsewhere be scoured ere the winter storms begin.

Best wishes,  
Roger

## Burton Recreation Trust Annual 10K and Fun Run

Burton Recreation Trust held its annual 10K & Fun Run on Sunday 8 September where sixty six 10K runners and thirty eight Fun Runners competed. The forecasted rain fortunately held off, and timekeepers and those serving hot drinks and barbecued food in the school playground didn't need to rapidly erect the gazebos!

The official race starter was district & county councillor Roger Bingham, who also presented the prizes. The main sponsor was Aggregate Industries Ltd. Other local businesses generously provided donations and raffle & spot prizes.

Results of the 10K were:

1st Male: Sam Fisher who romped home in 36 minutes and 10 seconds, 57 seconds better than last year's winner. Sam was also the Under 21 winner.

1st Female: Katherine Whitehouse 45:55

Veteran Male was Paul Muller who also came second overall at 36:30

Veteran Female was Kath Hayer who was also 2nd Female 47:49

3rd Male: Richard Marlton 37:23

3rd Female: Maxine Warden 48:20

Female under 21 winner was Catherine Nichol.

Fun run results were:

1st Samantha Bland

2nd Jack Wilkinson

3rd Matt Clarke

The oldest runner in the 10K was won jointly by Bernard & Evelyn Elkington who received a bottle of sparkling wine. Fancy dress winner was cowboy Jack Stephens, and the youngest fun runner was James Coates, who both received a bag of goodies. A good selection of spot prizes was also awarded for both the 10K and the fun run.

This annual event is the main fundraiser for Burton Recreation Trust which provides outdoor recreation facilities in the centre of the village including a bowling green and tennis courts and is open to all residents of Burton and surrounding district. A donation will also be made to Burton-in-Kendal First Responders. Two of Burton's First Responders acted as marshalls for the event.

The Trust would like to thank everyone who took part; competitors, helpers and those businesses which sponsored the event, which is now a firm favourite in the running calendar and good practice (so we're told) for the Great North Run! It is always held on the second Sunday in September, so now is the time to put this in your diaries and start your training regime for next year!

Both races start from Morewood Drive, the 10K starts at 11.00am from the top and the Fun Run at 11.15am from the school. Both races turn southward along Main Street and turn up Dalton Lane, The fun runners then turn up Dicken Lane towards Dalton whilst the 10K takes in the gruelling hill up to 19 Trees and turn left there to Dalton, where there is a water stop. Both races can then pick up speed on the

downhill all the way down Vicarage Lane, the fun runners turning left through Glebe Close, through the pedestrian gate onto the Main Street and to the Finish just through the school gates.

The 10K run crosses the Vicarage Lane crossroads and head down Tanpits Lane to Station Lane, over the motorway, under the canal and railway bridges and left to Hilderstones where there is a second water stop. Onward then to Tarn Lane and left onto Main Street finishing at the school. A tough run but it gets the worst over first and you can't beat the scenery!

Last but by no means least, thanks to Tony Connor, our official photographer and whose photos of the race can be seen in the Village Store.

## POLICE REPORT BURTON

15/8 A report of hard selling tactics by Cold Callers. Patrols attended but we were unable to locate any male described on the log. If at all you feel uncomfortable at your own door please let us know so we can come to the area and check out the cold callers. Many do have a licensed badge to enable them to do this but unfortunately the small minority let themselves down. If you want a sticker to display in your window please feel free to get in touch with me on the 101 number or email me at [amanda.coleman@cumbria.police.uk](mailto:amanda.coleman@cumbria.police.uk).

16/9 A report of children playing in the road on St James Drive and putting themselves at risk, patrols attended but no children were in the road. This is something I will mention to the school re road safety.

17/8 A male netting in the river nearby for salmon was reported to us. River watch and the water bailiffs were informed but it turned out to be just into the Lancs area.

27/8 A complaint regarding large tractors using Dalton Lane towards Kirkby Lonsdale was reported to us. These have been reported as having

very near misses with other road users and using their mobile phones whilst driving. This has been dealt and they have been spoken to regarding their manner of driving.

A resident has let us know their concerns re cars parking on the zig zag lines outside the school at school times. I have been in touch with the school so hopefully they will send out a letter to reiterate this once again.

In the month of September we are running our alcohol strategy operation. We will be going into all secondary schools to give talks about the effects that alcohol has on the body and to warn youths regarding the consequences while under the influence. Domestic abuse, assaults, public disorder, antisocial behaviour can all be caused by offenders or victims being under the influence of alcohol. Not only does it cause misery but the cost to policing is huge.

Tackling burglary is a force priority. Recent statistics show that over 60% of burglaries are via insecure properties with burglars getting access to homes via open windows and unlocked doors. To prevent your home being an easy target for thieves, please take some time now to assess the security of your home. The following advice below will greatly help to keep your home and possessions safe.

## Burton Pre-school Fundraising Events

### SWAP DON'T SHOP!

Come along to our Clothes Exchange on 11 October 7.30pm at The Watersedge Restaurant, Borwick. We all have gorgeous clothes we just don't wear any more for one reason or another... Have fun, get together with friends and update your wardrobe for free!

Clear out your old clothes, accessories and footwear, fetch them along and exchange them for a whole new look! How does it work? Fetch your clothes along and swap them for tokens. Browse through the clothes, accessories and shoes. Make your selections. 'Buy' them with your tokens. £5 entry to Burton Pre-school.

## Hutton Roof Crag Nature Reserve

After 56 years, and thought for a long time to having become extinct, the rare holly fern has recently been rediscovered on Cumbria Wildlife Trust's Hutton Roof Crag Nature Reserve. The new record has aroused much interest both locally and further afield, even as far as the British Museum.

The plant was found after all this time following extensive searches by local Burton naturalist Bryan Yorke, who is on the nature reserve on most days searching, recording and illustrating its rich wildlife. Bryan says he's even more delighted because the Hutton Roof Crag record is believed to be located as the lowest altitude ever recorded for this species in the whole of the United Kingdom.

Hutton Roof Crag is home to many rare and unusual species of plants but to rediscover the holly fern after all this
