LETTERS

Please would readers note that letters & articles must include a valid name & address. This can be with-held from publication on request. We will not publish any anonymous letters, or material which, in the opinion of the Editorial Committee, is of an offensive or defamatory nature. BN reserves the right to edit letters & articles in the interests of magazine space.

THANKS!

Thank you to everyone who has sent in a donation for this year's annual appeal. They will help to fund Burton News for the next twelve months.

The donation box will be in the shop for most of July too, so anyone who still hasn't popped something in it, and who would like to do so, still has the chance.

Every penny raised for BN is used to fund the printing costs, and without your support we could not continue, so a huge thank you to you all.

Also, may we say another big thank you to Callum Graham, who chose BN as his charity of choice to benefit from his annual sale of plants at the Children's Sports Day. We very much appreciate your support, thank you!

BURTON PRE-SCHOOL

As many of you will know, Burton Pre-School has been running now for over 30 years, and has been, and continues to be, an important part of the community, giving pre-school children a wonderful opportunity to learn through play in a safe and caring environment.

The Pre-School is run by a committee of volunteers who are responsible for its overall management. The current committee members will be standing down at the end of the Pre-School year, and at present, no volunteers have come forward to form a new committee.

The Pre-School needs at committee, without one it cannot run. Burton Pre-School will **CLOSE if it doesn't have a committee.**

Committee members do not have to be parents. Perhaps you have an interest in childcare, teaching or fundraising, or would like to meet new people and help Pre-School serve the community as it has done for decades.

Our AGM will be held on Monday 7 July at 7.30 in Burton Memorial Hall. If you are interested in joining the Committee, please contact the current Chair, Hannah Lamb, on 07789 075430 or email lamb44ptp@btinternet.com.

PC Observations...

Reporting from the Parish Council meeting

The two biggest topics for the PC on 19 June meeting were the number of planning applications to deal with, and the co-opting of a new member to replace Ian Hunt, who has retired. A member of the public came along to say what he was planning to do with the building of a single dwelling in the garden of the Swiss Barn in The Square. This was a good move because the 'full planning' application was passed by Chairman's Deciding Vote after Councillors voted 3-3 – a close thing. Another wind turbine application (at Deerslet Farm) bit the dust as Councillors objected to its visual impact. Applications for barn development to the rear of the Kings Arms Hotel for hotel accommodation were welcomed by Councillors as positive developments, after encouragement from the Chairman.

Discussion about the co-option of a new Councillor – there were three good candidates - was concluded by the invitation to Peter Smith – ex Parish Clerk – to join the Council.

Other matters included:
Dog-poo Enforcement Officers will be on the outlook for offenders from the

end of June.

Police actually had an arrest to make this month after an assault; other events included a dog left in a car, sheep on the road and the attempted robbery of a washing machine.

The Council supported SLDC's Planning Workshops, but after hosting one last year did not want to do so this year, although will do in future years.

Pamphlets about Jubilee Walks around Burton have been reprinted, thanks to the sponsorship of the Kings Arms and Thwaites Brewery.

The car park at Boon Town needs resurfacing – Moira Rowley will contact SLDC about this.

The school asked for white lines on the road outside the school to be repainted. This is an SLDC responsibility and they will be contacted.

Councillor asked for SLDC to be reminded that Slape Lane vegetation needs pruning. They have a hedge cutter just for this.

The wall in front of Burton Hall was reported as a safety hazard and still remains unrepaired after two years. A letter will be sent.

Also reported that parking in the Memorial Hall is for Hall business only – reminder to all. Some people seem to think it's free parking for day-long stays.

Accounts approved, payments authorised, and Lengthsman's Logs read as usual. The list of outstanding actions was reviewed.

And finally: Roger Bingham brought a bit more bad news about County Council cuts, this time to the annual grant received by the Parish Council. Roger was not sure how much it would be but it could be up to 25% over the year to come. Roger assured Councillors that he would do what he could to minimise it.

Cross Bay Walk for The Rosemere Cancer Foundation Saturday 6 September

An unforgettable experience and a perfect activity for a summer's day for all the family!

The Rosemere Cancer Foundation is dedicated to helping to provide the very best care possible for cancer patients in Lancashire and South Cumbria,

wherever they are treated.

The Foundation aims to raise £800,000 each year for local cancer research, patient welfare projects, additional equipment and training that cannot be provided by the NHS.

The charity supports projects in Westmorland, Lancaster and Furness hospitals.

The Rosemere Cancer Foundation Cross Bay Walk starts from Arnside shore at 3.15pm and finishes at Kents Bank, with Queen's Guide Cedric Robinson leading the way. The walk is approximately 8 miles and the duration is dependent on the tides, but will be approximately 3.5 hours.

Entry is only £10 and all Rosemere walkers will be given a free bag, Mars bar and water. There will also be coaches to take walkers from Grange to the start of the walk in Arnside at a cost of only £3 (to cover the cost of the coach).

For an entry form please call the Rosemere Cancer Foundation on 01772 522913 or download a form at www.rosemere.org.uk.

Book your place early as the walk was over-subscribed last year, and invite your family and friends to join too.

SPORTS DAY 2014

The Burton Children's Sports Committee held the Annual village sports Day on Monday 26 May. The sun was shining which helped to make it a brilliant day.

The procession theme was BOOKS this year and we were all pleased to see so many floats and walkers. Mr and Mrs Carr had a very difficult job picking the winners. The atmosphere was exciting and the committee enjoyed seeing everyone having such a good time.

Now who do we thank first? There is such a lot of hard work goes into the day: with Neil and Ann from the Kings putting up with our meetings, they make us feel so welcome we can be there for hours. :)

All of the committee are volunteers giving up their time to keep the it going, so on behalf of the village we thank you all. We have many people that just turn up and get stuck in on the day, which we wouldn't manage without; working on the BBQ, guiding the traffic for the parade, and standing in the sun managing the inflatables, so thank you to you too.

Then to the hall committee that let us use the hall and turn up on the day to

help out wherever they can. To Akis and Gill who advertise all our events and help out when asked, next time you're in the queue check out Gill's photos by the till. Mr Robert Dixon and his pony Meg who led the way, with our beautiful Rose Queen Kayleigh Wilkinson, followed by Erin Still, Poppy Barker, Teigan Richardson, Carrie Shaw and Annabel Tatham, the retiring Rose Queen and Attendants. They were all in cars donated for the day by Audi VW garages in Kendal, also thanks to Christine from Family Affairs Wedding Dress Shop. Last of all, the Burton News for all that you do. We hope you will all join us again next year.

The race results for the day are listed below...

Vicar's Letter...

Favourite Books

Thank you to all those who worked so hard to organise the great Burton Sports Day, and especially to those who fixed the weather. And thank you to whoever chose the theme for the decorated floats: 'Favourite Books'. When that was announced it was clear that St James' Church had to enter, and there was never any question about which book our float would feature. But why is the Christian church so keen on a rather long, old book?

We all understand when people are attached to other publications:

A man who receives a letter from his new fiancée will keep it close to his heart.

If you go walking on the fells you keep your map to hand not buried at the bottom of your rucksack.

I get out the bread maker instruction book nearly every evening because I still can't remember how much water is needed for each recipe.

Perhaps you have a favourite novel. You've read it already (maybe more than once) but you will read it again and will delight in things you hadn't fully seen before.

While junk mail goes straight in the bin, a letter with significant news, whether telling you to visit your doctor urgently or inviting you to a job interview, will be read many times.

The Bible is all of these things and more: the maker's instruction book, a reliable map for life, a letter from someone who loves us deeply, shockingly dreadful news – and almost unbelievably hopeful news, a book with a single, complex and intriguing plot whose depths and wonder will never be exhausted no matter how many times you read it.

There was a time when the people of Britain were described as 'A People of One Book', when even the thought and speech of atheists was Bible-saturated. Nowadays much of the Bible is unfamiliar, and we can be astonished to find that it doesn't endorse our 21st Century Western thinking.

But as Moses warned his people, "They are not just idle words for you - they are your life." (Deuteronomy 32:47).

This is a book that still has power to transform people, families, villages, even nations. It's our favourite book.

Sincerely
Graham Burrows

Historical Footnote...

... by Roger Bingham

THE EARLY YEARS OF BURTON W.I.

In March 1932 Burton Women's Institute was founded. Though the branch became one of the most successful and enduring village organisations its start was rather late in the day, as Kearnswick WI near Kirkby Lonsdale was already 15 years old, while Heversham WI, whose president Miss Lloyd chaired Burton's inaugural meeting, had been going for some years.

Burton's first Madam President was Mrs Pemberton, but she was quickly superseded by Miss Lees of Burton Hall who, on and off, reigned until the 1960s. The first committee comprised of many still-remembered ladies, being Mesdames (as they were termed) Sewart, Metcalf, Wilson, Dodd, Braithwaite, Cummings, Gregson and Dixon along with the Misses Ball, Bainbridge, Bell, Hoyle, Dobson, Lees and Mounsey.

Monthly meetings were held in the National School, except when 'the method for heating water' broke down and, in 1940, when the premises were taken over by the Air Raid Precautions

wardens. Summer Garden Meetings were tried but eventually abandoned owing to wet weather.

Initial administrative arrangement included the purchase of a minute book for 2/-, 100 envelopes for 1/-, and badges at 10d each. The annual subscription was 2/- and the Branch granted 30/- expenses for delegates going to the Albert Hall National AGM and also 15/- for the 'pooling of fares.'

In 1934 the branch took over the care of the War Memorial, cleaning materials being paid for 'from interest on a fund of £28:9:10 set up for the purpose.' Meeting agendas consisting of a talk or demonstration, a competition and social activities were soon set. Talks varied from book balancing, to chicken trussing; rush and string chair seating; tailored button holes, and electrical developments for the home.

There were also lantern lectures and, as a sign of modern times, 'talkie films' like 'Cadbury's of York' and 'Prudential Insurance' were introduced in 1935. Frequently, the legendary jam-making really was on the agenda, though once, rather oddly, the competition for marmalade was in June - too late for Seville oranges, with blackberry jam in July - too early for brambles.

competition was abandoned owing to insufficient practice' but a social half-hour game of whistling either "O do ye Ken John Peel" or "Home Sweet Home" went down well. Other competitions included the 'biggest hyacinth' every February, 'the most candles to be lit with one match' and Best Ladies Spray.

Subjects for the talks included Life in Gaol (from the Rev Gamble, Vicar of Milnthorpe), making slippers from old felt hats and, invariably in November, treacle toffee and/or ginger bread. Social events included an annual Whist Drive, with Social and Potato Pie Supper at 1/6 'or just a shilling without the Whist Drive', and a summer 'chara' trip.

Inevitably, the outbreak of war fractured the tenure of life. The meeting in September 1939 was cancelled owing to the 'national emergency', but soon the patriotic ladies purchased three hundredweight of jam sugar at 27/6 per cwt. In 1940 because of fear of German invasion it was decided not to risk sending a delegate to a meeting in Penrith.

But as an extension of the democracy for which the nation was fighting it was resolved that an 'inexpensive form of secret ballots for Parish Council elections should be devised.' Even so

Miss Higginbottom's talk on 'Currant (sic) Affairs' had a horticultural 'Home and Country' theme rather than a political message.

Later this year – on Saturday 25 and Sunday 26 October – the Holme and District Local History Society will be holding an exhibition in the Memorial Hall to commemorate the lives of the soldiers from Burton Village who served in the First World War. against other teams from England. Congratulations to our team – Finlay Rooney, George Pickering, and Jack Wheelhouse. Thanks to Graeme Wheelhouse for coaching our team.

Over 30 Awards, including Credits and Badges, were presented. The John o’Gaunt Trophy was awarded to the Best New Member of the Company Section in his first year for uniform and attendance, and this year it was actually a tie and went to Ali and Tom Burrows. The Casson Trophy for the Best non-NCO for uniform and attendance, this year it was a tie and went to Ali and Tom Burrows. Queens’ Badge – This is the highest award a young man can receive; Finlay Rooney, George Pickering and Harry Still after completion training received their Queen’s Badges from Mr A Mcloughlin.

Leadership: I wish to thank our young men for their commitment each week, and those in leadership in a wide variety of activities, since September 2013. 2013/14 has been a year of considerable achievement by all boys in the company, and we wish to thank parents for their support. In particular, also to the hard-working team of leaders and instructors who give their time each week – Graeme Wheelhouse, Victor Hughes, John Gaskins, Derek Stevenson, and Ross Stevenson.

Many others have helped us to make this a very significant year, including the PCC of St. James’ Church, the Management Committee of the Memorial Hall for use of the Hall each week, Burton Morewood School, and Lancashire Youth Service for their minibus for the National Cleveland Hike in two weeks’ time.

As an organisation whose object is "The advancement of Christ’s Kingdom among Boys", and part of St James’ Church Burton, we give thanks for many who have during the past 33 years come to a personal knowledge of Jesus Christ, and who are now walking in discipleship.

Each member received a BB North West District Centenary 1914-2014 Badge. Parents and friends enjoyed sampling the results of the Boys’ Baking Competition.

Roger Reports...

from the District & County Councils

It now seems a long time ago but, in May, there were two elections in South Lakeland and three in Kendal. Our area was only affected by the Euro-election, and Burton's turnout - although low by general or local election standards - was relatively high. The main election issues were the closure of Kendal's public toilets, opposition to the extensive house building schemes and introduction of on-street parking meters.

I have received more e-mails and letters about the county council's administration's proposal for on-street parking than I have had since the furious debates on the Local Development Framework's plans to build 6,000 extra houses. There have also been packed protest meetings in Bowness and elsewhere where fears about the effect on trade especially for small hotels without private parking have been expressed.

During the election, rather strangely, a notice also went round informing voters that the election(s) were about 'saving the hospital' although SLDC, the Euro-Commission and Kendal Parish Council are not involved in the organisation of the NHS, and there have been no

official reports that Westmorland General Hospital is to close - as distinct from announced changes in service delivery, about which I and members of other parties have protested. I understand that this issue is being investigated.

All parties were upset by a decree that tellers at Polling Stations should not ask for voters number until after they had voted. As hardly anyone can remember their number when they leave (generally without their card), it means that parties cannot know how many of their pledged supporters have voted, so that the electorate is in danger of being 'knocked up' or telephoned throughout the election day. Tellers cannot ask how a person votes, so choice of candidates remains a secret. In my experience of over 30 years' electioneering in Burton hardly anyone exercises their right to refuse to give their number, and tellers from different parties always help each other in a friendly manner. But, please, what do you think?

Another big council row has brewed up over the county's proposal to build a new £10m headquarters in Carlisle. I am objecting to this latest 'Carlisle-centricity' as CCC is trying to make economies of £88m over four years; more office space is now available because of redundancies, and if revived proposals to replace the county and

Local Natural Burial Ground wins again

In an award based on the experience of bereaved families across the UK, Dalton Woodland Burial Ground in Burton has been named the best Natural Burial Ground in North West England for the second year running. "We are very proud to receive this award again," said Francis Mason-Hornby, Registrar at Dalton. "We have had nearly 60 families choose Dalton Woodland Burial Ground since we opened and it's so encouraging to know that we have been able to help them in some way.

Set in mature mixed woodland at the foot of the Dalton Craggs at the heart of the Dalton Estate, Dalton Woodland Burial is a 30 acre woodland site interspersed with natural glades, areas of limestone outcrops and large limestone boulders and is open 365 days a year, from dawn to dusk.

Friday 18 July -
PHILOMENA (2013) [12A] 98 mins
Cast: Judi Dench, Steve Coogan,
Sophie Kennedy Clark

This powerful and heart-felt film is based on the true story of Philomena Lee, played by Judy Dench, who had a child out of wedlock in 1950's Ireland and was sent to work in one of the notorious Magdalen laundries run by the Catholic Church. From here she was forced to give up her son for adoption to a childless couple in the USA. Decades later she meets the BBC reporter Martin Sixsmith, played by Steve Coogan and together they go in search of her long lost son. Both Dench and Coogan (who also wrote the script) are excellent.
