EDITORIAL

The arrival of Autumn in Burton has long been heralded by the 'Onion Show'. This year's event was a resounding success at the new venue of the Memorial Hall. Neil Shaw's report of the day can be found on page 6. We are sure that our readers will want to join us in thanking Neil and everyone involved for their many hours of hard work to make the day run smoothly. A great time was had by all, with substantial funds raised for the Sports & Recreation Trust and other local good causes.

This month we have our usual features, including a look at a fascinating school photo album as explained in Kath Hayhurst's History article on page 9. Burton Thistle F.C. fixtures for October are included as well as last month's results. Why not go along and support your local team? Or if football is not your thing, there is a new knitting & crochet group meeting at the Memorial Hall on Wednesday 4th October. See Anne Nicol's Hall article on page 7.

A great many of Burton's society meetings, activities, and events are held at the Memorial Hall; it really is a vital hub for our community. The Hall was originally built over 60 years ago, with the main roof being replaced nearly 33 years ago.

The views expressed within Burton News are not necessarily the views of the Editors or the Editorial Committee

Please would readers note that letters & articles must include a valid name & address. This can be withheld from publication on request. We will not publish any anonymous letters, or material which, in the opinion of the Editorial Committee, is of an offensive or defamatory nature. BN reserves the right to edit letters & articles in the interests of magazine space.

EDITORIAL (Continued)

The Hall Committee need to plan for the future in order to ensure the building remains viable so do please read the information Anne has shared about the roof appeal, and help with a donation if you possibly can.

Speaking of donations, Burton News is very grateful to Bob & Kath Kirkman for their kind contribution to our funds to mark their Diamond Wedding anniversary in September. Thank you both and congratulations!

Village events for October include a Halloween themed coffee morning at the Hall on 14th October and the possible return of the 'Pumpkin Trail' around the village. At the time of writing the details are not confirmed but it seems from the Burton Westmorland Facebook page as if this, and the December 'Star Trail', will go ahead. Burton News now has its own Facebook page and we will share details there as soon as we know them.

Our 'Challenge' this month is a photo competition, see page 12. So get snapping and send in your entries. We will share our choice of the 'top' photographs in a future edition and on our Facebook page.

Finally, the heartfelt thanks of the whole Burton News team go to Judith Ellis, who has decided to stand down from the Editorial Committee after many years. Thank you Judith, for all your help in steering the production of Burton News; we all wish you all the very best for the future.

Fiona & Matthew

Readers' LETTERS

Do you enjoy reading your Burton News every month? Do you appreciate the delivery to your door? This all happens with a magnificent team of dedicated volunteers who distribute them each month. We have a full complement of volunteers at the moment but there is a natural turnover and it is good to have a few people waiting in the wings. So if you think you would like to take on a delivery round please let us know and we can then contact you when a vacancy occurs.

We would also be like to hear from anyone who may not want to take on a round full time but who could stand in when people are on holiday or sick.

Burton Women's Institute

At their September monthly meeting instead of a Treasure Hunt (Autumn and darker nights having caught up with us) we were delightfully entertained by Fiona Hanlon who played and sang for us a wide range of requests from members – this resulted in a very pleasant and joyful evening.

The competition for a broach was won by Glenis Smith. The raffle was won by Helena with Joyce second. The hostesses were Gill and Kath and the vote of thanks was given by Gill, On the 24th August 14 members had a very enjoyable lunch at Crooklands - organised by Joyce.

At our meeting on the 12th October Jan Abbott will be telling us about her Peruvian Adventures. Hazel Parker and Rosie McLoughlin are the hostesses and the competition will be for a Holiday Souvenir. If you wish to join the W.I. please contact our Honorary Secretary, Helena Nixon, on 01524 781048.

The 47th Onion Show - A Great Success!

The 47th Burton Onion Show was held in the Memorial Hall this year as our normal venue was unavailable. The Sports and Recreation Trust ran a makeshift bar and did a great job.

A Bouncy Castle kept the younger generation entertained. As usual, there were plenty of entries for all classes and all were of a very high standard. The Promise Auction went smoothly with the "lots" attracting healthy bids. The Sports Committee would like to thank all the growers, bakers and donators to the auction.

Thanks also to David and Karen Crayston for some difficult judging and to all who attended; making it possible to raise an amazing £6500 for our funds.

A huge thanks and well done to Thomas Staveley (aged 7) who won the logo design competition at the Onion Show. His winning entry is shown here. Congratulations Thomas!

The Word From BURTON MEMORIAL HALL

Our hall needs to replace the pitched main roof & we'd like to make it a solar panelled one to generate electricity to run the hall, but we need a structural survey to see if the roof will take the weight of the proposed new panels. We have set up a Crowdfunder to pay towards the survey, can you help us by donating or sharing or the Crowdfunder link please?

<https://www.crowdfunder.co.uk/p/roof-inspection-report-for-solar-panels>

It might be useful to explain what the hall wants to do re the main roof, so here goes. It's almost 33 years old, and is showing signs of wear (edge degradation, rust, minor leaks etc) and is past its expected lifespan. The hall committee has discussed the various options - repair the existing roof and give it a couple more years of life, replace with like-for-like, or replace with integrated solar panels. The latter is the committee's preferred choice but it depends on what condition the roof supports are in and whether they will take the weight of the proposed integrated panels. To establish this we need to commission a structural engineer to look at the roof supports, hence our need for funds to pay for it. We have applied for a grant to cover two-thirds of the cost (£2000), and the crowdfunder will, we hope, cover the remaining third of the fee (£1000).

If the crowdfunder exceeds its target then the surplus funds donated will be used to pay towards the next phase of the work (i.e. the remedial work if the supports won't take the extra weight, or the application for planning consent and building regulations if they will). Using crowdfunder to raise some of the cost helps us prove to the grant funder that the hall has the support of our community, which is why every donation really does matter. If everyone in the village gave £1 it would send a strong message to the funders that the hall is important to you, so please, will you help us if you can? We know times are hard for many families so we're not asking for big donations, but if we can garner lots of smaller ones it will help enormously. Every donation, of any size, will help us hit our goal. Thank you!

Starting on the 4th October there is a new Knit/Crochet and Natter group on Wednesday evenings at the hall, from 6.30pm-8.30pm. There would be a per person cost of £2 to cover the cost of hiring the room, and you can bring along your knitting, crochet, drawing pad, or any similarly non-messy activity and spend a couple of hours in a friendly supportive chatty group. There will be hot drinks and cake on offer too. Do come along if you can.

Finally, our monthly coffee and cake morning will be on Saturday 14th October, from 10am-12noon, it will have a Hallowe'en theme with a children's story corner with spooky tales from our storyteller so do bring the children, and lots of delicious home-made cakes to enjoy.

It's a date in Burton! History notes by Kath Hayhurst

One of the most important items given to me, for the Burton Local History Society Archives, is a photograph album of the village school's pupils and teachers. Dating from 1921 to 1937 the album was assembled by Mr Smart (an excellent name for a teacher!). He was headmaster and lived at School House.

There are 141 photographs of pupils and 14 of teachers and student teachers. The children who passed the scholarship exam are outlined in red. The boys who passed went to Heversham Grammar School or Lancaster Royal Grammar School. The girls who passed, went to Kendal High School or Lancaster Girls Grammar School. Queen Elizabeth School at Kirkby Lonsdale was not open to Burton children until circa 1950.

Mrs Eva Casson nee Ross was a pupil teacher at the school, and she added useful information about where many of the children and teachers lived, as did Mrs Mary Cummings. Some pages of the album are shown below.

An Autumn Woodland Walk

Skelghyll Wood near Ambleside offers a pleasant, dog-friendly, walk with the chance to see the colours changing on a range of trees as well as a delightful view from Jenkin Crag. A wander through Stagshaw Garden (National Trust – free entry) can be added to your wander, as can the ‘Ambleside Champion Tree Trail’.

Start by parking at Waterhead Car Park on Borrans Road (LA22 0ES) where there are also public toilets. To start the walk turn left out of the car park toward the traffic light junction, turning left again into the cut-through alongside the Water Head Hotel. Cross the A591 to the steps next to a slate wall – signed to Jenkin Crag. Follow the path behind houses, climbing steps over a wall. Cross the field toward a point where 2 walls meet where a stile offers the entry point to Skelghyll Wood.

A path leads from the stile through the woods, When you reach a crossroads go straight over and after a short while you will reach a track, turn right onto it to join the Woodland track. To reach Jenkin Crag stay on the main track and just past a turning signed for Kelsick Scar you will reach a gap in the wall on your right-hand side. There is a National Trust sign pointing the way to the Crag. This area has some steep drops so it may be worth putting your dog on a lead at this point.

You can re-trace your steps back to the car park from the Crag, or on returning to the Jenkin Crag sign follow a path on your right hand side (with your back to the viewpoint) down into woodland at the side of the Crag. This path is steep in places. You will reach a 5 way junction of paths. Take the 2nd right path down through the woods. Where the path turns sharp left you need to go straight ahead, rather than follow the main path. This track will take you to the small car park for Stagshaw Garden. In the car park you can find information boards about both the Garden and the Ambleside Tree Trail.

Stagshaw Garden was created by Cubby Acland, a former National Trust Agent, and sits on the hillside with paths through numerous planted areas and a waterfall. It is open from dawn to dusk. Dogs are welcome and entry is free. The Champion Tree Trail is a circular path that goes through woodland past some of the tallest trees in England, including a Grand Fir. Information boards give facts about the trees and the route is well marked. It finishes back at the car park for Stagshaw Garden.

From the Stagshaw Garden car park you can easily find your way down to the A591 and follow the footpath back to the Waterhead Car Park.

Council News from Vicky Hughes

In September I attended Parish Council meetings at Hutton Roof and Burton. I have reported the broken sign at the Clawthorpe junction, and opposite Moss Dale Services, these have both been ordered and are awaiting delivery. Other meetings I attended in September were; Armed Forces Covenant Roundtable meeting, Green Waste Update, South Lakeland Local Area Planning Committee, Children and Young People Working Group, Highways Working Group, and Health & Adults Scrutiny. I attended other meetings as a substitute.

The school zone traffic data is back from the Traffic Management Team – I have some concerns. Analysis of it shows that the mean speed at 8am was 23 mph and at 9am 24.4mph. At 3pm the mean speed was 22.4mph and at 4pm 25.3mph, this is concerning as it is supposed to be a 20mph restriction during these times! I have expressed this back to the team, I'm awaiting a response.

I attended the Onion show again this year which was fantastic, well organised and well attended. Fantastic job done by all and a great amount of money raised.

The full Westmorland & Furness Council meeting was on 21st September and I will hopefully give an update on that in my November column, as the agenda includes important local topics such as the closure of railway ticket offices.

Up For A Challenge? Autumn Photography Challenge

After a Summer that was a real mix of scorching hot days and seemingly never-ending rain we are heading into Autumn. The season brings often spectacular changes to the landscape, with a mass of new colours; red, orange, yellows and purples. Why not have a go at photographing a favourite scene that sums up Autumn for you and enter our competition? It might be a local view or an Autumn activity - whatever captures the season most evocatively to your eyes. Images can be colour or black & white.

Digital photographs should be not more than 10Mb in size and can be submitted either via uploading to the 'Burton News' Facebook page, or to our email address burtonnewseditor@gmail.com. Print photos can be passed on to us by leaving them at the village shop who will put them in our folder for collection. Note that we will be unable to return print photographs.

We will choose 3 'top' images to feature in a future edition of Burton News and to be highlighted on our Facebook page.

Fitness Is Fun!

Being fit to live the life we want for as long as we can makes sense, but it does take a bit of time and effort. Modern medicine seems to be getting better at keeping us alive but who wants to live longer in pain, or with restricted mobility, or any of the 101 things that await us as we age?

Research suggests that exercise has the greatest power to determine how we will live out the rest of our lives. Fusion fitness addresses the elements that I think are important for all round fitness and which should be incorporated into any exercise programme.

Let's start with aerobics. The more aerobically fit you are, the more energy you have for whatever you enjoy doing. Simply put, it's getting your heart rate up by whatever means you like.

Onto strength. Muscle mass begins to decline as early as in our 30's and it takes much less time to lose it than gain it, so using weights, resistance bands or just your own body weight will help keep the decline at bay.

What about stability? It's the ability to control your body position through movement. Think of it as the solid foundation that enables us to move the way we do. It's what helps prevent injury.

Balance. We need it! Stretching and flexibility can lead to greater range of motion. Without it muscles shorten and become tight. Core. The group of muscles that surround the spine and hips. A weak core can't provide the support the spine needs.

And don't forget to breathe....it helps!!

We sometimes try and work round our limitations and injuries by compensating and end up creating new problems. Remember it's not about training for marathons it's about being able to live a life in which you can continue doing what you love for as long as possible.

Have fun!

Vicar's Letter...

A Trivial Question?

Dear Friends,

“What do you think of him?” That’s the question that was being asked about Jesus all over 1st Century Judea. He was discussed down by the River Jordan (John 1:46), among the ethnic minorities in Samaria (John 4:26), by the festival crowds in Jerusalem (John 7:26) and by the religious elites at the temple (John 7:51). Aware of all the whisperings, Jesus asked his friends directly, "But what about you? Who do you say I am?" (Matthew 16:15).

He wanted to know if they thought he could be the man they were all waiting for – the ‘Christ’ promised by the prophets. ‘Christ’ (or ‘Messiah’) means ‘King’, a royal Son with God’s authority to rescue a people who knew that their nation was in trouble - trapped by powers beyond their control and by the self-destructiveness that afflicts us all.

Some people at the time thought that Jesus was a fraud or worse but others pointed to the evidence – would the real Christ do more miraculous things than Jesus had done? (John 7:31) He opened blind eyes, but others testified to something deeper; that he had opened their mind’s eye to the truth and they knew their lives were changed forever (John 10:21).

Amazingly, although this all took place in three short years and in one little corner of the Roman Empire, it wasn’t all that long before people all over the world would answer the question, “What do you think of Jesus?” with a resounding, “He is King of Kings forever, and my Rescuer and Lord!”

Some people today hope that this delusion, as they call it, will wither and die as humanity throws off the shackles of primitive thinking but (despite what is happening in our culture in the short term) across the world there seems to be a continuing rise in those who believe that Jesus is the Christ of God. Didn’t Jesus say that his kingdom would be like yeast that is mixed into a large amount of flour to work its way right through the dough? (Matthew 13:32)

What about you? Who do you say that Jesus is? It may seem like a trivial question but what if true life can only begin when this foundation block is in place? (John 6:40)

Sincerely

Graham Burrows

Annual Gift Subscriptions

If you know of anyone who may like to receive BN regularly each month, why not buy them an Annual Gift Subscription? For £12 within the UK they will receive a copy of BN each month (11 copies per year). A great way for family, friends and former residents to keep in touch with what's happening here in Burton. Anyone interested should contact BN at the address in the box on page 2.
