EDITORIAL

Welcome to your November edition of Burton News! Being editor of BN is a great job, but it does have one drawback. When putting together each edition, I am always thinking about the future and what is happening next month, and sometimes the month after and you can end up watching the days, weeks and months race past. For example, I am writing this editorial towards the end of October but my mind is full of thoughts of not only this edition but the December one to follow. As we do not produce a January edition, I am also thinking about the New Year! Which is a long way of saying that if you are planning any events in January, please can you send them for inclusion in the December issue.

November looks like it is going to be another busy month in the village. As well as all of the usual clubs and societies, there are some special events coming up in November. The annual Christmas market will take place on the 14th in the village hall. It will be full of lots of talented local artists and artisan crafters, so be sure to check it out. We are also excited about Burton Singers annual winter songbook, but will have to wait until December for that. There will also be a Christmas Coffee Morning on the 28th.

The Royal Oak continue to offer a range of events to keep us busy including their monthly quiz night and a new 'Cheese and Wine Evening'. All of us at BN would also like to

Please would readers note that letters & articles must include a valid name & address. This can be with-held from publication on request. We will not publish any anonymous letters, or material which, in the opinion of the Editorial Committee, is of an offensive or defamatory nature. BN reserves the right to edit letters & articles in the interests of magazine space.

congratulate everyone at the Royal for their recent awards. These awards are truly well deserved, and it so great that the village has such an asset. Christmas Carol's at the Royal will take place on Tuesday 1st December. It is sure to be a great night, and is open to all ages.

Our very own youth representative Thomas has been busy trying to organise events for young people in the village. Please read his column on p.27 as he has got some support from a youth charity who are really keen to support young people in the village, and importantly they want to hear your views. If you are a parent of teenagers or young people please point them towards the survey (link is in the article). We will be sharing on our social media pages, but it would be great if we could get as many young people involved as possible.

We go to press before the end of the month, to ensure that you get your copy of BN as close to the 1st of each month as possible, so unfortunately we are unable to report on the Halloween trail, but we know that the Children's committee have been busy planning another great event, and we can't wait to see everyone's pumpkins and Halloween decorations.

Don't forget that we have started a family announcement column, so if you want your personal message to appear in the next edition of BN please send your message to burtonnewseditor@gmail.com, and a reminder once again that we do not have a January edition, so if you want to wish happy birthday to someone in January we will need your message for the deadline next month which is 20th November.

Have a great month. Stuart and team.

BURTON WOMEN'S INSTITUTE

Things don't always go according to plan and unfortunately the speaker due to wow us with flowers at our October meeting was struck down with illness at the last minute.

With no time to organise anything else, one of our members stepped up and regaled us with tales of her time working in a garage. Plenty of laughter followed by refreshments and time to catch up with friends.

On November 12th we look forward to hearing Nigel Rowe's story of his cycling adventure'East from Moscow'.

Visitors are always welcome so do come and join us at 7.30 at BMH on the 2nd Thursday of each month.

HOLME AND BURTON MOTHER'S UNION

Members enjoyed an illustrated talk by Bridget Pickthall, secretary of the local 'Hincaster Trailway' group. Bridget explained the history of the five miles Hincaster to Arnside rail branch line from 1876 to 1966. In 2008 Bridget, as a founder member of the group, plus local organisations and land owners contributed to a new lease of life for the old branch line. It was developed into a two and a half mile Trailway with a safe 'traffic free' walking, wheel chair friendly, cycle and bridle route. The trail from the car park is a feast of natural beauty plus local history and is maintained by the Hincaster Trailway Group as a community based inclusive project.

The next meeting on November 3rd is a talk by 'Prison Chaplain' Diane Gilmore. Everyone will be made very welcome to attend.

The Christmas meal is on Tuesday December 1st 12:00 for 12:30. Members are reminded to bring their meal choices to the November meeting, no payment required until December 1st.

No meeting in January 2027 and the A.G.M is on Tuesday February 2nd 2027 when annual fees will be due plus the 2027 programmes will be given out. Everyone welcome to attend.

News from Burton Memorial Hall

First a couple of thank yous: firstly, to everyone who came to the October Welcome Day and to Kevin Preston for bringing his gorgeous plant stall along to it. Also to the 5678 Line-Dancing Group (Sue and Helen) whose social afternoon in October raised £125 for hall funds. Their next one will be on Saturday 5th December, 2-5pm, open to any line-dancer who wants to join in.

Join us on Monday 2nd November at 7.30pm for an inspiring evening with Jane Dean, founder trustee of A Breath for Life, as she shares the remarkable story behind this charity. In 1996, Jane met three-year-old Andrew Waddington, whose life had been changed forever by a catastrophic brain injury. Determined to find a way to help him, Jane and local osteopath Charles Tisdall began a journey that led them to discover the potential of hyperbaric oxygen therapy (HBOT), a treatment that has helped many local people over the past 30 years. Cost £2.50 on the door.

Our Annual Christmas Market will take place on Saturday 14th November from 10am until 4pm, with 24 fabulous stalls, Jan's Pop-Up Cafe, and the Hall's huge Used Book Stall. Admission £1, accompanied children under 12 free.

On Saturday 21st November we will have the mid-monthly Coffee and Cake Morning from 10am until 11.30am, with our delicious home-made cakes, plus Kingsharp in the car park again to sharpen your blunt things (knives, scissors, DIY tools, garden tools).

Diary Dates:
Monday Talk: 5th December 7.30 - Gary Parsons, the Commanding Officer of Bay Search and Rescue, about their work in rescuing people in Morecambe Bay.
Our Christmas Bingo nights will all be on Fridays: 20th November, 27th November, 4th December, 11th December and 18th December.

PARISH COUNCIL SKETCH

A number of residents wanted to speak in the Open Forum in this month's Parish Council meeting.
First up a gentleman spoke in regards to traffic in the village. Firstly he wanted to raise the issue of speed and HGV's from the quarry using the village. Anecdotal evidence suggests that quarry traffic is using the village again when it should be using J36. The PC want residents to know that if you believe that a lorry has gone through the village to the quarry, then you can take the registration number, phone up the quarry and they will sanction the driver, with initially a temporary ban from the quarry and if it is a repeat offender then they may enforce a permanent ban. The ban on quarry lorries is part of the quarry's planning consent, and they will take action if drivers are using the village.

Concerns were also raised about the road surface on the A6070 south of the village. However the road is in a poor state in Lancashire rather than Cumbria, and is therefore outside of the remit both of the PC and W&FC.

The second member of the public in the open forum wanted to discuss the school playground on the grounds of safety. A governor of the school stated that the playground equipment will be removed over the half term holiday. The school are going to be asking for community funding, but are also asking for PC support in trying to raise funding to replace the equipment. If you feel that you can help the school in applying for funding then please can you get in touch with them. The PC do not have the money to support the school, but could offer support in other ways.

A planning application has been recieved for a front and rear extension, raised roof and detached double garage on Thornleigh Drive. The ridge height has been reduced from a previous application. However, according to the PC, very little else has changed so the PC will continue to object to the application.

Planning rules are changing though, and affect the ways in the PC handles approvals and rejections. Residents can email the clerk if they want full guidance to these changes.

PCSO Mandy Coleman has been visiting the school to enforce parking rules. Please make sure that you park sensibly at drop off and pick up times. The PC have been looking at other traffic calming measures such as gates by the side of the road which make the road appear narrower, and therefore encourages traffic to slow down. This will be discussed in further detail at the next meeting, as it may require permission from W&FC.

Cllr Crayston has tendered her resignation from the PC as she is moving out of area, and therefore is unable to sit on the council anymore. That means that there are now two vacancies on the council. If you think you have what it takes to cope with this fast paced environment, and would describe yourself as a dynamic forward thinker, then please get in touch with the council for more information.

Pre-Loved Wardrobe & Home Fair Event on 3rd October

The astonishing sum of £607.20 was raised for HEADWAY:The Brain Injury Charity on Saturday 3rd October.

Sincere and grateful thanks to all those who participated and helped to make this another enjoyable and special event. Our Vintage Tearoom was a huge success with delicious homemade cakes and biscuits, sandwiches and an extraordinary number cups of tea and 'proper' coffee was served with elegance and style. The stall-holders brought wonderful things to entice and delight and lots of stylish bargains were to be found and purchased.

If you missed out on our Autumn event make sure you look out for the Spring 2027 one - date TBC.

Unleash Your Game—Play Bold, Stay Young!

Stop Babying Your Game Like You're Protecting Your Retirement Fund. If one more player smiles and says, "I just wanted to keep it safe," I'm going to need a wellness break. And just to be clear—we are keeping our bodies safe, respecting our limits, and playing smart with our movement. This is all about what happens when you step up to the ball with fearless, exciting intent!
Where did this idea come from that caution is a strategy? Is there a secret Pickleball Pension Program I don't know about? Do you earn extra Pension Credits for every dink you don't attack? Are we handing out trophies for the most passive dinks?

Whether you're 40, 50, 60, 70, or beyond, you are built for more than just sending the ball back over the net and hoping for the best. Safe play leads to predictable patterns:
• Bold drives instead of soft floaters
• Crisp speed-ups that seize the initiative
• Proactive pressure that puts you in the driver's seat
• Fearless counterattacks that turn defence into instant fun

This isn't just about winning points—it's an invitation to feel alive. Pickleball punishes hesitation. It punishes timidity. It punishes the "I just want to be consistent" mind-set like a strict Catholic nun with a ruler. This isn't safety. This is you sending your opponent a handwritten invitation: "Dear Sir/Madam, please bully me at your earliest convenience."

Playing with Fire Keeps You Young (Yes Literally). Players who attack, speed up, counter, and pressure their opponents don't just improve faster, they move better, think sharper, and stay athletic longer. When you step up, attack the right ball, and play with conviction, something amazing happens. You stop just managing a match and start mastering it. Players who lean into the action think faster, move with sharper reflexes, and carry that spark way past the baseline and straight into daily life!

You want true longevity? Trust your hands. Back your skills. Play with fire and purpose. Pickleball isn't a museum, stop treating the ball like a priceless artefact.

The Real Secret to Your Best Pickleball: It's not about age. It's not about doubt. It's about giving yourself permission to go for it. You aren't fragile. You aren't slowing down. You're just getting started. Your best pickleball isn't in your rear-view mirror—it's waiting right on the other side of your next confident swing.

Burton-in-Kendal Table Tennis Club

Early Season Update – October 2026

The new table tennis season is now fully up and running. This season Burton TTC has one team in Division 1 of the Kendal & District Table Tennis League, two teams in Division 2 and one team in the newly created Division 3. I am pleased to say that one of our strongest junior players, Mark Read, is now part of the Burton D squad playing in Division 3. I'm sure he will benefit greatly from the experience.

Competitive table tennis in the Kendal & District Table Tennis League began in the week commencing September 28th 2026. Burton A, the defending Division 1 Champions, captained this season by Simon Gregory, have started strongly. James Burton has started particularly well, winning 4 of his 6 matches to date and currently sitting 5th in the Division 1 averages. Burton B have won all 3 of their matches so far, including wins against their 2 strongest opponents, Natland C and Natland Holker A. David Hewitt is unbeaten. Burton D, captained by Dave Salmon and making their debut in the new Division 3, are finding it challenging but all members of the squad are picking up points and hopefully enjoying the challenge.

Junior table tennis is now taking place each Thursday from 5.00 to 6.00, followed by an Adult Social session from 6.00 to 7.00. We are currently considering the possibility of introducing an additional adult social table tennis session to take place during the day. Two people have so far expressed an interest in this so if anybody else would be interested in such a session, please let me know. We need 3 or 4 more to make it viable.Anyone interested in attending Junior Training or Adult Social Table Tennis or playing competitively in the Kendal League should text or WhatsApp Tony March on 07814 029471 or email me on tony@lonsdaleconsulting.co.uk.

Coaching
Coaching for juniors and adults over the Summer/Autumn with Michael Cartmell was very well received and enjoyable for all those who attended. We will be considering a restart in the Spring.

First things first

Dear Friends

What do you do when you wake up? Hit the snooze button, turn over and sleep a little more? Get up, wash and dress? Head for the cereal cupboard or the coffee maker?

What did Jesus do when he woke up? "Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed." Mark 1:35

He'd been up late the night before: "… after sunset the people brought to Jesus all the sick and demon-possessed. The whole town gathered at the door, and Jesus healed many who had various diseases. He also drove out many demons …" v32-34

And Jesus' opportunity for undisturbed quiet prayer would soon be broken when his disciples found him and told him "Everyone is looking for you!" v36-37
Jesus then says that they must all get on the road again so that he can preach about the kingdom of God in the next village, and the next …

What was Jesus praying to his Father about in solitary places on those dark mornings? The many needs of all the people who flocked to see and hear him? His own tiredness and weakness? For the crowds to truly believe that God's Son had arrived among them? For strength to keep going until it was time for him to head for hostile Jerusalem and lay down his life for his friends?

What could you pray about if you were to seek God early in the morning?
Here's a prayer you could pray:

Dear Lord,
Thank you for giving me this day to live in your world.
Forgive me for trying to avoid you.
Protect me by your mighty power,
Keep me from giving in to temptation.
And help me to do what pleases you.
I ask in the name of your Son, Amen.

If Jesus needed to get up and pray to his Father, I can't need that less.

Sincerely, **Graham Burrows**

The church is open to visitors every Friday and Saturday, 10am – 4pm.
You are welcome to look around or to use the quiet to think or pray.

BURTON YOUTH NEWS

Fancy Something New? Help Us Create a Youth Group! Are you aged 16–25 and live in or around the village? We want to hear from you!

As you know I've been exploring the idea of setting up a new group for young people, and I want to make it something you'd actually want to be part of. I've also been talking to a charity called Wave Forward, who are helping me explore how we can get the youth group off the ground. They may also be able to provide funding to help us get started during our first year, which could help us put on activities and events. Nothing is confirmed just yet, but it's an exciting possibility as we start to develop the idea.

The aim is simple: to bring young people together, meet new people, make friends, try new things and have somewhere to go and enjoy yourselves. But here's the important bit — I want you to help decide what it looks like!

Would you be interested in somewhere to hang out and socialise? Maybe trips and days out, outdoor adventures, games nights, sports, creative activities, cooking, volunteering or learning new skills? Or perhaps you have completely different ideas about what would make a great group.

It doesn't have to be all about organised activities, either. It could be a chance to meet people, share ideas, have a laugh and do something different from the usual routine of school, college, work or home.

I know everyone has different interests, commitments and ideas, so nothing has been decided yet. I'd love to hear from you about what you'd enjoy, when you'd be able to meet, and what would make you want to come along.

There's no commitment at this stage — I am simply finding out whether there's enough interest and what young people would like to see happen.

If you're aged 16–25 and think this sounds like something you might be interested in, complete our short questionnaire. Your ideas could help shape something exciting for young people in our village. Interested? We'd love to hear from you! Use the link below to complete the questionnaire. The deadline is 5th November so be quick!
