EDITORIAL

Welcome to the May Edition of Burton News. We had hoped to bring news of activities taking place in the village to mark the King's coronation.

Unfortunately, we must instead report that the 'Big Bash, Colour Dash' advertised in last month's BN has been cancelled. There will, however, be a live-stream of a Coronation classical concert at St James Church on Saturday 6th May - see the Vicar's letter on page 20 for more details. We also have a 'Coronation Challenge' this month. See page 17.

Speaking of 'Kings', we know Burton residents are keenly interested to know what is happening at the Kings Arms. We were happy to receive a letter from the new management team confirming that the pub will officially re-open on Friday 19th May. Let's hope the village supports the new team to secure the future of the pub.

We've again included details of the 'Open Day' in the hall and school on 3rd May. All residents are invited. Do come along to meet, and may be join, the community groups that make Burton such an enjoyable place to live; and to learn about our excellent village school.

After working tirelessly as Burton News' Distribution Manager for many years Hazel Parker has stepped down from the role. The Editors and Committee are very grateful to Hazel for all her hard work and are glad that she is remaining on the Committee. Thank you, Hazel. We are delighted to welcome Paul & Mary Bullimore as new Distribution Managers and look forward to working with them.

Please would readers note that letters & articles must include a valid name & address. This can be withheld from publication on request. We will not publish any anonymous letters, or material which, in the opinion of the Editorial Committee, is of an offensive or defamatory nature. BN reserves the right to edit letters & articles in the interests of magazine space.

EDITORIAL (Continued)

You will see from our front page that, as usual, May BN is our fund-raising edition. We always check and manage our costs very carefully, but it now takes around £3,500 to produce 11 editions of BN a year, and to provide a copy to each home in the village. Our print run is now 730 copies per month to include the new houses at Meadow Close. Current advertising revenue will only cover around half this, even after increasing our prices this month. The one-year grant of £500 promised by the Parish Council will help close the gap, but the rest does need to come from donations.

We include a donation envelope in this month's BN which can be dropped in the collection box at the village shop (thanks to Gill & Akis for accommodating this). Last year only 130 out of 700 envelopes were returned with a donation, although we did also receive some funds via BACS as well. We know family finances are tighter due to inflation but hope that our readers will donate to help secure the future of BN in its current form. More details of how to donate can be found on page 4. We shall report on results from the donation drive at our AGM on Tuesday 20th June (8pm BMH). Please help if you can.

This month's edition includes information about the 2023 Art & Craft Exhibition at the Hall, a detailed report from the children at Burton Morewood School, more fascinating history and metal detecting articles from Kath and George, and more information about the Drama Society's show on 19th & 20th May. We hope you enjoy May's events and this edition of BN.

Fiona & Matthew

Readers' LETTERS

The Kings Arms will re-open!

The Kings Arms is now under new ownership. We will be closing our doors until the 19th May to enable us to do some refurbishment and show The Kings Arms some well needed and deserved love.

We hope to see you then, and look forward to returning the Kings Arms to the centre of the community. We will introduce ourselves properly, and share more about what we hope to achieve, very soon. Keep an eye on the Kings Arms Facebook page!
Amy, Ant, and Neil.

Dear Residents of Burton, Hutton Roof, & Clawthorpe,

Felling License Application (Forestry Act 1967)

Andy Bennett from the Forestry Commission has asked me to let you know about the Felling license application for the section of roadside to the east of Oakwood Farm, up Clawthorpe lane, running from above Oakwood Farm to Farleton Rise.

We will be felling ash trees and 100% restocking 3:1 with pendunculate/ common oak, and then rebuilding the dilapidated wall to ensure the safety of stock. The application number is 010/1048/2023.

Thomasina and George, Curwen Woods Estate.

Burton Art classes began in January 1977. Mrs M.C.Probyn was the first Tutor. There were 20 members including myself. (Kath Hayhurst). The group provided a display at the Jubilee Exhibition in Burton Memorial Hall that year. In 1978 the group was incorporated into Milnthorpe Community Centre's programme and took part in an Exhibition there, as well as at the Burton Country Fair. The group ended in 1982.

From 2004 to 2007 there were Water Colour painting classes with Gill Chaldecott. The Burton-in-Kendal Art and Craft Society began in 2005 and the first Exhibition was held on the 18th and 19th of June.

Burton Women's Institute

At their Annual Meeting Members of Burton WI accepted the adoption of their Financial Statement. Our President, Liz Falkingham, gave her address and agreed the Adoption of the Annual Report. Liz had successfully completed her term of office and was stepping down. She was given flowers, sincerely thanked for being our President and guiding us through the Covid epidemic.

After a secret ballot Andrea Bell was unanimously elected to be our new President. The ordinary Meeting continued with members enjoying a selection of delicious canapes and anti pasta. The Competition for a Pasta Picture was won by Kath Hayhurst with Anita Shelton second. Dorothy Spencer won the raffle.

At our May Meeting Debbie Haine will be giving a talk on the History of Belly Dancing. The Competition will be for a scarf and Carolyn Lamper and Josie Mulhearn will be the hostesses. If you wish to join the W.I. please contact our Honorary Secretary Helena Nixon on 01524 781048

Burton Fellwalkers

Burton Fell Walkers aim to do three walks each month, except in December. New walkers are always welcome, come and join us! Contact our Secretary Sarah Walker via the website <http://fellwalkers.burtonweb.org.uk> or on 01524 923528.

May walks are as follows:

Bonus Walk

Wednesday 10th 8.30am - St Johns in the Vale (3,600ft) - 9 miles - Strenuous

Sunday 14th - 10am - Casterton sheepfolds - 6 miles - Moderate

Wednesday 17th - 6.30pm - Strickland Arms/Helsington - 5 miles - Easy

Saturday 20th - 8.30am - High Dam - (1,400ft) - 8 miles - Moderate/Hard

Burton, Holme, & District Local History Society Summer Coach Trip - Saturday 24th June 2023

The Local History Society is organising a coach trip to Newby Hall - open to non-members - on the above date. We will be leaving Burton at 8.30am, and Holme at 8.45am. There will be a short stop en route at Skipton, where coffee can be purchased. Newby Hall has a wide variety of attractions, including gardens, a doll's house exhibition, and a teddy bear exhibition. The trip includes a guided tour of the Hall, which contains lots of Chippendale furniture. Boat trips can be taken on the river, and there is a miniture railway (both extra cost).

If you would like to go, please contact Pauline Ingham on 01524 781136.

Burton Singers

Burton Singers will be performing their concert 'It's a Wonderful World' on Saturday 10th June. Tickets are £12 and will be available from the Village Shop nearer the time. More details can be found on the posters around the village, coming soon, or on our Facebook page.

Burton Amateur Dramatic Society

Lines are learned (almost!), the stage is set (almost!) but it is definitely the time for you to secure your tickets for BADS performance of W.I. Blues on Friday 19th and Saturday 20th May. Tickets will be available from The Village Shop from the beginning of May at a cost of £10 each. Please pay with cash. If you are unable to get to the shop, please get in touch with me directly (details below) and I will give you the bank details and reserve your tickets to pick up on the night. Wine, soft drinks, tea and coffee will be available to purchase.

I wonder if there are any of you who remember this play being performed back in 2005?! The author, John Peel, wrote it specifically for BADS as an all-female ensemble cast. Here is the original, rather tatty, poster. One of the cast that year is sadly no longer with us, Jennifer Wetherill. Another is still in the cast, I wonder if you will guess who it is, 18 years on, and what part she has this time?! Come and find out!

Burton-in-Kendal Swift Group

By the time this edition of BN is distributed the skies of Burton will hopefully see the return of the swifts that nest in the village each year. Since 2013 the Burton Swift Group has made observations of the numbers of swifts, recorded their nesting sites, and provided advice and guidance to those whose properties are lucky enough to host these remarkable birds.

We meet each week during 'swift season' to carry out observations. Our first 2023 meeting will be on Thursday 4th May at 8.30pm outside the Memorial Hall, and each Thursday thereafter at the same time; until they leave us again. If you'd like to learn more about swifts, and help us with our work, please do come along. You can follow our updates on Facebook - just search for Burton-in-Kendal Swift Group.

(and perhaps get involved in a new group?)*

The Word From BURTON MEMORIAL HALL

Firstly, may I thank everyone who came along and supported both the Easter Bingo and the Spring Market at the Memorial Hall. These are both important fundraisers, as we face the ongoing challenge of keeping the Hall running in the face of rising costs and essential repairs to the car park and the main hall roof (both of which will be expensive). We are also going to need to seek grants to help fund the repair work and would welcome help from someone experienced in dealing with grant applications to funding bodies; if that someone is you please contact me on 01524 781306 for a chat.

We are also looking for people to help on an informal basis with our events - either helping set up and take down furniture, staffing the door, or the raffle, selling food, or working behind the bar when required. It's a great way to get involved in village life on a less demanding basis and meet new people, or even discover a new group or activity to join in with. Again, if you'd like to know more please give me a call as above, or talk to any member of the Hall committee that you may know.

Our next event will be a joint venture with Morewood School: a welcome to the village open day at the Hall on Wednesday 3rd May from 12.30pm-4.00pm and at the school from 5.30pm-6.30pm. There will be hot drinks and cake on offer, and you'll be able to chat with members of various groups in the village and see if any of them appeal to your interests. I do hope to see you there. On the 7th June we have our AGM, and also a Psychic Night from which the Hall will benefit by receiving the net profit (see below).

Anne Nichols, Chair of the BMH Management Committee

Burton Memorial Hall Annual General Meeting Wednesday 7th June 7.30pm

The AGM is open to all residents of the parish over the age of 18. So, if you'd like to have your say on any matter relating to the Hall, or offer to help in any way, please do come along on the night.

There is an event on in the main Hall room the same evening (see poster) that will raise much needed funds. So the AGM will be held in the Club Room.

You should also advise of any dietary requirements. If you need a receipt please include an SAE. Enquiries 01524 781613 or email kathhayhurst84@gmail.com.

It's a date in Burton! History notes by Kath Hayhurst

One of the oldest engraved dates in the parish is to be found in Cocking Yard. In the Royal Commission for Historic Monuments, published in 1934, it was described as follows - "A reused lintel in the head of a passage, between two later cottages - a late 17th century door head". This is a stone that would originally have been over the entrance to an older building and was engraved with the date 1665 and the initials RG. We do not know who RG was.

By 1987, when the local History Society took part in a Cumbria Dated Structures Project, the initials and date on the stone had been changed to EJDD 1661. The change was made by covering over the original salvaged lintel. The residents at the time were Edward James and Denise Dowbiggin. Presumably, they chose the date 1661 because this was the date that a "Market Charter" was granted to Burton. A Charter Market in England is a street fair or market which was established by Royal Charter. Many charter fairs date back to the Middle Ages, with their heyday occurring during the 13th century.

There is another reused door lintel on the back of a house in Burton Square. This is engraved with the date 1663 and the initials either II.I or JJ.J The latter may be more likely as there was a John Jackson recorded as a resident in the Burton Hearth Tax for 1666. Perhaps the third letter is his wife Isabel or Jane? More research is obviously needed!

Editors' Note: The Hearth Tax was levied on the population during the period 1662 – 1688. It was a tax based on the number of hearths (Fireplaces). Each hearth was rated at two shillings per year and the payment was collected in two installments, Lady Day (25th March) and at Michaelmas (29th September).

George's Treasure Trove

During the reign of Elizabeth 1st coinage attributed to her, and bearing her portrait, were introduced and occasionally these coins are unearthed with the aid of a metal detector. I was lucky enough to discover a silver shilling attributed to Elizabeth which is in outstanding condition considering that it had been buried in a field for a period of four hundred and fifty years. The aforementioned coin has no indicated date on it but was introduced into circulation in 1560-1.

Most of Elizabeth`s coins were introduced with a Tudor rose depicted behind the Queen`s head, the shilling dated 1560 does not have the rose, the sixpence shown here (bottom image) has it! This pastime / hobby of metal detecting is rewarding on several levels for the finds made, exercise, fresh air, and the feel-good factor when a find of note is discovered.

A Word from our Westmorland & Furness Councillor

Westmorland and Furness Council met for their first AGM on the 20th April 2023. Cllr Jonathan Brook was unanimously elected Leader of the Council with Cllr Patricia Bell as Deputy. Cllr Matt Severn was also unanimously elected Chair of the Council and Cllr Ali Jama, Deputy. All the Committee Chairs and members were assigned, along with outside bodies. The sun was shining and it was quite an historical moment!

There will be three Locality Boards and three Locality Planning Boards; Eden, Furness, and South Lakeland. I am pleased to be Chairing the Locality Planning Board for South Lakeland. I will also be Vice Chair of the Corporate Overview and Scrutiny Committee. Other Committees I will be on are; Children, Young People, and Families Scrutiny; Health and Adults Scrutiny; and the Locality Board. I will also be a substitute on Community and Environment Overview and Scrutiny Committee, Lake Administration, and the Strategic Planning Committee. I have also been appointed to be a Member of the Lake District National Park Authority.

The Locality Board is due to meet on the 10th May, when we will be able to discuss budgets and local outside bodies. The Locality Planning Board is due to meet in the next couple of weeks.

By the time you read this I will have met with Highways and Burton Morewood School (on Wednesday 26th April) to discuss a safe crossing for the school children.

I am hoping to hold a surgery every other month at the Memorial Hall. Watch this space!

Fitness Is Fun!

Get the music on and let's get the heart rate up, seated!

Warm up by rolling the shoulders forward and backwards; take straight arms from out front to the side; march the feet and gently pump the arms. Now let's raise the heart rate, the speed of each exercise is up to you.

1. March the feet and pump the arms.
2. Reach one arm up diagonally across the body. Repeat with the other arm. If you want more, stretch alternate legs out to the side [same leg as arm]
3. Similar to 2, but take the arm across the front of the body.
4. Jumping Jacks...without the jumps! Both arms to the top, clap if you like, whilst taking both legs out and in.
5. Pulling both arms down from above the head at the same time as raising alternate knees.
6. Now a little kick boxing... 'punch' arms alternately to the front, kick opposite leg to arm out in front.

These can be done for 40 seconds with a 20 second rest in between each exercise and then all repeated 3 or 4 times. It's a good idea to cool down and get the heart rate back to normal so reverse the warm up and do some gentle stretches.

Stay safe and remember to stop if anything hurts.

Have fun!
Jan Abbott

Burton Morewood School Report

This month, our school entry comes to you via our Year 6 'roving reporters'! We've had SUCH a busy term...

NURSERY

For their class topic, Nursery have been learning about sunshine and flowers, which also includes gardening, growth, caterpillars and weather. They have also been learning about different seasons, being healthy and eating good foods. In addition, they have been having fun in their role-play beach shop. To add a link to that, the children have been learning how to keep safe in the hot weather that is coming up this summer.

By Lizzie and Maddie

RECEPTION

In Reception, they have been learning all about dinosaurs! They have learnt about their habitats, foods and ways to survive. The children even wrote letters to dinosaurs. They've read 5 different dino books, some of which are: Cave Baby, Dear Dino and If I Had A Dino. Reception have had four special visitors over the course of the last half term which are: the author Sarah Igo, an oral health dentist, a Grandad telling them all about skiing, and a visitor from India! Reception have also really enjoyed having special coaching from Adam of Cumbria Cricket who came in to teach them how to bowl, bat and field.

By Bradley and Lilly

YEAR 1

In Year 1, they are learning about the 7 continents of the world, the 5 oceans, hot and cold countries, capital cities and they have even learnt a song all about these facts! They really enjoyed their cricket sessions with Adam in their P.E lessons. In science, they are learning about the lifecycle of butterflies and frogs and they are going to our pond to explore the wildlife that is there. In English, they have read 'George's Marvellous Medicine' by Roald Dahl and have made their own potions! Year 1 have also been learning about the signs of spring and the flowers that grow.

By Elsie

YEAR 2

One of the many topics year two has covered in spring term is coastlines and how they are being affected day to day. The RNLI even visited to help ensure the children's safety in water at all times. Along with this topic, they have been learning about human and physical features and coastal erosion. Also linked with this learning, the class created some fabulously colourful beach huts.

In their science lessons, they have observed plants and the factors that help them pollinate. To add to their understanding, the class have successfully grown many daffodils, and cress, which they have looked after themselves. During their tricky maths lessons, year 2 have been working extra hard on fractions and visualising pizzas to help them.

In English, they have been writing non-chronological reports about Whitby, which is on the east coast near Scarborough. For their class book, they have been reading the well-known author, Katie Morag. Recently, at Kendal town hall, the class enjoyed performing many songs with other schools as part of The Big Sing event which they all enjoyed very much!

By Henry and Amelia

YEAR 3

Earlier in the spring term Year 3 learned a dance routine in preparation for the Brewery arts dance festival where they performed in front of their parents and teachers. They performed along with other schools from across the county.

They have been learning how to measure mass during their maths lessons this term. Their new topic is about the Roman empire and how their culture, religion and art have changed the country. In English, they have linked their Roman topic with learning how to write a biography by describing a Roman emperors experiences and way of life. In science, they have been learning about plants and how different male and female parts work. In computing, Y3 have been learning the basics of coding and have started learning how it works.

By Sam and Nate

YEAR 4

In maths, year 4 have been busy learning all about decimals. They have also been pushing themselves to learn all of their times tables up to 12x12. In English, they have been designing and writing fell walking leaflets in preparation for walking up Burton Fell in the next 3 - 4 weeks, if the weather is satisfactory. For science they've had fun learning about how to classify animals and plants. They have engaged in their learning and listening in geography all about mountains and rivers, which they have thoroughly enjoyed. Tag-rugby can be wet sometimes, it was for the Y4s. Although the weather was awful they still went out to a tournament and had loads of fun in the rain. They lost, drew and won with big smiles on their faces. Year 4 have enjoyed reading the awesome book King of the Cloud Forest by Michael Morpurgo. Lots of members of the class have loved reading the Dog Man books as well. Good to see young members of the school enjoying books.

By Fay and Eli

YEAR 5

During spring term, year 5 have been creating fair trade and allotment leaflets as part of their English topic. They have also been on a visit to a farm and then the farm came to school where they learned how to make butter! In maths, Year 5 have been doing decimals and fractions, where they have been learning about tenths. In science, they have been dissecting fruits and taking the seeds out of them to observe the seeds types and functions. In computer science, year 5 have been learning about databases and data collection. Year 5 have also been lucky enough to go skiing at the dry ski slope this term as part of their PE curriculum which they all absolutely loved!

By Amelia K and George N

Year 5 pupils try their hand at 'milking' in the classroom

YEAR 6

We've had a very busy time in Year 6. So far 16 children have visited Elmsfield house, a residential home for older citizens living with dementia. We enjoy spending time playing games and chatting with the residents. In RE we made God's eye crosses in the lead up to Easter which we presented in church at our Easter service; we left these on display in church which we hope you got to see. In PE on a Friday, we have been lucky enough to take part in Cumbria cricket sessions learning all types of different skills over the past 6 weeks. We have also been learning about Environmental Art - we have made sculptures out of recycled materials. The purpose is to show how much damage plastic does to our oceans and environment and the impact it has on global warming. We are currently preparing and getting ready for SATS.

A Sedbergh Walk (4.5 miles)

This walk was the March 'Wednesday Walk' for the Burton Fellwalkers. Start outside Westwood Books (LA10 5AH). Free parking is usually available on the left hand side of the road past the bookshop (Long Lane, A683). Walk up Castlehaw Lane at the left-hand side of the bookshop. This will take you round the back of the remains of Sedbergh Castle. After about a ¼ mile you will reach a set of buildings (Map point 1). The path turns left here, and then right, over a small bridge and across the front of Howgills Barn. Go through the gate at the far side of the yard beyond the Barn.

From here, follow the line of the well sign-posted public footpath, over a number of stiles and small streams. Shortly after crossing two ladder stiles you will reach Ghyll Farm (2). Follow the path through the farm yard, turning right in front of the farm house, onto a paved lane to Stone Hall (3). Take the left turn to walk across the front of Stone Hall, passing through two gates and back onto open farm land.

At Hollin Hill Farm go through the yard and take the marked path toward Ellerthwaite (4). Here the path turns right over a stile past the front of a house and then joins Buckbank Lane over another stile. Follow the lane until you reach Buckbank Farm. (5) Here, turn left into the farm yard and follow the route through the yards, uphill through a farm gate, to join a path leading down, somewhat steeply, above the River Rawthey.

At the bottom of the hill cross over the A683, through the two gate stiles (6), joining the riverside path. Follow the footpath alongside the river until you reach the road bridge at the A684 (7). Turn left over the bridge and then join the river path on the South side of the river. Follow this path until it meets the road from Dent to Sedbergh (8). Head toward Sedbergh on the road. Look for the footpath sign on the right hand side, leading uphill past one of the Sedbergh School buildings (9). Continue alongside the school playing fields to return to Long Lane and the start point.

Up for a Challenge?

We know many of you will be enjoying the celebrations to mark the coronation of King Charles III on Saturday 6th May. There may not be many Burton community events happening over the coronation weekend, but we feel sure that our talented readers - of all ages - will be painting, making, or baking to mark the historic event. We'd like to see your creations of artwork, costumes, baking, craft items, etc..

We'll aim to feature the top ones in next month's edition and your Editors are happy to donate a £10 gift voucher as a prize for the one we judge to be the best.

Please send a photo of your entry to us at burtonnewseditor@gmail.com not later than Friday 19th May - to give us time to shortlist the best entries and choose the winner.

Vicar's Letter...

Dear Friends,

An invitation to The Coronation Prom

The coronation of Charles III and his wife Camilla, as king and queen of the United Kingdom and the other Commonwealth realms, will take place on Saturday 6th May. A very special event is taking place that evening at The Royal Albert Hall in London - The Coronation Prom – and we will be live-streaming this (using our superfast B4RN broadband connection) to St James Church, Burton. We warmly invite you to join us.

**The Coronation Prom
Live-Streamed from The Royal Albert Hall
to St James Church, Burton-in-Kendal
at 7pm on Saturday 6th May
Doors open, and refreshments served, from 6pm
Free entrance, no booking required**

The Coronation Prom is organised by All Souls Music who for many years have been behind the outstanding All Souls Orchestra and the annual Prom Praise events in the Royal Albert Hall. You can find out more here:
www.allsoulsmusic.org

The 120-piece All Souls Orchestra conducted by Michael Andrews and a special Coronation Prom Choir of 100's will lead the evening which will include:

- William Walton's 'Orb and Sceptre'
- Elgar's 'Pomp and Circumstance March No.1'
- Handel's 'Zadok the Priest'
- John Williams' 'The Throne Room and End Title' from Star Wars
and will feature special guests:
- The Kingdom Choir – outstanding British gospel choir led by Karen Gibson
- Jan Mulder – internationally admired pianist and composer
- Joanne Lunn – renowned Soprano
- Brian Doerksen – Canadian singer and songwriter

Rico Tice, the man behind 'Christianity Explored' and 'Hope Explored', will be speaking about why Jesus is the King of King Charles, the King of all Kings, and the perfect King who we all need. Rico is well known for his many years of clear, engaging and thought-provoking explanations of Christian faith to those who are unsure whether the faith of our grandparents has any relevance to us today.

This is an evening not to be missed – do come and join us.

Sincerely
Graham Burrows
